A gentleman had a board put upon a part of his land on which was written: "I will give this field to any one who is really contented." And when an applicant came, he asked: "Are you contented?" The general answer was, "I am." And his reply invariably was: "Then what do you want with my field?"

A HYMNAL

For use in Prayer Meetings, Sabbath Schools and on other occasions.

It contains 215 Hymns, selected with great care, by different persons of taste and judgment, from the standard Hymnology of Methodism, as well as from the modern revival Hymns which have been received with so much favor by all the Churches.

It is printed in large, clear type, which may be used easily when that of many other Hymnals cannot be discerned.

This Hymnal has the sanction of members appointed by the General Conference in this section for the oversight of matter to form a new Hymn-Book. Though not intended by any means as a fulfilment of the duty assigned to the Hymn Book Committee, it will no doubt be found a valuable aid in reaching that end.

Price, paper covers, 15 cents each. Cloth, 20 cents, the usual discount to congregations and to the Trade.

A CONSUMPTIVE CURED.—When death was hourly expected, all remedies having failed, and DR. JAMES was experimenting, he accidentally made a preparation of INDIAN HEMP, which cured his only child of consumption. He now gives this recipe free on receipt of two stamps to pay expenses. HEMP also cures night sweat, neuses at the stomach, and will break a fresh cold in twenty-four hours. Address CRADDOCK & Co., 1,032 Race Street, Philadelphia, naming this paper.

Consumption Cured.

An old physician, retired from active practice, having had placed in his hands by an East India Missionary the formula of a simpl vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to his suffering fellows. Actuated by this motive, and a conscientious desire to relieve human suffering, he will send, free of charge, to all who desire it, this recipe, with full directions for preparing and successfully using. Sent by return mail by addressing with stamp, naming this paper, Dr. W. C. Stevens, 125 Power's Block, Rochester, N. Y.
