WET WEATHER IN EASTERN

Toronto Did Not Play With Newark, But Buffalo and Jersey City Had a Tie Contest.

ALL THE OTHER GAMES POSTPONED

Champions Return Home on June 15 for a Long Series, Starting With Buffalo.

Rain was the order thruout the Eastern circuit on Monday, and as a result not a single game was played to a finish. Toronto did not play at Newark, the contest being postponed till some future date, on account of wet grounds. Jersey City and Buffalo were the only two teams who made any attempt to pull off a game, but, altho five innings had been played, and with the score a tie at 3-all, the inclemency of the weather forced these strenuous opponents to desist from their belligerent attitude and await some future date on which to smash the tie. Toronto's remaining games abroad include Newark on June 9 and 10; Jersey City, June 11, 12, 13. They will then return home for a series of contests on the home grounds, starting on June 15 and playing Buffalo, Providence, Worcester and Jersey City in the order named, closing the series on July 1, with two games with Newark. They then leave on an extended trip of two weeks, playing all over the circuit. The record:

Buffalo 3, Jersey City 3.

Jersey City, June 8.—The first series in this city between Buffalo and the Jersey City team began to-day with a five-innings contest, the game being called on account of rain with the score a tie. A base hit by Bean and a three-bagger by Cassidy gave the home team a run in the first innings, and the hitting of Clements, a sacrifice, Cassidy's two bagger and hits by McCormick and Doolin, added two more for the home team in the third. Buffalo tied the score in the fourth on two bases on balls, a two-bagger by Atherton and an error by Halligan. The score:

Threw Money at Ball Player.

San Francisco, June 8.—With two men out and the score 6 to 4 against Oakland, Oscar Graham, Oakland's pitcher, came to the bat in the game yesterday. There were two men on bases, and a hit would tie the score. Graham made a beautiful two-bagger, tieing the score, and the next man up made a single, which brought in the winning run. As soon as the game was over the crowd in the grand stand began throwing money to Graham. For fully ten minutes he was busy picking up coins, and when he gathered them all in his prize amounted to $40.

Brave Baseball Mob.

Haverhill, Mass., June 8.—The Haverhill-Nashua game in this city Saturday was declared forfeited to Nashua by Umpire Kelliher at the end of Nashua's half of the eighth innings, on the ground that Hamilton had thrown the ball out of the grounds. When the decision was made the crowd swarmed on field and used Umpire Kelliher roughly, in spite of the efforts of the police to protect him. He was hustled from the field to the police station. The angry crowd remained in front of the station for more than an hour, and no effort was made to take Kelliher to the railway station until 5 o'clock. Then President Linehan of the Haverhill Baseball Association offered to drive Kelliher down in his carriage. When the umpire appeared at the door there was another outbreak and he was struck several times in the face and his lips cut. He was finally put in Linehan's carriage and driven to the depot in time to catch the train for his home in Lowell.

3 Cities Want Rochester Franchise

New York, June 8.—A meeting of the Eastern Baseball League was held here today, all of the clubs being represented. The meeting is considering what action shall be taken with regard to the franchise of Rochester. President Powers said three other cities were willing and ready to take the franchise.

It was decided to leave the matter of the disposition of the Rochester franchise to President Powers and Board of Directors, who will confer with the Rochester Club owners before final action is taken.

After the meeting it was announced that a meeting of the Board of Directors to further consider the Rochester franchise matter would be held within the next 48 hours, either in Buffalo or Rochester.

Sporting Editor World: In your report of Saturday's game between R. G. McLean and Brown Bros., I notice that the R. G. McLeans team were all the features. Woods striking out nine men, which he did not, as Brydon and Woods both struck out eight; also Vennel's home run. C. Colby knocked the ball as far as Vennel's, but, not being as fast a runner only got three bases. He also made a two-base hit. Geo. Burns of Browns knocked the ball for a home run, Johnston got a three-base hit and single. I do not like saying any more, but I think the person who puts R. G. McLean team's scores in the paper had better give the other clubs some of the features. R. B. Magill, secretary, Brown Bros.

RESERVATION, 7-1, WON DERBY

Lauralighter, 8—1, Second, Birchbroom, 5—1, Third, Claude Outside the Money.

BRANCH II., AT 50 TO 1, IN FRONT

Curate, Shrine, St. Juvenal and Golden Cottage Were the Other Winners.

Detroit, June 8.—Reservation, b.c., by Cayuga—Arragon, bred at Royal Oak and owned by George Hendrie, the Detroit millionaire, won the International Derby at Grosse Pointe, in the presence of 5000 people, to-day. It was a fine day, but the track was very slow from rains, altho not muddy. Reservation was behind for six furlongs, then gradually worked his way thru. He caught the rest as they rounded into the stretch, and was running away at the end. Laura Lighter was always a contender, and raced Claude, the favorite, into submission in the first half, then came second at the end. Fore and Aft, second choice, looked a winner for half the way, then tired. Only two favorites won, and the racing was excellent. The meeting will run 11 more days. Summary:

First race, 6 furlongs—Shrine, 106 (T. Walsh), 7 to 1 and 5 to 2, won by a neck; Deiagoa, 107 (Battiste), 13 to 5 and 7 to 10, 2; Mrs. Frank Foster, 106 (J. Daly), 4 to 1, 3. Time 1.19½. Early Eve, Glennevis and Whiskey King finished as named.

