IT PAYS TO BUY FOR CASH.

AFTER careful study and consideration we have come to the conclusion that by adopting the CASH SYSTEM we shall be able to save our patrons a good many dollars on their jewellery bills. As a step in this direction, we will from July 1st allow twice our usual discount, on all goods *paid for* when bought. As our goods will not be marked up, but in several instances marked down, goods booked will be charged at the marked price.

We trust our customers will be as once convinced, that it will be to their decided advantage to buy "for cash only."

Thanking our patrons for their confidence and patronage bestowed on us in the past we shall by careful attention to their interests aim to merit the same in the future.
