AN OPPORTUNITY

Is afforded you without any additional expense when visiting the Exhibition to avail yourself of the privilege of inspecting the grand strength-giving appliance,

DR. McLAUGHLIN'S ELECTRIC BELT

and consulting him free of charge about your case. Read the great volume of evidence from those who have worn this belt, of which my files are full. Come and tell me your trouble and I will tell you honestly whether I can cure you or not.

If I can't cure you I don't want your money. I have been in this business 22 years, and am the biggest man in it today by long odds, and I am growing yet, because I give every man all he pays for.

No man should be weak, no man should suffer the loss of that vitality which renders life worth living. No man should allow himself to become less a man than nature intended him, no man should suffer when there is at hand a certain cure for his weakness.

Most of the pains, most of the weakness of the stomach, heart, brain and nerves from which men suffer are due to the early loss of nature's reserve power. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may as well be as happy as any man that lives.

My Electric Belt, with special Electric Treatment (free), will restore your health. It will check all losses and affects every organ of the body. Most ailments from which you suffer can be traced to it.

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use. Put it on when you go to bed; you feel the glowing heat from it (no sting or burn as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

An old man of 70 says he feels as strong and young as he did at 35. That shows it renews the vigor of youth. It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble. Banishes pain in a night, never to return.

Your Belt cured me of constipation and kidney trouble after taking drugs for years without benefit.—Isaac H. Allen, Rainham Centre, Ont.

I could cite thousands of similar cases. My office contains thousands of letters from just such cases.

My treatment is a success in any case where strength is lacking, whether in the nerves, stomach, heart, kidneys, liver or any other part. My appliance gives a soothing, constant electric glow, which is taken by the body just as a sponge takes up water. It cures weakness in any guise, as well as any other form of pain. My cures prove the truth of my arguments.

FREE BOOK—If you can't call, write for my beautiful descriptive book showing how my Belt is used. It explains how my Belt cures weakness in men and women, and gives prices. Send for it TO-DAY. Address,

THE STREET COVERT.

Fashion is fickle.

For some time the street Covert has not been popular. Too many had been "manufactured" by the ready mades. Well dressed men looked for some other light weight coat than the ordinary shapeless monstrosities that were everywhere in evidence.

They dropped out for a while, and now fashion dictates the street Covert.

The Semi-ready Street Covert is thoroughly well hand-tailored on a shape-retaining base. Tried on at the basting stage—all the seams left with outlets and the inner parts basted only.

Price $15, $18, $20.

West End Harriers.

The West End Harriers will formally open the fall season of this sport on Wednesday night at 8 o'clock, when they will take their first club run from the Y. M. C. A. building. Some of the men have been doing individual stunts throuut the summer at various intervals, and some with much success. Most notable in these was, in the one-mile at the Scottish games, when Hughes and Reilly finished second and third respectively. There are greater prospects this year than ever before, and with good luck and faithful training, things will be doing for long distance runners this fall. The club will hold its first banquet of the season on Saturday night of this week in the newly arranged dining-room on the fourth floor.

The men are requested to hand their names in early for this occasion, as the number will be limited, and first come will be the lucky ones. Apply at the office.

Let every fellow be on hand Wednesday night for the run.

Lucan Irish Nine Won.

Lucan, Sept. 6.—The Lucan Irish nine put in a good day's work here to-day, defeating St. Thomas in two games of baseball. Angus George, the Indian pitcher, made his first appearance on the local diamond this season, winning the morning game by 3 to 1. The afternoon game was featured by heavy batting on both sides, Lucan getting the big end of it, and finishing with a score of 12 to 4.

The hounds will meet at the kennels Thursday morning at 6.30.

Drink and Tobacco Habits.

Were a remedy known that would cure the craving for liquor or tobacco without the knowledge or co-operation of the patient it would be the greatest discovery of the age, since not a drunkard or a tobacco user, in a very short time, would be found in the land.

A little reflection on the part of anyone contemplating curing a friend of either habit in this manner will reveal the absurdity of it.

Frankness with the person to be benefited should be practised, for with his assistance he can be cured of either habit, while without his consent the effort would end in failure.

Dr. McTaggart, of 75 Yonge-street, Toronto, Canada, guarantees a cure of the appetite for stimulants in from three to five days when the patient follows his directions faithfully.

His tobacco remedy is specially prepared for the purpose—the cost being only $2.00—and the course lasts about two weeks.

Both remedies are excellent tonics, hence leave no bad after-effects.

Abundance of testimonies, by permission, will be furnished to any interested person.

Montreal 6, Toronto 4.

The Montreal team won the third game of the series with Toronto at Diamond Park yesterday afternoon by the score of 6 to 4. The home team could do nothing with Le Roy until the sixth innings, when Clancy's error and singles by Parker and Raub brought in the first tally. Again in the seventh with two men out Jack White made a nice two-bagger. Harley, Parker and Murray followed with clean singles, securing two more runs. Raub went out throwing to Clancy, and retired the side. In the eighth Fuller led off with a single, Francis followed with one to centre, which Kelly fumbled and then threw badly to catch Fuller at third, which allowed the catcher to score and placed Francis on the third bag. Applegate flew out to Walters and Carr followed with one to Kelly, on which Francis tried to score, but a perfect throw to the plate stopped him and closed the innings and scoring. In the meantime Barrow's men had been hitting a little and assisted a lot on errors by Francis, Fuller, Applegate and Raub, and also some rather bad ball playing, had four runs to their credit at the end of the sixth. In the seventh Thoney singled, was advanced to second on Walters' charity and reached third on a passed ball. Clancy fanned and Thoney scored on Yeager's out to Jack White.

With two gone Kelly hit to Applegate, who threw badly to first, and Walters scored. Kelly was caught trying to steal second, which ended Montreal's scoring for the day.

Th game was anything but a good contest, but such as it was Montreal had the best of it and deserved a win. The score:
