STILL SPECULATING ON WIND

Seven Flukes and Shamrock and Columbia Still in the Doldrums.

SUPPOSED TO SAIL AGAIN TO-DAY

Clear Weather on Saturday, But Not a Breath of Air—The Sunday Rest.

New York, Oct. 15.—The story of yesterday's yacht race may be told in few words—there wasn't any.

For the seventh time the elements stood in the way of a contest between the Columbia and the Shamrock for the America's Cup. The air was clear enough for a race, but it wouldn't move. There was a dead calm. The yachts lay on the water off Sandy Hook lightship like painted boats in a seascape, the breeze only slightly ruffling their canvas now and then.

Although there was fog in town and few sea goers looked for any wind, there was a comparatively large fleet at the starting point. The patrol ships and the newspaper boats make a good squadron, and there were the tugs of the New York Yacht Club, the cable ship and sundry others there on duty.

The Shamrock and the Columbia, with their mainsails and topsails wobbling, were towed to the lightship at the usual hour. Capt. Hank Haff, the most famous yacht expert in the country, who was on The Journal's steam yacht Buccaneer, said early in the day there would be a racing breeze by 1 p.m., but he doubted if it would arrive in time to permit of a start. Soon after noon the race was declared off for the day. It was postponed until 11 o'clock to-morrow morning, when the eighth attempt will be made.

When the Shamrock reached her home an attempt was made to clean part of her hull, on which some sea vegetables have struck root since she left the dry-dock, and which, of course, impede her a little. The boom was swung over at right angles with the hull, and a dozen of the crew piled out upon the end of it, while their comrades stood along the rail. The leverage of the boom tilted the green yacht and exposed a part of her hull. A launch with mariners and implements passed along the side and mowed off a lot of the green sea growth. There was some talk of rushing the Shamrock to the city and cleaning her in dry-dock—the last chance for doing so before next Sunday, as the race is to be sailed every day of the week—but this was not done.

After cleaning as much as they could of the starboard side, the Shamrock's crew turned the boom over to port and repeated the performance.

Less than an hour after the race was postponed a good breeze was blowing, such a breeze as would have enabled the yachts to finish had it lasted. But it didn't last.

The New York Yacht Club announces that its chartered steamer Republic will run to the races every day, as usual, until they are finished. The Seawanhaka-Corinthian Yacht Club announces that it will not send its steamer City of Lowell to re-sailed races. Most of the excursion boats are taking their passengers out again and again free of charge.

Granites 13, Hamilton 0.

Hamilton, Oct. 14.—(Special.)—Fighting and good kicking and catching on the part of the Granites of Kingston, and ragged, loose playing on the part of the Tigers, Hamilton, were the features of the championship Rugby football match here today. The visitors made rings around the home team in the first half, scoring 12 points, while the local fifteen were shut out. In the second half the game was more even, but it lacked good play, the visitors scoring but one point and the Tigers getting naught again. The game was started fifteen minutes before the advertised time, and the place of DuMoulin, who was late in arriving, was filled for fifteen minutes by Quinn. In the first few minutes McConville forced Jeffs to rouge, and Dawson compelled the same man to repeat the performance after a free kick for Kingston. About 15 minutes' open play followed, after which McRae made a brilliant run across up the field, advancing the ball 25 yards, and Kingston got a try, which was not converted. Kingston got a free kick, on which Jeffs again rouged. Dalton kicked the oval over the line for a try. A rouge by Jeffs completed the scoring in the first half. Score, 12 to 0.

There was a heavy downfall of rain in the second half, which made good plays difficult. Fighting took place and there was a bad mix-up, DuMoulin being attacked by two Granites. In an instant hundreds of spectators rushed on the field, and a free fight ensued. Umbrellas were used freely, and the police took a hand in the game. It was some time before play was resumed. Jeffs was forced to rouge once, and this was all the scoring that was done, although the Tigers had several good chances. Score, 13 to 0.

The teams and officials were:

Hamilton: Back, Jeffs; half-backs, DuMoulin, Wylie, Kerr; quarter, White; scrimmage, Cook, McCarthy, Hawkins; wings, Parry, Dewar, Martin, Ryckman, McDonald, Tracey, Quinn.

Granites: Back, Reyner; half-backs, McRae, Hamilton, McConville; quarter, Dalton; scrimmage, Milo, Freborn, Hazlett; wings, Ross, Rankin, Metcalfe, Assestine, Palmer, Britton, Young.

J. D. McMurrich, Toronto, referee; Margret Jollett, Toronto, umpire; Lou Cameron, timekeeper; D'Arcy Martin and J. Richards, touchline judges.

Varsity II. Defeats Trinity.

Varsity II. met and defeated the seniors of Trinity University in a Rugby match, Saturday afternoon, on the Varsity Athletic field, Bloor-street. The score was 28 to 11. At half time Trinity was ahead, 11 to 4, but Varsity pulled together in the second half, and scored 24 points. The score was one-sided, but the play was by no means so. The game was a pretty one to watch, and was as fast as the Varsity-McGill match.

The teams were: Varsity (22): Back, McDonald; half-backs, Wallace, Aylesworth (capt.), Gibson; quarter, Fleck; forwards, Isbister, Douglas and Rutter; wings, Max Telford, Hoyles, Gander, McLennan, Ingram, Harrison, Paterson.

Trinity (11): Back, Lucas; half-backs, Strathy, Parmenter, King; quarter, Griffith; forwards, Baldwin, McDonald, Warren; wings, Code, Richards, Whittaker, Burbidge, White, Hewetson, Walker.

McDonald played well for Varsity. Aylesworth kicked and caught in senior style, and succeeded in getting three tries. Flack played the star game of the day for Varsity. He bucked the line repeatedly, and made gain after gain. He secured a try. "Ernie" Paterson put up a remarkable game for a junior. He followed up fast, and scored a try. O. K. Gibson caught well, but did not kick as often as he should have done. Both scrimmages worked fine. McDonald, centre scrimmager for Trinity, was injured badly. Dr. Gordon attended to him. For Trinity, Parmenter played a wonderful game. He caught, kicked and ran in fine style, and Varsity wings were unable to stop him. Griffith played well for Trinity.

The game was remarkable for the large number of penalty kicks. It was a rough game, and six men were laid out. No one was ruled off for scrapping.

The officials of the day were "Pud" Wilson, referee; "Com" McArthur, referee.

The attendance was not large, as the weather was disagreeable.

Torontos Beat Argos II.

Two O.R.F.A. matches were played at Rosedale on Saturday afternoon by the Torontos, the senior team playing Argonaut II., and their junior team the Hamilton juniors. Both matches were won handily by the home teams, the senior game by 5 to 1 and the second by 12 to 5. In both places the victories were well deserved, as the home teams clearly outplayed their opponents, but only the senior team go into the second round, as in the junior match the Tigers came down here with a lead of 15 points from last week's game, and the score on Saturday was not great enough to overcome it.

The first game was over an hour late in starting, as the Argonauts failed to put in an appearance at the scheduled time and kept the Torontos waiting. At a little after that the play was started with Toronto kicking against the wind. Argonauts took the kick and the play was rushed to their end, with Torontos trying hard to score and the Oarsmen playing a good defence game. This lasted but a short time and then Toronto began to get the better of it. After keeping the ball in the Oarsmen's quarters for about five minutes Allan punted over the line for the first point, a touch-in-goal. Then followed a try, one of the players getting the pigskin near the half line after the kick off and making a clean run, getting across for a try, which Taylor failed to convert. This was all the scoring done in the first half.

In the second half the Torontos again had the better of the play, but were not able to get across, while from a series of free kicks the Oarsmen gradually worked the ball down and scored a rouge, making the totals 5 to 1. This finished the scoring for the match, and Toronto go into the second round with a majority of 5 points.

Toronto (5): Back, McVitty; halves, Farmer, Gray, Taylor; quarter, Allen; scrimmage, Brown, Stormont, Adams; wings, Adams, Campbell, McGregor, Lillie, Morrison, Wenburn.

Argonauts (1): Back, Pentland; halves, Francis, Sweatman, Ardagh; quarter, Ansley; scrimmage, Kingsford, McDougall, Blair; wings, Caldecott, Fisher, Bunting, Denison, Allcott, Ridout, Drury.

Referee, Henderson; umpire, McCallum; touch judges, Flaws, Meek; timer, Morrison.

Junior Tigers Beaten.

The second game was a much more interesting and a better match to watch, as the youngsters put up a fast game, their tackling, and kicking being good. The Torontos started in this game with a big handicap, and won the match by superior play and a good majority. As they were so late in starting, only twenty-minute halves were played.

