Hamilton, March 8.—Outplaying the Hamiltons from the goal out the Boston Bruins furnished the unexpected here Saturday, defeating the league leaders 2 to 0. The Bruins played like champions, and were entitled to a large margin, but bad shooting by Shay, and smart net-tending by Forbes held them to two counters. Every member of the Bruin team turned in a smart performance. Stewart's work in goal for Boston was sensational and the best witnessed around this neck of the woods in many a moon.

Hamilton underestimated the Bruins. They went about their work in a careless manner to start, and it was not until late in the fracas that they hit their regular stride. Then they realized they had Stewart to deal with, and his work proved too big a handicap for them to overcome. The Bruins' front line, composed of Shay, Jackson and Herberts, never looked better on Hamilton ice. They showed an attack that compared favorably with any seen here this season, and they checked back well enough to break up Hamilton plays before they got properly under way. The defence offered by the Bruins was another surprise. Mitchell and Hitchman resembled the proverbial stone wall and turned back many a Tiger attack. Both men made good use of their bodies and by constantly stepping in, took much speed out of the local front line.

Billy Burch, voted the most valuable player in the league, was Hamilton's best. His checking was a feature and only smart work by Stewart held him scoreless.

There was no scoring in the opening session, but both net tenders were called upon to show plenty of class in keeping the snipers out.

The second period was only a minute old when Shay was chased for bumping "Shorty" Green, but while playing a man short Stan Jackson tallied the Bruins' first counter, and before Shay returned Herbie Mitchell gave the Bruins their second, a long shot from the boards.

The line-up:

Hamilton—Goal, Forbes; defence, Langlois and Randall; center, Burch; right wing, W. Green; left wing, R. Green; subs, Roach, MacKinnon, Bouchard and Spring.

Boston—Goal, Stewart; defence, Hitchman and Mitchell; center, Jackson; right wing, Herbert; left wing, Shay; subs, Cooper, Stuart, Schnarr and Redding.

The summary:

First period—No score.

Second period—1, Jackson, Boston, 2:02; 2, Mitchell, Boston, 1:05.

Third period—No score.

Penalties—Shay 3, Jackson 2, Randall 2, W. Green.

Referee—O'Leary, Ottawa.

SENATORS 3, ST. PATS 0.

Canadian Press Despatch.

Ottawa, March 8.—Ottawa Senators concluded the home section of their N. H. L. schedule here last night and celebrated the event by defeating St. Patricks 3 to 0. Incidentally the red, white and black clad puck-chasers hung to their slender hope of figuring in the play-off series by keeping in close pursuit of Canadiens. The home team played good enough hockey to deserve their win, but St. Patricks did not turn in the dashing game that has featured previous appearances. Possibly it was the absence of Babe Dye from right wing; it might have been the indisposition of Corbeau, or again, it may have been the rearrangement of the forward line that threw the Harps out of tune. But whatever it was the locals held a decided edge throughout, and only splendid work by John Ross Roach kept the score down as low as it was.

There were times when Ottawas cut loose a whirlwind attack that literally left the Irish breathless. Once for a five-minute stretch in the second period following Boucher's opening goal, they hemmed the green shirts in their own end, and Roach handled at least eight shots without a return on the opposition cage.

The line-ups:

St. Patricks—Goal, Roach; defence, McCaffery and Holway; center, Neville; right wing, Adams; left wing, Day; subs, Reid, Corbeau and Smyllie.

Ottawa—Goal, Connell; defence, Boucher and Clancy; center, Nighbor; right wing, R. Smith; left wing, Gorman; subs, Dennenay, Finnegan, Campbell and A. Smith.

Referee—Cooper Smeaton, Montreal.

Summary:

First period—No score.

Second period—1, Ottawa, Boucher, 5:35; 2, Ottawa, Boucher, 4:15.

Third period—3, Ottawa, Dennenay, 8:25.

Penalties:

First period—Clancy, Adams and Holway, minors.

Second period—Corbeau, Boucher (2), Gorman, minors.

Third period—Clancy, Adams (2), Holway, minors.

CANADIENS WIN 3-1.

Canadian Press Despatch.

Montreal, March 8.—Canadiens and Montreal staged their final interborough clash of the N. H. L. season here Saturday, Canadiens winning 3 to 1, and thus holding their narrow one-point margin over the strong-finishing Ottawa club for third place and the right to enter the league eliminations. The result leaves the outcome up to Monday's final league battles with Canadiens receiving Hamilton Tigers here and Ottawa playing at Boston.