Herbert Won the Handicap.

New York, June 8.—August Belmont's Magistrate, with Minder in the saddle, won the Manhanset Stakes for 2-year-olds at Gravesend to-day. The big son of Hastings—Lady Margaret, now stands undefeated and is claimed by Belmont to be one of the best 2-year-olds seen this year. The Belmont colt was second to leave the starting gate, but before they had gone a quarter of a mile he was in front and Minder had only to sit still to win easily by three lengths. Luxembourg was second and Andrew Mack, an added starter, third. The winning run of the past two days converted the track into a quagmire and the old horse, Herbert, galloped home an easy winner in the fourth. Summary:

First race, about 6 furlongs, selling—Ascension, 98 (Gaines), 3 to 5 and even, 1; Eva Russell, 99 (Haack), 3 to 1 and 3 to 5, 2; Lass o'Linden, 87 (Creamer), 20 to 1 and 8 to 1, 3. Time 1.11 1-5. Savable Beat McChesney.

Chicago, June 8.—John A. Drake's Savable, at present the favorite in the future books in the American Derby, gave McChesney a beating at Harlem to-day in one of the most falsely run races of the year. Savable had only a nose to spare over the Harlem National Handicap winner at the wire and in more jumps McChesney would have won. His defeat was due to poor racing luck. Rounding the first turn Eva G. swerved across in front of McChesney, almost knocking the Smathers horse down and causing him to lose a dozen lengths. Before Gray could get McChesney in his stride again Savable and Jackful were a long way in front. It looked almost a hopeless task for McChesney to reach them again, but he gradually wore down the leaders, raced into second place at the far turn and then set after Savable, then four lengths in front. Down the stretch McChesney moved like a wild horse, but Gray neglected using his whip until just a fraction of a second too late, and Savable crossed the line, losing ground at every jump, but just barely a winner. Weather fine, track good. Summaries:

First race, 5 furlongs—Auditor, 12 to 5, 1; Requisite, 25 to 1, 2; Requiter, 20 to 1, 3. Time 1.03.

Suburban Handicap Quotations.

The defeat of Hermis and Major Daingerfield last week caused the odds to recede two points in the Chicago book on the Suburban Handicap, run Thursday, June 18. Both horses were formerly equal favorites at 6 to 1. They are now even choices with Goldsmith at 8 to 1 each. Irish Lad's great showing in the Brooklyn Handicap and Broadway Stakes was responsible for a heavy demand on him for the American Derby, and during the past week his odds have well backed in Bernard J. (Kid) Weller's book. Harry Payne Whitney and Herman B. Duryea's colt is now an equal favorite for the big Chicago event with Irish Lad at 7 to 1. Advance Guard is 15 to 1. Prince of Melbourne 50 to 1, Zoroaster 75 to 1 and Andy Williams 50 to 1. Lord Badge is 150 to 1 and Taps 500 to 1.

Trial Races This Week.

The new Canada's Cup defender, Strathcona, just arrived at the R.C.Y.C. from Oakville, was critically viewed by many all day yesterday, the prevailing opinion being that she will do. The sail down was a drift and made without incident. The trial races will begin this week, probably not till Saturday, with Merrythought and Gloria as the opposing craft.

Association Football.

To-night and Thursday night, at 6.30, the senior Broadviews practice on the Broadview grounds. Players are requested to turn out direct from business. Baths and supper supplied at close of practice. Saturday's game with the Galt champions should be a warm one.

Sporting Editor World: Please allow me space for contradiction of report published in Sunday World, May 31 of game C.P.R. v. Cooksville, at Cooksville, on the holiday, with score 2 to 1 in favor of latter. The Toronto Scots were advertised on large posters, etc., to play the local team in that village for a $25 prize. Cooksville's secretary called in emergency on our captain and myself to secure them a team of some sort to play under same, saying the Scots had disappointed them. This we did on morning of the holiday with much difficulty, securing only four of our regular players. We journeyed, however, with this scrub team, by van, an expense we unexpectedly had to defray. Our boys, knowing circumstances, played leisurely, while Cooksville played their best. The game was largely attended, with an admission of 15c. Our referee was charged admission. W. G. Sinclair, secretary of C.P.R. Club.

NORTHERN CIRCUIT RACING.

Syndicate Betting at Fort Erie Deplored—O.J.C. Cleared $25,000.

Scores of the Northern Racing Circuit brigade, horsemen, jockeys, bookmakers and followers in general, touched temporarily in Buffalo yesterday en route from Toronto, where the races closed on Saturday, to Detroit, where the 12-day meeting at D. J. Campau's Grosse Pointe will start this afternoon, with the running of the International Derby, a forerunner of the Canadian, to come later at Fort Erie. Everybody in attendance at the meeting just closed at Woodbine has no hesitancy in declaring the season the best ever enjoyed by the Ontario Jockey Club. However, there is talk to the effect that the members of that conservative institution are not altogether satisfied with their experiment in holding a longer season than usual, despite their success. As good an authority as Francis Nelson, the Canadian racing authority, told a reporter for The Express at Woodbine last week that he did not think a meeting