The Tigers alone scored in the first half, they getting a try, four points. On changing ends the Torontos made small meat of them, and scored 14 points to their 1, leaving the aggregate points on both games Hamilton 21 and Toronto 15, Hamilton getting the round by 6 points.

The teams:

Toronto (14): Back, Joyce; halves, Tandy, Constantinides, Fraser; quarter, Miley; scrimmage, Love, Sparling, Perram; wings, Hicks, Harmer, Mannison, Haigh, Roger, Murray.

Hamilton (5): Back, McLaren; halves, Clark, Moore, Rankin; quarter, Smye; scrimmage, Watson, Armstrong, Burkholder; wings, Sealy, Awrey, Binney, Green, W. Green, Coombs, Murphy.

Referee, J. McCallum. Umpire, Henderson. Touchline Judges, Mullen, Flaws. Timer, W. J. Morrison.

McGill 7, Queen's 4.

Montreal, Oct. 14.—(Special.)—The match here to-day on McGill University grounds between Queen's College, Kingston, and the McGill team was productive of a most genuine surprise. It had been confidently expected that the Kingston team would run through the local team with the greatest ease. As a matter of fact, however, the game ended up by the McGill boys was a bigger nut than the visitors could crack. The local scrimmage was infinitely superior, their wings were stronger and the back division quite as good as Queen's, and, to cap all, their timely kicking was concerned, superior.

During the first half play was pretty even, what little advantage there was being in McGill's favor, and play being for the most part in Queen's territory. No points were scored in this half.

McGill forced matters in the second half and succeeded in making Queen's rouge after a pretty play. Queen's picked up, after this, and after their captain, Elliott, who was playing a uniformly good game had recovered from the effects of a savage tackle, they forced the play into McGill ground, and after a heart-breaking struggle got the ball over for a try, which was not converted. About 15 minutes were left to play, and McGill made every effort to score. Their task seemed hopeless until just within 3 minutes of time, when, after some hard kicking and rushes by the back division and hard following up, a try was scored and converted. This ended the scoring, the game resulting in 7 to 4 in favor of McGill. Queen's had very hard luck and got the short end of the decision on more than one occasion.

The play, on the whole, was of a scraggy nature, rough at times, and wholly below senior league form.

Queen's (4): McDonald, back; Walkem, Elliott, Weatherhead, halves; McDowall, quarter; Young, McDonell, Bransombe, Kingston, Hetherington, Davitt, Ferguson, wings; Grant, Young, McLennan, scrimmage.

McGill (7): Glassco, back; Mitchell, McDougall, Savage, halves; Young, quarter; Duffy, Fraser, Wilson, Shillington, Russell, King, Beck, wings; Hampton, O'Brien, McKay, scrimmage.

Referee, Mr. Rankin of Montreal Britannias.

The Game at Kingston.

Kingston, Ont., Oct. 14.—The R.M.C. junior team defaulted to Limestone, and the latter win the round. Last Saturday the score stood 4 to 4.

Queen's II. and R.M.C. I. played their first match in the intercollegiate series, and the score resulted 18 to 0 in favor of R.M.C. It was a game of scrapping all through. Neither team did any fine work. The Cadets' combination play and a better scrimmage won the game. The first half stood 14 to 0. Queen's team was weak on account of several of the intermediate players having to go up against McGill, five of Queen's first team not having returned to college.

The return game between the Kingston Nationals and Gananoque at the K.A.A.A. grounds this afternoon resulted in a big defeat for the Easterners by 25 to 0. In the first half the Nationals only scored 2 points on a goal from a penalty kick. At the end of the first half McCarthy, Gananoque's quarter, was injured, and had to be carried off the field. In the second half the ball was entirely in Gananoque's territory, and the Nationals made five touches and a rouge. Only one touch was converted. The Nationals win the round by 27 points.

Ottawa College Lost.

Montreal, Oct. 15.—Ottawa College was defeated by Montreal on Saturday afternoon by 15 points to 3 in the football series. The day was not an ideal one. The heat was unusual for this season of the year, and a strong, but shifting and uncertain wind blew alternately down and across the field. Ottawa won the toss, and, of course, took advantage of the wind.

Ottawa College (3): Back, Copping; half-backs, E Murphy, McGucken, C McGee; quarter, MacGuire; scrimmage, Clancy, Cox, P Murphy; wings, McCready, Prudhomme, McKeown, Fahey, J McGee, Smith, Nagle.

