ST. JOHN BOWLERS TRIM FREDERICTON

Total Score 1374 To 1369—Fredericton Won First and Last Strings, But Fell Down Badly in the Second.

A team of Y. M. C. I. bowlers traveled to Fredericton yesterday and last night met one of the crack teams on Sandy Staples' new Palace Academy alleys and managed to pull through with a victory. It was one hard battle from the start of the game until the last ball in the match was hurled down the alley, and when the grand total was added it was shown that the St. John pin artists had won by a score of 1,374 to 1,369, only five little pins to the good but quite enough to win.

There was a good crowd of capital fans present to witness the match and the St. John bowlers speak in the highest terms of the excellent treatment which they received at the hands of Manager Staples and the team that opposed them.

The Fredericton bowlers won the first string by a score of 455 to 452, just three pins to the good. In the second string Fredericton fell down, and it was here that St. John won their game for they finished the string with a score of 468 to 448. Fredericton came back stronk in the third and last string by defeating St. John by a score of 466 to 454, but not quite enough majority to give them the majority in the grand total.

The bowlers on both teams rolled up good averages which shows that it was a battle worth witnessing and that each and every man was out to win. Sandy Staples, with an average of 99 1-3, was the highest roller in the match while Harry McKean of the Y. M. C. I., was next with 95. The individual scores follow:

THE VICTORIAS WON.

A baseball game was held on the South End diamond last evening between the Victorias and the Buffaloes. The game went to the former team by a score of 10 to 9. Citizens commented on the new grounds, which are in excellent shape, and both promoters and workers are to be congratulated on the success of the movement. However, some repairs could be made yet, especially the erection of a wire fence next the water, as the batted balls get over the bank and are hard to find in the grass. The fence is to be erected, it is understood, in the very near future. On Monday evening the grounds will be formally opened to the public.

NEWS OF SPECIAL INTEREST

CHILDREN'S PARTY IN AID OF RED CROSS

Held At the Residence of Mrs. D. D. Robertson At Rothesay — Successful and Delightfully Novel Entertainment Well Attended.

The enchanted garden is to be found more often in fairy books than in real life but those who visited the children's party held at "The Cottage," the residence of Mrs. D. D. Robertson, yesterday afternoon found there an enchanted garden indeed.

The party was given in aid of the Rothesay Red Cross Society and was largely attended by children who came to play and their elders who came to enjoy the pretty sight.

To welcome the guests were to be found Mrs. Peter Rabbit, in her characteristic costume, the Three Blind Mice, who nevertheless, in spite of blindness, were able to ladle out cooling drinks, the Cheshire Cat, who grinned cheerfully, the Misses Yum Yum and San Toy from Japan who sold toys; the Gipsy Queen, the Clown and a Peanut Man. With the assistance of these delightful personages, all of whom were the willing slaves of the children, games were played, races run, stories were told, and other amusements provided.

There was a table on the grass where little ladies could purchase all that an up-to-date doll would require, while elsewhere were toys for boys. A "grab" proved, as always, most attractive.

The scene on the lawn with the background of cedar trees and the bright colors of larkspur and poppies mingling with the gay ribbons worn by the children, was indeed charming. It was a lovely party all agreed, and helped greatly in adding to Red Cross funds.

Those who arranged the party were Miss Madge Robertson, convener; Miss Nan Brock, Miss Nan Fairweather, Mrs. Fred Foster, Miss Anna McKeen, Miss Sophie Robertson, Miss Lillie West, Miss Helen Cudlip, Miss Leslie Skinner.

KINGS CO. FARMER TALKS ON CROPS

Believes That If Military Authorities Don't Assist Farmers Won't Be Able To Gather in Their Crops.

A farmer from Kings county was in the city yesterday. He felt optimistic regarding the gathering of the fall crops, and believed help was so scarce that unless the military authorities released men for the harvest the crops would waste in the fields. His two hired men had left him recently and went west, where the high wages were the inducement, but, he added, "no farmers in this province can pay the wages offered out west and now we lie at the clemency door of the military authorities."