Any doubts as to the fight that the Montreal team would put up against the local rivals in the important tussle Saturday were settled early in the game when it was made apparent that the Maroon-clad players were going to battle every inch of the way in an effort to score at least one victory this season on Canadien ice.

But while the team worked willingly the entire route they were not up to their task. Canadiens held a margin of play in all three periods, Canadiens showed some flashes of their championship form and at other times played loosely, passing being weak and shots on goal wide.

The line-up:

Montreal—Goal, Benedict; defence, D. Munro and G. Munro; center, Noble; wings, Broadbent and Dinsmore; subs, Berlinquette, Cain, Lowrey, Rothschild, Skinner, Parkes and Scott.

Canadiens—Goal, Vezina; defence, S. Cleghorn and Coutu; center, Morenz; wings, Boucher and Headley; subs, O. Cleghorn, Matz, Mantha and Ritchie.

Referees—Billy Bell, Montreal; Dr. Laflamme, Toronto.

Summary:

First period—No score.

Second period—1, Canadiens, S. Cleghorn, 15:00.

Third period—2, Canadiens, Morenz, 2:25; 3, Montreal, Noble, 2:40; 4, Canadiens, Morenz, 13:25.

Penalties:

Boucher (3), Coutu (2), Headley, Dinsmore (2), G. Munro (2), D. Munro and Cain, all minors.

MOORE DEFENDS INDOOR CROWN AT PITTSBURG

Leila Brooks of Toronto Is New Women's Indoor Skating Champion.

Associated Press Despatch.

Pittsburg, March 8. — Joe Moore of New York successfully defended the international indoor speed skating title last night by scoring a total of 150 points in the two-night international indoor ice skating meet at Duquesne Gardens.

Charles Gorman, St. John, N.B., and Leslie Boyd of New York had 75 points each when the meet was over.

Miss Leila Brooks of Toronto was crowned the new women's indoor speed skating champion by her score of 30 points, which she gained in 880-yard dash. Miss Brooks had a total of 80 points in the two nights' meet.

Three world records were shattered last night. The two-mile record for men was broken by Joe Moore when he sped over the ice for that distance in 5:58 2-5. The former record was held by Charles Fisher, who made the distance in 6:17 on the same rink on Feb. 29, 1916.

The two other records were broken by women. Miss Leila Brooks, the new champion, broke the 880-yard indoor record with her time of 1:27. The record formerly was held by Miss Gladys Robinson, whose time was 1:48 3-5. Miss Virginia Young of Pittsburg broke the 440-yard record by crossing the line in 45 4-5. The former record was held by Miss Robinson, who made the distance in :47 4-5.

THIRD COMMUNIST DIES IN REPRISAL CONFLICT

Macedonian Student Kills Deputy in Streets of Sofia.

Associated Press Despatch.

Sofia, Bulgaria, March 7. — The Communist deputy, Haralamy Stoyanoff, was assassinated yesterday afternoon by a young Macedonian in one of Sofia's most congested streets. The assassin fled, but was pursued by policemen and a crowd of citizens and captured after a short chase.

Stoyanoff is the third deputy who has been murdered within a month. The assassination yesterday is believed to have been in revenge for the killing recently of M. The belief prevails that the Macedonians are determined to show the Communists that for every outrage they commit, ample reprisals will be taken.

SIXTY THOUSAND SEE ROVERS WIN

Southampton, Sheffield United and Cardiff City Also Reach Semi-Finals.

Associated Press Despatch.

London, March 8.—Southampton of the second division, Cardiff City, Sheffield United and Blackburn Rovers of the first, will enter the semi-finals of the English cup competition. The fourth round of the tournament played Saturday saw these teams at home, and in every case the home team won. Only seven goals were scored in the four games played and with the exception of Sheffield, who defeated West Bromwich Albion by a couple of counters, the others won by the narrowest possible margin. The battle for the semi-finals sees one Lancashire, one Yorkshire, one Welsh and one South of England team engaged, and the draw will be awaited with keen interest.

The largest attendance at the cup ties Saturday was that which graced the combat between Blackburn Rovers and Blackpool, which saw the Rovers carry off the game by one goal. Over sixty thousand fans crowded the Rovers' ground, and scenes of unparalleled enthusiasm greeted the deciding kick which spelled ruin to Blackpool's hopes.

SOCCER KICK-OFFS

By LINESMAN

By LINESMAN.

