SHAKE INGREDIENTS WELL IN BOTTLE TO MIX

Tells How to Prepare a Simple Mixture to Overcome Dread Disease.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixtures after each meal and at bedtime:

Fluid Extract Dandelion, one half-ounce; Compound Kargon, one ounce; Compound Syrup Sarsparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well-known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

MARRIED IN WEST, WILL LIVE IN SUSSEX

Miss Louise G. Trites Becomes Bride of Charles T. White.

The marriage of Charles Titus White, of Sussex (N. B.), to Miss Louise G. Trites, of Edmonton, formerly of Sussex, took place at 8 o'clock yesterday morning at the residence of W. A. Noble, Sixth street. The ceremony was performed by Rev. A. M. McDonald, in the presence of a few intimate friends of the parties. Immediately after the ceremony Mr. and Mrs. White left for the south on the C. P. R. They will take an extended trip through California and the Southern States before returning to Sussex, where they will make their home.—Morning Journal, Edmonton, Alberta, Oct. 31.

COUNTRY ROADS

To the Editor of The Telegraph:

Sir,—As the political pot is beginning to boil I thought I would stir it up a bit by writing you a few lines from this corner of Victoria county. The present government is strongly condemned here for its corrupt administration in general and the Highway Act in particular. I would like to ask them why they did not leave us with our old Highway Act. I am in a position to and can supply the answer if they wish. Under the old system we had good roads and could improve them as occasion required and the councillors elected from among ourselves knew who were fit and proper persons to see that the work was honestly performed. Under the new regime in the summer of 1906 the sum of $1,623 was spent on the roads in our parish, at least we were told so, but we fail to see what was done with it. The parish is fourteen miles long and the highway reminds me of the mammoth skeleton of a serpent over the ribs and back bone of which the public must jolt. But I see the government is coming down off the perch and after all their praise of a perfect highway act they are going to condemn it the coming session. More anon from

SALISBURY PEOPLE MEET WITH ACCIDENTS

Man, Wife and Child Go Down in Collapse of Floor—Mrs. J. B. Parker Breaks an Arm.

Salisbury, N. B., Nov. 7—Last evening Mr. and Mrs. Elmer McDonald and little Nina Hayward had a very narrow escape from serious injury. They were standing in the woodshed, which is located in the upper flat of their dwelling, when suddenly the floor collapsed and they, with several cords of wood, were carried to the floor below, a distance of about ten or twelve feet. They had a bad shaking up, but were not seriously injured.

This afternoon Mrs. Parker, wife of J. B. Parker, section foreman, fell on the platform at the kitchen door, striking her arm across the edge of the platform, breaking both bones of her right arm above the wrist. Dr. C. A. King set the bones, and Mrs. Parker is resting easy.

Summer School of Science at Sackville.

Sackville, N. B., Nov. 7—(Special)—It has been definitely decided that a summer school of science will meet here next year. The session will begin on July 7th. Those in attendance will make their home at Mount Allison Ladies' College during the session.

Kirk McLellan, of Dalhousie, has been agreed upon as referee for Saturday's game here between Mount Allison and Acadia. He has not said yet whether or not he will come. Mount Allison may be without Adrian, one of her regular forwards in this game. He has been suffering from lumbago.

Some Ginger Tea

Is considered a good thing to break up a chill, but something much more certain is a teaspoonful of Nerviline taken in hot water. Nerviline sends glowing warmth tingling all through the body, makes you feel good at once. Nothing so good for colds, coughs, chest pains and chills. Get a 25c. bottle of Polson's Nerviline today.

ST. JOHN MARKETS

The feature of the change in prices during the past week was a drop of fifteen cents in the price of Ontario flour. The advance in all grades seems to have been stopped, and it is possible the prices will not go any higher. With the marketing of the new crop, the price of oats is beginning to go down, but middlings have advanced considerably in price.

In the country market rates are dull, and while the price has not advanced, been is not so plentiful. Pork is a little higher. Notwithstanding the large quantities being shipped in, the price of potatoes keeps up. Butter and eggs are steadily though fancy prices are asked for first class goods. The principal wholesale quotations Thursday were:
