FORESTERS.—Rev. C. F. Wiggins will deliver the annual sermon to Foresters in St. Paul's Church Sunday afternoon. The procession will leave Powell's Hall at 2.30 local and will march down Bridge St. before proceeding to the church. The Sackville Band will furnish music for the march.

CHURCH PARADE. —The 1st Sackville Company of the Boys' Brigade paraded to the Baptist Church on Sunday morning, where they listened to a sermon by Rev. Mr. Vincent on "Bicycles." The boys looked well in their uniform and marched in good step. This parade closed the season's drill. Another parade will probably be held in about two months.

BASE BALL:—The Middle Sackville Stars have played with success this season. On 24th May they defeated a Dorchester team by 8 runs and an innings, and they have also beaten the Bon Lillies by nine runs and an innings and gained one other victory. The team is G Hillson, W Scurr, F Hennig, C Grace, C Cormier, E Melanson, J Burke, J Lorett, G Merrill. They play Dorchester again on Saturday.

—The Sackville Y. M. C. A. have leased the entire Roach field for 3 years at $37.50 per year. The field with some work will make an excellent ground.

ST. JOSEPH'S ALUMNI.—The subscription committee of the St. Joseph's College alumni association have entrusted the work of collecting contributions to the memorial hall fund to a number of agents in various parts of the provinces. These agents have been supplied with printed lists bearing the names of the committee. Judge Landry, Rev. H. A. Meahan, Rev. A. D. Cormier, C. S. C., and Chas. H. Hickman; and the better to guard against fraud on the part of unauthorized solicitors of subscriptions, the list carried by genuine agents are countersigned by the autograph of the chairman, Judge Landry.

NEW PHOTO STUDIO — About the end of this month the small building which has long done duty as a post office will be removed hence and its site on York St. will be occupied by a handsome edifice to be occupied by Mr. R. S. Pridham, hitherto of Amherst, as a Photographic studio. The new building will be 30x35 feet and two story. The lower story will contain reception rooms, working room, and show room. The upper, operating room, dressing rooms, dark room, etc. The studio will be one of the best equipped in the Maritime Provinces.

NEW BAND STAND:— Through the kindness of Mr. Geo. E. Ford the Sackville Band is to be provided with a suitable band stand in Lower Sackville. The stand will be situated at the south side of Ford's Block and will be about twenty feet square. The first concert will be played Saturday evening. The band were unable to play last Friday night as announced on account of no place being prepared for them, and their stand being littered up with timbers and unlighted. Mr Ford's generosity will give great satisfaction to the people of Lower Sackville, who always turn out in large numbers to hear the Band.

THE success of that new book of humorous stories and sketches, "A Heart Broken Coroner and Other Wonders," by A. M. Belding and Harry A. Woodworth, has been very gratifying to the publishers. Orders are coming in for it from many parts of Canada and the United States, and its sales in the provinces have shown that provincialists appreciate funny stories concerning their own land. There are fifteen tales and sketches in the book, a considerable portion of them relating to Westmorland and Cumberland counties. Among these are the French dialect story, "Sorray for Pete," and the dialect poem "De Gas-pe-reau." Mr. Belding's character-sketch of a farmer's wife is alone worth more than the price of the book, which is fifteen cents. It may be had of A. M. Belding, Box 24, St. John, N. B., or in Sackville from Fred Hart.

Local.

SALVATION ARMY.—The Jubilee Band of the Salvation Army will be in Sackville on Tuesday evening 18th, in the Army Hall. Admission ten cents. Capt. Perry will accompany them with uniforms and army literature for sale.

CONFIRMATION.—Bishop Kingdon will administer the rite of Confirmation in St. Paul's church on Friday evening next (14th) at 7.30 standard. The sacrament of baptism will also be administered.

I. C. R. TIME TABLE.—The new Time Table comes into force on 24th. The day express trains will run on nearly their present time. There will be a night express between Halifax and St. John. The I. C. R. train to Montreal will leave Halifax at 18.40 instead of 12.40 at present, passing Sackville at 23.30, (11.38) instead of 18.11, (6.11) as at present.

A NARROW ESCAPE.—Capt. Towse of Schr. Drude and Luther Snowdon one of the sailors had a narrow escape from drowning last Thursday at Wood Point. The Drude sailed from River Hebert Wednesday and in the night her bobstays were carried away and she put into Wood Point for repairs. Capt. Towse and Snowdon went ashore for shackles and on the way their boat capsized. Capt. Towse swallowed considerable water and Dr. Calkin had to be summoned to bring him round.

THE PROVINCIALIST is the name of a new paper published at Boston, Mass., with the object of furnishing the 100,000 natives of N. B., N. S., and P. E. I. resident in Massachusetts with a brief summary of the local news of each of the provinces, devoting special attention to personal gossip and notes. The paper is eight page, bright and newsy, and clean and neat in appearance. The first issue contains a very excellent cut of Hon. W. S. Fielding of Nova Scotia.

THE CO-OPERATIVE FARMER and Maritime Dairyman is to be issued from the office of the Sussex Record some time in September. W. W. Hubbard, secretary of the N. B. Farmers' and Dairymen's Association will be editor and R. D. Robinson of the Record publisher of the new paper which will contain pages with four twelve inch columns to a page. The names of the managers are sufficient guarantee that the paper will be a success if the farmers give it a good support. A sample edition will be got out this month.

DISTRICT MEETING.—The meeting of Sackville District N B & P E I Methodist conference began at Baie Verte Tuesday with a ministerial session in the afternoon and a public meeting in the evening. Yesterday the business meeting, composed of both ministers and laymen, took place, at which lay representatives were elected for the approaching conference and accounts of all kinds passed. The Sackville representatives are; ministers, Dr Stewart and Rev Wm Harrison; laymen, Dr Allison and John Fawcett, Esq.

BEFORE JUSTICE CAHILL.—Tuesday of this week was a busy day for Scott Act cases. There were two cases up against Napoleon LeBlanc of Cape Bald; one against Beatrice Johnson of Botsford; one against Araminta Burns wife of Henry Burns also of Botsford and one against Robt. Hutchinson of the Brunswick House, Sackville. A conviction was obtained in the case of Araminta Burns. The other cases were stood over to Tuesday next. Hutchinson claims that the case against him was prompted by malice on the part of one Alex McLeod who was fined two weeks ago for assaulting Hutchinson.

MR. ALLISON.—Prof. Lillebridge will spend the summer in Berlin, Germany.

—Fraulein Lachs will study for a time at Munich with her old teacher Hans Hasselbach and thence go on to her home at Stockholm.

—Miss Crompton goes to Medford, Mass, for the summer.

—Miss Johnson is at her home in Marysville. Miss Cook is at Wolfville, Miss Thomas in Kentville, and Miss Lathern at Halifax.

—Miss Landers was at Fredericton Normal School to examine the students in reading. Thence she went to her home in Margaretsville, N. S. where during the summer an interesting event takes place in which she will be a principal. The College authorities are sorry to lose Miss Landers from their staff, and the people of Sackville will also regret her departure but all will join the Post in wishing her great happiness in her new home. The College is in hopes of securing a Canadian lady with whom they are now in communication to take Miss Lander's place. It has been found at the Ladies College that as a general rule Canadians trained abroad give much better satisfaction than foreigners as teachers.

—Miss Shreader who has won many friends during her year at Mt. Allison and proved herself a very efficient teacher goes to her home in Syracuse, N. Y. and will not return to Sackville.

—Mrs. Archibald will remain in Sackville during the summer and will transact the business of the Ladies College during the absence of Dr. Borden.

—Mr. R. C. Archibald will continue his mathematical studies with Prof. Hunton during the summer and in the fall will enter on an advanced course in lathematics at Harvard University. Messrs Seller, Bleakney and Costin of last year's Academy staff will also enter at Harvard, the former for classics, the two last for law.

—Prof. Tweedie, who has been at Ottawa, presumably out walking with Mr. Scott of the Sun, is now at Hampton.

—Prof. Andrews will attend the School of Science at Amherst and the meeting of Christian Endeavorers in Boston. With Dr. S. P. Rose of Montreal and Anderson Rogers of Windsor, N. S. he will represent Canada at the International Citizenship meeting at Bunker Hill, August and September he will spend in Sackville.

—Drs. Allison Smith and Stewart and Prof. Hunton will remain in Sackville during a great part of the summer.

—Principal Palmer of the Academy will visit various parts of the provinces.

—There were two vacancies in the Academy staff, one in lathematics, one in English. The first will be filled by F. W. Sprague, B. A., who has taught the grammer school at Shediac the past year with great success; the second is yet to fill. Mr. Sprague will likely take the gymnasium as well.

—The Univ residence will be closed during the summer and Mrs. and Miss Mundy will stay in Halifax.

—Mr. Geo. Hatt, student, will board at the Academy during the holidays.

—Prof. Andrews is rejoicing in the fact that the new Science Hall and School of Technology is likely to become an assured reality. A further gift of $10,000 will be available for this purpose in a short time. The name of the generous donor is as yet withheld.

Local.

THE BAND will run its annual excursion to the Cape on Dominion Day. Further particulars next week.

THE WESTMORLAND Free Press made its first appearance as a Sackville paper yesterday. It is printed over Mr. Ed. Read's store at corner of Bridge and Lorne streets.

COUNTY COURT.—The appeal of Charles Ward against the conviction in the case Ogden vs Ward was dismissed with $19 costs taxed on Ward.

COMING EVENTS.—At Dorchester next Tuesday Dr. E. B. Chandler of Moncton is to be married to Miss Harriet Hope Forsyth.

—On the same day Miss Tillie Bent of Baie Verte will be married to Vincent Paton of Bridgewater, son of J B Paton of Halifax.

PORT ELGIN BAPTIST church was opened last Sunday. Dr. Steele of Amherst preached in the morning, Rev A H Lavers in the afternoon, and Rev Mr Brownell, presbyterian in the evening. The church is a neat and commodious structure and a credit to the place.

MISS ULLIE AKERSTROM and her high grade theatrical company delighted an audience in Music Hall last evening in the play "The Sultan's Daughter" and especially by Miss Akerstrom's dance La Chromotope. The company is by far the best which has visited Sackville for a long time.

OBIT.—The funeral of Mrs. Frances Botsford wife of Dr. LeBaron Botsford of Brooklyn, N. Y., took place yesterday at eleven o'clock from the English church here. Interment took place in Sackville cemetery. Mrs. Botsford died of consumption Monday at the residence of her brother Mr John S Trites of Sussex. The remains were brought by Tuesday evening's C P R and were accompanied by her husband, her brother and two sisters, Mrs W B Gerow of St John and Miss Maud Trites of Sussex. Mrs Botsford was a daughter of the John Star Trites of Moncton, and formerly of Sackville.

AN ILL-NATURED ATTACK—The sporting editor of the St John Telegraph under the heading "The kicker in Town" says: Mr George M nlakney of Sackville, the youth who made himself so obnoxious to all footballists and lovers of true sport last fall is in the city." The attack is illnatured and uncalled for. Mr Blakney was one of the representatives of Mt Allison at an investigation held at Moncton last fall by the N B Football league to determine whether certain St John players in a St John Mt Allison match held previously wore spikes in their shoes. The judges decided that the St John men were not guilty but they likewise said that the evidence justified Mt allison in demanding the investigation. Mr blakney forced on the investigation with spirit but all his actions in the matter were approved and indorsed by Mt allison a n and it is the association and not Mr Blakney which the Telegraph attacks. The Telegraph's paragraph will convince the sporting public of New Brunswick that, while St John sportsmen as a rule are as big-hearted and high spirited and manly as any in the province, there is at least one whose mean little soul is so small and dry that if shaken about inside a hollow stem it would rattle.

JUNE WEDDINGS.

HEWSON OUTHOUSE

Another wedding took place at Sackville last evening at five o'clock when Miss Alice M Outhouse was united in marriage to Mr Chandler Howson of Amherst. Ceremony was performed by Rev Fred Harrison. The bride wore a travelling suit of grey trimmed with brown and was unattended. About twenty-five friends of the bride and groom were present. After the wedding supper the happy couple left on the evening C P R for Truro. The wedding trip will include various points in Nova Scotia and Prince Edward Island. The presents were numerous and handsome.

MOORE-TAIT.

Dorchester N B June 12. Hillside Cottage was the scene of a very happy event this afternoon when Miss Mabel Tait formerly of Dorchester was united in marriage to Mr H C Moore one of North Sidney's most popular merchants. The bride looked charming in a handsome travelling suit of grey material and was attended by her sister Miss Ella Tait of St John dressed in a heliotrope gown. The groom was supported by Mr S Robinson of the Bank of N S at Sidney. The presents were numerous and costly. After partaking of a sumptuous repast the happy couple left on the east bound train for Halifax and then to their future home at North Sidney. The ceremony was performed by the rector of the parish Rev J R Campbell. Only immediate friends were present.

Copp's Factory.

The wood-working factory of Messrs H. & H. Copp which has been running something over four weeks presents a busy appearance. The firm employs nine men all told and from the start has been rushed to fill orders. In addition to the engine and boiler, about 25 hp., and a planer, bought with the building Messrs Copp have put in a number of fine new machines bought of Cowan & Co., Galt, Ont., including band saw, buzz plane, 4 sided moulder weighing 3600 lbs, morticing machine, tenet machine, saw table, turning lathe, circular saw table, emery wheels, etc. Additional machinery will be added from time to time as the work expands.

The building itself is being made over to some extent. A two story extension is being built at the rear, 36x36 feet, which will be used as engine room and drying room. The front part of the building is to be made into offices or shops, two of which will be rented. Messrs Copp have a considerable quantity of lumber in their yard and more coming down from time to time. Among the prepared lumbers are the beams, boards, windows etc. for the new Sackville rink which will extend from fence to fence across the rear end of the lot. Although Messrs Copp have been working so short a time they have had orders from Dorchester Cape to Midgic and Rockport and the country between. Mr George M. Black an experienced workman is foreman of the factory.

Cumberland News.

Officer Soy of Amherst, received information that a man named Dominic Goutche had a boy who is much deformed and a deaf mute, confined in a room in the house. The officer decided to investigate and in company with Constable Brenton visited the house. Soy went up stairs and in a room a terrible spectacle met his gaze. Lying on a pile of straw in the centre of the room was the boy, with no other covering except an old coat. The boy had the appearance of not being washed over for some time, and the stench of the room was something terrible, so bad that officer Soy was sickened. The Sentinel says the father of the boy claims that it is impossible to do anything with the boy, as he is not in his right mind.

I Want To Make MY FIRST MIDWINTER SALE A SUCCESS.

Some things will be sold at about HALF PRICE. Others at BIG DISCOUNTS. Others for BARE COST. Everything at REDUCED PRICES. My reasons are:

1 To clear up my stock and get ready for new goods.
2 To keep the pot boiling these dull winter days.
