A Builder of Health.

Nothing can be of greater assistance in building up the system than Dr. Chase's Nerve Food, for this food cure forms new, rich blood, and restores the feeble, wasted nerve cells. Gradually and naturally the body and mind regain vigor and energy, and you feel again the joy of living which comes only to people in good health.

Rev. A. L. Huddleston, of the First church, Halifax, will occupy the pulpit of the Baptist church next Sunday. His subject in the evening will be 'God's Part in the Great War.' Mr. Huddleston is a new man in our province and is gaining a good report.

Wedding Bells.

DAVIDSON—THOMPSON.

A very pretty home wedding took place at Wolfville on Wednesday afternoon, July 3rd, when Edith Evelyn, only daughter of Mr and Mrs David Thompson, was united in the holy bonds of matrimony to Paul Melrose Davidson, son of Mr. and Mrs. S. O. Davidson, of Wolfville.

The bride was girlishly sweet in a pure white gown of chiffon over silk with pearl trimmings. Her veil was of conventional type, bound with orange blossoms, her flowers, bridal roses. Miss Gladys Bederkin, the bridesmaid, was most charming in blue georgette over crepe-de-chine, with hat to match, carrying pink carnations.

To the strains of Lohengrin's bridal chorus, played by Mr. Harlan David son, of British Columbia, brother of the groom, the bride entered the parlor on the arm of her father and took her place beneath an arch of daisies and ferns, the work of her girl friends. The ceremony was performed by Rev. F. J. Armitage. The guests were the immediate relatives and the girl friends of the bride. After the ceremony light refreshments were served by Misses Frances and Barbara Stackhouse, Misses Mary and Violet Black and Miss Esther Gould.

The gifts were numerous and beautiful and testified to the high esteem in which the bride and groom are held.

Mr. Davidson enlisted with the 40th Battalion, July 1915 He was later transferred to the 13th Battalion, R. H. C., and was seriously wounded on the Somme in 1916. He returned to Canada just a year ago and while in Toronto undergoing treatment, was appointed successor to the late Mr. C. R. Bill, as Collector of Customs at Wolfville.

After a trip to Halifax and Chester the young couple will reside in Wolfville, in their attractively furnished home on Main street. M. R. B.

L. W. SLEEP.

Opera House.

Virtue the topic of new film. Read what the Rev. Mr. Adams thinks of the picture called 'The Girl Who Doesn't Know' to be seen at the Opera House, Friday and Saturday.

The strongest spoken sermon or written editorial could never bring home its lesson with the force and conviction that this screenplay does.

We predict that the production of 'The Girl Who Doesn't Know,' to be seen at the Opera House, Friday and Saturday, marks an epoch in the dissemination of knowledge through the medium of the screen—particularly knowledge that leans toward moral and social uplift.

To those who are shocked even at the mention of this subject, 'The Girl Who Doesn't Know,' will assume the aspect of a heresy even though it is handled with rare delicacy.

True, the very nature of the subject necessitates outspoken, frank presentation but those who view such things in a broad-minded way—those who are ready to accept the message as a serious preachment on a vital topic will find no speck of unseemly suggestion—no wit of immodesty. Every one should see this feature.

'The Honor System' to be seen here. William Fox's Great Photoplay Melodrama booked to show Monday and Tuesday, July 8 9. The film of a thousand thrills, gripping picturization of human emotions is verdict of those who have seen it.

'The Honor System' deals with a career of a young American, educated, honorable and refined, who goes to seek his fortune in the great Southwest. There he encounters friends and enemies, the wolves of graft and cruelty, as well as the noble at heart. The big action is maintained through a series of extraordinary adventures which, however, are not adventures at all, but transcripts of fact of life as it is actually lived beyond the pale and far from long established communities. The love interest is said to be delightful, and the comedy touches are numerous. There is nothing in drama that can be compared with this new sort of film play. In its business and universality of quality it reminds one of such great biographical novels as 'David Copperfield' and 'Les Miserables.'

R. A. Walsh, director of 'The Honor System,' served in the British Aviation Corps during the year following his graduation from Seton Hall College in South Orange, N Y. Walsh himself drove the aeroplane, to which three cameras were lashed, to get a bird's-eye view of the maneuvers sweeping down on the border village in William Fox's cinema spectacle. See adv.

"RED CROSS DRIVE"

July 8th--15th, 1918

It is unfortunate that this Campaign should came on so soon after the 'Red Triangle' and at a time of year which is rather inopportune so far as the Farmers are concerned, but Kings County has done its duty in the past and I fell confident that we will 'stand by our boys' who are sick and wounded and especially those in German prison camps.

There has not been time to organize the County properly and we are going to ask you to join us and make this Campaign a success and show those 'Boys' who have sacrificed so much, that the people at home are back of them.
