GRATEFUL—COMFORTING

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*

81, 83 and 85 KING-ST. EAST.

If you are in need of a good watch in a Gold, Silver, Filled or Silverine case, call and see Crumpton's stock of the

Celebrated Aurora Quick Train Watch,

Which we guarantee to be made of the best material, on the most scientific principles and best finish of any American Watch manufactured. Every one is accompanied by a WARRANT direct from the manufacturers at Aurora, Illinois, and is the only Watch with which a purchaser receives such a guarantee.

Don't waste your time running around to other jewelers asking for the AURORA WATCH, as FRED CRUMPTON, THE JEWELER, KING-ST. EAST, is the SOLE AGENT FOR IT, AND YOU CAN'T GET THEM ANY OTHER PLACE.

If any other jeweler tells you they are no good, don't believe him; it is a case of jealousy, as he cannot get them to sell you, but if Crumpton sells you one and it does not run right, HE WILL REPLACE IT WITH ANOTHER OR REFUND YOU YOUR MONEY.

Crumpton has sold Aurora Watches for THREE YEARS AND HAS YET TO HEAR THE FIRST COMPLAINT.

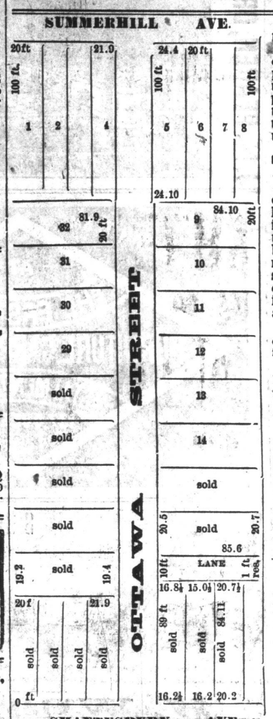
NORTH TORONTO BUILDING LOTS FOR SALE.



About a year ago I commenced dealing in NORTH TORONTO PROPERTY, as I was convinced it afforded a safe place for investment, although up to that period very little improvements had been made in that part of the city. Since that time I have sold in that locality upwards of

THREE THOUSAND FEET

of land, and about one hundred houses have been erected or are in course of erection. Most of these houses have been occupied before completion and a large number of them have been sold, some of them reselling at increased prices, thereby proving it to be a good place for builders and investors.

Nothwithstanding the activity in building operations during the past season, the demand for houses is greatly in excess of the supply.

With the erection of New Parliament Buildings and Victoria University in the Queen's Park, and Upper Canada College north of the city, this locality is sure to become more popular for residential purposes.

The Lots shown on this plan are most conveniently situated, being close to Yonge-st. with its many advantages and within a few minutes walk of the Street Railway and the North Toronto Station of the Canadian Pacific Railway, thereby affording rapid transit to the city and all parts of the Province. They are also in close proximity to our beautiful City Reservoir and the proposed Park Drives in Rosedale.

Sewers, Gas and City Water will be carried past these lots at an early date.

Prices Low. Terms easy.

The entire Police Force or the Queen's Own Soldiers could not stop the crowd of anxious buyers that daily visit the Cheap Dry Goods Store of

HUSBAND, SMELLIE & CO.

The magnificent stock of well assorted goods, and the wonderfully low prices they are selling for seem to take the people by storm. It's positively a bye-word that 352 Yonge-street is the best place in Toronto for really first-class goods at extremely low prices. The past week has been like a fair in the Silks, Dress Goods, Muslins, Prints and Parasol Departments. We are scared to mention prices in the paper, but follow the crowd to

HUSBAND, SMELLIE & CO.,

352 Yonge-street, above Elm-street.

N.B—Just opened 2 cases Fancy Dress Silks at less than half price. 36

Everybody Says So!

And what everyone says must be true. Note it, everyone says Rogers sells the best $3 Serge Suit in the city, the nicest Children's Suits in the County for 90c, that his 25c Pants downs anything in the Province, that he paralyzes the Dominion with his 60c Summer Coats, and to understand how cheap he sells Gents' Furnishings, call and see.

REMEMBER, we are strictly one-price goods, all marked in plain figures and money refunded if not as represented.