Montreal (15): Back, Woodhouse; half-backs, Suckling, Henderson, Dobonin; quarter, Jack; scrimmage, Bond, Savage, Vipond; wings, Murphy (Massey), Fortesque, Barkley, Ogilvie, Lewis, Williams, Dr. Irvine.

C. Drinkwater, referee.

ASSOCIATION FOOTBALL.

St. Mary's and Parkdale Draw and the Kensingtons Beat Gore Vale by 3 to 1.

In the Toronto League at Old U.C.C. grounds on Saturday St. Mary's and Parkdale played a drawn of two goals each, and the Kensingtons beat Gorevale by 3 goals to 1. The southeast corner of the ground was under water in the first game, but dried up later. The Gorevales were without some of their best men, while the Kensingtons were strengthened by Sanderson, Vick, Brown and Small of the Riversides. This was a splendid game, and keenly contested throughout. Gorevales and Kensingtons now tie for leading place in the league.

Association Football.

In the Junior City League the Excelsiors of East Toronto Village drew with the Crawfords at two goals each. The Willows defeated All Saints' by 1 to 0. No. XI. had a bye.

In the Boys' Brigade Senior Series, No. 11 Company defeated No. 8 by 3 goals to 0. The latter talked of protesting because No. 11 played one or two of their men who, though in the company, play in the Junior City League.

In the Junior Series, C.B.B. St. Matthew's went up to St. Stephen's, but having arrived late, the former claimed the game by default, although over two hours of daylight were left to play.

LAST BASEBALL OF THE YEAR

Final Games in National League Played on Saturday and Sunday.

WASHINGTON ENDS WITH A WIN.

Brooklyn Took a Double-Header From Baltimore, One by Default After a Row.

At Brooklyn—The season ended here in a row. In the second innings of the first game Saturday, Sheckard assaulted Umpire Hunt for calling him out on a steal and then refused to retire from the game when ordered to do so. Hunt appealed to Capt. Smith and Manager McGraw without effect. He then appealed to Hanlon, who occupied the peculiar position of president of the Baltimore club and manager of the Brooklyns. Hanlon told him that he would support the umpire in any action he might take, whereupon the game was declared forfeited to Brooklyn. The score at that time was 1 to 0 in Baltimore's favor. A game postponed from Baltimore was then played to appease the crowd. Brooklyn won by batting Howell in timely fashion. The Baltimores tried to delay the game by throwing the ball all over the lot in the fourth innings, but were foiled. The Brooklyns won the series by 8 to 6, thereby taking every league series. Score:

		R.	H.	E.
Brooklyn	3 2 0 3 x—	8	10	2
Baltimore	2 0 0 1 0—	3	5	4

Batteries—Howell and Smith; Kennedy and McGuire.

At Cincinnati—The Cincinnatis hit Hughey at will to-day and won a very uninteresting game. Score:

		R.	H.	E.
Cincinnati	4 4 0 2 0 0 2 0 x—	12	17	1
Cleveland	2 0 0 3 1 0 0 0—	4	9	6

Batteries—Hawley, Kahoe and Wood; Hughey and Sugden.

At Washington—Washington closed the season to-day by winning with a garrison finish. New York secured a big lead early in the game, but Gettig went to pieces in the seventh and errors assisted the Washingtons in winning out. The game was called at the end of the eighth innings on account of darkness. Score:

		R.	H.	E.
Washington	0 0 0 0 0 3 6 3—	12	10	5
New York	0 6 2 1 0 0 0 0—	9	12	2

Batteries—McFarlan and Powers; Gettig and Wilson.

At Boston—Philadelphia wound up the season to-day by defeating Boston easily. Meekin's pitching was much better than the score indicates, many hits only being safe up by the McGill boys was a bigger nut than the visitors could crack. The local scrimmage was infinitely superior, their wings were stronger and the back division quite as good as Queen's, and, to cap all, their timely kicking was concerned, superior.

During the first half play was pretty even, what little advantage there was being in McGill's favor, and play being for the most part in Queen's territory. No points were scored in this half.

WIND UP AT WINDSOR.

Syndicate Stood Pat on Springwells, But Speedy Sister Alice Came Along and Won.

Windsor, Oct. 14.—There was only one race on the program to-day that was run in any sort of respectable time and that was the fourth event. It was a 6-furlong race and Sister Alice did the distance in 1.15. Of late races at this distance have been won in 16½ and 17, so poor have been the class of horses entered. To-day Springwells, the syndicate entry, was out for the money, but she had to take second place to Sister Alice. Quaver ran a good race, but was third. It was a split between favorites and second choices and the books broke ahead on closing day.

First race, 7½ furlongs—Sir Blaze, 110 (A Weber), 2 to 1, 1; Chorus Boy, 96 (J Thompson), 20 to 1, 2; Red Snapper, 107 (Irvine), 8 to 5, 3. Time 1.36. Iris, Col. Cluke, Bannie, Juanetta, Yo Yo Se, Ocle Brooks, The Grinder, Dehlyen also ran.

Second race, 5½ furlongs—Pharoah, 107 (Forehand), 5 to 2, 1; Fulminator, 111 (Harshberger), 7 to 1, 2; Lizzie McCarthy, 95 (A Weber), 6 to 1, 3. Time 1.08¾. Hendricks, Sinnemahone, Two Annies, Vohicer also ran.

Third race 7 furlongs—Little Reggie, 100 (Valentine), 2 to 1, 1; Triune, 97 (Alexander), 5 to 1, 2; Applejack, 106 (Cunningham), 3 to 1, 3. Time 1.29¼. Joe McFarland, King Morgan, Manzanita, J. Lucille, Lord Farondole, Ninety Cents also ran.

Fourth race, 6 furlongs—Sister Alice, 109 (Cunningham), 8 to 5, 1; Springwells, 104 (Mason), 7 to 2, 2; Quaver, 109 (Castro), 4 to 1, 3. Time 1.15. Ode, Brulare, Fessie F., Viola K. also ran.

Fifth race, 1⅛ miles—Faunette, 98 (Irvine), 4 to 1, 1; Arquebus, 112 (Castro), 6 to 5, 2; Pete Kitchen, 98 (Henson), 7 to 1, 3. Time 1.56¼. Kathie May, Windward, Hungry Hill, Traveler, Buckner, Prince Zeno, Sallie Lamar also ran.

Sixth race, 7 furlongs—Lady of the West, 103 (A Weber), 5 to 1, 1; Compensation, 107 (Patton), 5 to 2, 2; Corlalis, 110 (Forehand), even, 3. Time 1.28. Ennomia, John Halsey, Rosy Morn also ran.

Laverock Second to Holliday.

New York, Oct. 14.—The largest crowd of the meeting was at Morris Park to-day. The track was fast and the racing furnished excellent sport.

The October Steeplechase, the Champagne Stakes, and the Municipal Handicap were the features. In the first Tantris, the favorite, fell at the last jump when in the lead, and Cock Robin, the second choice, came on and won easily from Gov. Budd. At Harlem on Monday.

Harlem Race Track, Oct. 14.—Following are entries for Monday's racing:

First race, 13-16 mile, selling—Czarovitz, J.H.C., The Plutocrat, Fred C. Clattick of Ottawa was referee, and gave both teams a good deal of liberty. The field was very wet, so that at times what seemed to be rough play was only the result of slipping. Hess, the Cornwall goal-tender, did a high class of work; his stops were little short of marvellous. Stinson of the Shamrocks' flags is a fast man behind the goal, and shows a good head in handling the ball. His play saved the Shamrock team time and again. The Cornwall team are all good stick-handlers, but are not so fast as the Shamrocks. Only two men were ruled off during the game, although there were several delays on account of the players getting hurt. The play was not dirty. Cameron of the Cornwalls was ruled off for holding a man with his stick, while Finlayson of the Shamrocks was sent-in for fence for cross-checking. There were large crowds from both Montreal and Cornwall to see the game.

Close at Lexington.

Lexington, Oct. 14.—The talent signalized the closing day of the Lexington fall meeting by putting favorites in all three races. The first favorite to land the money was Miss Edith in the 2.20 pace. The mare sold at $15, the field $25. She won the first two heats handily and lost the third by a bad break at the half. She landed the fourth heat and the race with little difficulty.

Axmere, even money favorite for the Blue Grass Stake lost the first heat by a break on the back stretch. He won the second and third handily. The fourth heat was a nose-to-nose finish with Royal Baron, but Phelps got his horse home first.

In the Lexington Stake for 2-year-olds, Endowa scored a hollow victory. In the second heat Marvin drove the gelding a mile in 2.14¾, the fastest mile by a 2-year-old this year, and a new world's record for a 2-year-old gelding. Summary:
