ST. JOHN, N. B.

ENCOURAGED by a steadily increasing business, we are determined in our Campaign for 1852, to defy all competition of the most choice and *distingue* Goods that are produced in the European markets; in the mechanical skill, superb style, taste and finish of each garment, which has given the establishment the extensive patronage it now enjoys. Our patrons and the public are invited to call and examine for themselves a stock which is entirely new, selected with great care in London and the different manufacturing towns in England by one of the firm. We would call particular attention to our stock of
Crape finished, Venetian and West of England CLOTHS,
Rare and Elegant designs of DOESKINS AND VESTINGS.
In a word, a stock which for freshness, richness, new and original designs, is not surpassed, if equalled, by any similar house in the Province.

☞ *To Wholesale Buyers.*

We would call their attention to our stock of Woollen Goods, which we have received per *Sir Harry Smith,* and which will be sold low for cash or approved paper.