The London and District association will hold a meeting at the armories on March 19, when plans for the soccer season will be formed, and details arranged for the formation of a second division. If the juniors of last season are able to meet the local executive at this meeting, or any other junior organization, it will help, and their co-operation will be appreciated.

* * *

The meeting of the provincial league at Hamilton on Saturday was of great interest to local soccer fans, especially as Tommy Hodgkinson was elected president by acclamation. Jack Lewis and Matt Morgan were there as representatives of the L. and D. Jack Lewis also represented the C. N. R., who have decided to play in the provincial league this season.

* * *

The secretary of the provincial league this season is Mr. Bishop of Hamilton, a very capable person for the position. The office of treasurer will be combined with the secretary, as is the case in the London and District.

* * *

Jack Lewis was in splendid form, and gave the meeting an account of the L. and D. activities. They were anxious to have Jack as secretary, but he declined in favor of Mr. Bishop.

* * *

President Billy Dean of the O. F. A. was also present, and it was the unanimous sentiment that they would stand by the D. F. A. It was also stated that the Hamilton and District would be in operation, as all the old clubs, with the exception of two, were back in the O. F. A.

* * *

The Toronto juniors have decided to operate as intermediates this season, and have applied for affiliation to the Toronto and District association.

* * *

The Toronto Davenport Albions have also returned to organized soccer, and will operate in the senior Toronto division.

* * *

A report that several clubs in British Columbia were desirous of breaking away from the D. F. A. has been emphatically denied by Sam Davidson, the dominion secretaty, who said that all clubs in that district would remain loyal.

* * *

There seems to be quite a movement in the old land to secure goal-getting senter forwards. Blackburn Rovers, Manchester United and Chelsea being prominent in this matter, and in each case the enterprise was benecial, as each saved in their initial games.—Pudedfoot for Blackburn, Pape for Manchester and Turnbull for Chelsea.

* * *

There should be some splendid games in the cup semi-finals, as Southampton, Cardiff, Sheffield United and Blackburn qualified on Saturday.

* * *

It is rumored that the Canadian Fusiliers are to operate this season in the senior body, and Major Butler can be banked upon to have a good team when the season starts.

* * *

Referees are reminded that they should register with Secretary Shearé as early as possible. The fee is $2, and $1 renewal certificates.

Lady Byng Offers Trophy To Cleanest Pro Player

Canadian Press Despatch.

Ottawa, March 8.—Deciding to raise the standard of professional hockey, Lady Byng of Vimy proposes to present a challenge cup to the National hockey league, to be held each year by the cleanest player in the league.

In a letter to Frank Calder, president of the N. H. L., the wife of the governor-general of Canada says:

"Feeling a great desire to help your effort to 'clean up' hockey and eliminate the needless rough play that at present is a threat to the national game, and also to leave a tangible record of the enjoyment I personally have had from the game during our sojourn in Canada, I am writing to ask if you will let me offer a challenge cup for the man on any team in the National hockey league who, while being thoroughly effective, is also a thoroughly clean player.

"I am convinced that the public desires good sport, not the injuring of players, and if by donating this challenge cup I can in any way help towards this end, it will give me a great deal of pleasure.

(Sgd.) "EVELYN BYNG OF VIMY."

It is understood that the cup will be for annual competition among the players of the N. H. L. The trophy will be known as the "Lady Byng of Vimy cup."

EDUCATION VITAL TO WORLD UPLIFT

Denominational College Needed in University, Says Centennial Pastor.

The need of education both for the social and ethical improvement of the world and for all those who are ministers in a church was declared imperative by Rev. A. E. M. Thompson in a sermon in the Centennial Methodist church yesterday morning.

"There are some people" he said, "who think that no education is necessary for a minister, and refer to Moody, the evangelist, as an example. But they forget that as soon as Moody was in a position to do so that he spent money freely to establish places for education of the ministry."

Mr. Thompson spoke on the Methodist educational work, and said, "There can be no successful university work without the denominational college in it. That was amply proven by the case of Germany. It was in Germany that education probably reached its highest standards, but there was no spiritual life in the universities there. Truth, altruism, service and God. These are the gifts that a denominational college in a university makes to it."

Of the work of Victoria College in Toronto, Mr. Thompson said: "In the thirteen years it has been in operation it has given one thousand ministers to the church in Canada. It had won eleven of the twelve gold medals presented each year by the governor-general. It sent 500 men overseas, of whom twenty-eight were killed, and one of its men today, Norman Endicott is a Rhodes scholar.

"Our church has seventeen colleges in Canada, with 6,420 students. In Alberta, we have a college with a new Canadian class, with 32 students and fifteen nationalities. There is no doubt that we need education. We need it to give us leadership in every walk of life and most of all in the church."

CLOSE VICTORY ON ROUND PUTS ACES IN SEMI-FINALS

WALLY PIPP,

well and favorably known around the country as a left-handed first baseman, has become afflicted with a sty in his eye. This is no asset to a left-handed first baseman, and Mr. Pipp has received permission to remain at his home in Grand Rapids, Mich., until he has the sty under control.

Local Cagers Lose Second Game 30--27 to O. A. C.

STRENUOUS BATTLE

M. C. A. Aces will meet Windsor Mohawks in the semi-finals for the O. A. B. A. intermediate championship. They lost a hectic battle to the Guelph O. A. C. cagers here Saturday night 30 to 27, but took the round 57 to 53, having won the game in Guelph 30 to 23.

Some five hundred fans witnessed tragedy and triumph, when the locals lost and won again. The Royal City stalwarts had George Sinclair's outfit up a tree until the last eight minutes, and then a rally, headed by Frank Shaw, brought the purple and orange within striking distance and subsequently enough points for the round score.

The students should really have won on the play, for they were on a strange floor and introduced a short-passing and loafing game that brought results even if it was not first-class basketball. Ridley was the lad who shrouded the Forest City camp in gloom and brought heart failure to the fans. He left the rest of his team-mates to do the checking, and stuck to the "Y" basket for passes that ultimately resulted in scores.

Frank Shaw, captain and center for the Aces, came out of the game a hero. He gave his team the round after Fred Quick had tied it up in the dying moments with a chance long shot from center. Twice he got in, once on a pass from Jimmie Smith and again on a rebound off Pierce's shot.

Numerous fouls were called throughout the session, but only one man was banished with four personals—McEwan of O. A. C. The majority of the players were on the brink of banishment, as the game was strenuous, and it was the whistle that saved the most of them.

The score at half time read 23 to 8 for O. A. C. They gained the big lead with Ridley's loafing and Heatherbell's sure passes. The game was up and down in the first few minutes, but gradually the students forged ahead and it looked hopeless for the Aces. But the rest did the locals more good than it did the visitors, for they came back fighting desperately and hung on with dog-like tenacity. Jimmy Smith sank two long looping shots to start the locals off, and from then on they swept the visitors off their feet with bewildering speed and combined attacks. Shaw added four more to the score, and in between O. A. C. garnered six points. Smith came to the front again with another long try, and then Quick tied the round [illegible] a spectacular shot from center floor [illegible] went clean through the hoop with a [illegible]. Then came Shaw's two scores and the whistle ended the game and gave the Aces the round.

PROVINCIAL SOCCER LEAGUE ELECTS LONDONER PRESIDENT

Eight Club Circuit Is Foreseen For Coming Season.

FIVE IN ALREADY

Special to The Advertiser.

Hamilton, March 8.—Tom Hodkinson of London was unanimously elected president of the Provincial soccer league at the annual meeting here yesterday.

Five teams are already in the curcuit, and there is every expectation of adding a team from St. Catharines and probably two from Toronto, which will make it an eight-club organization. The circuit never faced a brighter season.

The teams already entered are:

London—C. N. R.

Guelph—Taylor-Forbes.

Kitchener—Rangers.

Brantford—Cuckshutts.

Hamilton—Chipman-Holtman.

London Maple Leafs were leading the league last season, with no losses, but the scnedule was uncompleted, owing to conflict between the Provincial's dates and those of the Ontario cup and Plenty cup games. Some attempt will be made this season to have the O. F. A. standardize the dates of its competitions, so that from year to year schedule-makers in other leagues will have a fair chance of arranging a program of dates which will not come into conflict with other games.

Entries close on March 18, and another meeting of the league will be held March 21 at Hamilton.

The officers elected are as follows:

Honorary president—Mayor T. Jutten, Hamilton; Mayor McBride, Brantford; Mayor Drew, Guelph; Mayor Assmunsen, Kitchener, and Mayor Wenige, London.

President—T. Hodkinson, London.

First vice—J. Blake, Kitchener.

Second vice—H. Nurrish, Brantford.

Secretary-treasurer — J. D. Bishop, Hamilton.

Auditors—President Dean, O. F. A.; Sam Law, Galt.
