ALL VIRUS FULLY WARRANTED.

It is hoped that the Profession will appreciate the importance of fully supporting *Physicians* devoted to this laborious and *expensive* specialty, and responsible for the quality of all Virus issued.

If the patronage of Physicians is distributed amongst all, who, often without any fitness, offer to supply true animal virus; the simple result will be that no *one* will receive enough to maintain a proper establishment.

Our Senior Partner has been for over twenty years devoted to the specialty of Vaccine supply. He introduced *true* Animal Vaccination into America in 1870; and our establishment is by far the most perfect and extensive in the world. Address
