ANXIOUS FOR PEACE

There has been for the past few days a great deal of uneasiness in regards to the operations in South, Africa. News has been very scarce which is due to the fact that Lord Kitchener has told to the home officials that it would be useless at present to give out to the world any information in regards to the operations. It would only be telegraphed back and in a few days the enemy would receive it. It has been believed that Lord Kitchener was holding back the news but in all probabilities it has been suppressed by home officials.

By late reports from London it is learned that the Boers are anxious for peace. Gen. Botha has arrived at Standerton and has been in communication with Kruger, appealing to him to sue for peace.

General Smith Dorrien, who has been welcomed home at Berkhamstead, reports that, while the war may be ended by September, the bulk of the army will be needed in South Africa for twelve months. This is a gloomy forecast, and it comes from one of the most experienced Generals in the field, who has not made a single mistake and has shown excellent judgment throughout the campaign.

The Kentville Band makes its first appearance this season on Thursday evening next at its stand on the esplanade in front of the Aberdeen Hotel. No doubt you will be there but while you are, remember that your patronage is wanted on the 14th inst, at the Band concert. It requires money to run the band and if you want to be favored this summer with music as last, you must patronize the concert to be given. It is your duty to attend and we sincerely hope that you will. We had the pleasure one evening recently of lisenting to the band practising and we can truly say that there is a great improvement and that there is a treat in store for the townspeople. Make a date for that evening and take in the concert.

Acadia Closing

Last Monday was Senate Day at Acadia. In the evening a preliminary meeting was held and after an adjournment for one hour to enable the body to listen to the oration by Rev. Dr. Patterson, the meeting resumed and was in session until a late hour.

Rev. Dr. Trotter resided and introduced the speaker, Rev. Dr. Patterson of New York who held the attention of all for nearly an hour. His oration which was on The Bible and the 20th Century, was a most scholarly one, in which he paid a high tribute to the 19th century. The speaker said the Bible is on the side of humanity, and this is a strong element in its permanence. The philanthrophy of the Bible is wholesome and vigorous, and further humanity is on the side of the Bible. Until man ceases to sin, and to inquire into his origin and destiny the Bible will be of paramount importance to him.

Monday afternoon was Field Day and the Sports held on the College Campus were well patronized and keenly contested.

The Class Day exercises held on Tuesday proved a most enjoyable function. The program was excellent all doing justice to themselves. The program opened with a speech from the president which was very appropriate for the occasion. This was followed by a violin solo by Mr. Max Weil. The class history by R. Jones was very clever and the humorous sayings brought rounds of laughter and applause. The class prophecy by Miss Pearson was well received. The valedictory by A. L. Lewis was eloquent and the solos by Messrs. Weil and Wallace added much to the evening's entertainment.

A large audience attended the Seminary exercises on Tuesday evening. The march of the young ladies dressed in white as viewed from the galleries was grand and well done. The graduates occupied seats on the right of platform while the under graduates sat in the front portion of the house.

The essays of the graduates were delivered in fine style and showed careful study.

Rev. D. Hutchinson of Moncton, N. B. made his first appearance before a Kings Co. audience on this occasion and made a decided impression. His address was upon Purpose of Education and from it no doubt the young ladies about to start out gathered some very helpful facts.

At the close Principal McDonald presented the deplomas and awarded the prizes to the successful students. The present of the graduating class to the Seminary was in the form of an elegant chair for the reception room. The exercises were brought to a close by the singing of God Save the King.

On Tuesday we will publish the names of the prize winners and those successful in the sports.
