BOYLE'S PLATER HILLHURST SHOWS EARLIEST SPEED

In Morning Trials at Woodbine, Going Mile in 1.47 1-5—Court Martial Given a Work Out.

Hillhurst, owned by D. A. Boyle, Woodstock, and trained by Billy Bringloe, is the first plater to set a fast time. Hillhurst yesterday morning went a mile in 1.47 1-5, and had something left at the finish.

Court Martial, the Dyment stable entry, was sent a mile in company with Will King, and is reported as doing it in 1.48, and being very much distressed at the finish. Will King beating him home. Kinleydale was asked to do three-quarters in 1.21. The big $11,000 beauty does his work with ease, but it is doubtful if he is as good a horse as old Fort Hunter.

Big Mac was brought out to work with Fort Hunter, but Mac ran out, and the old horse was asked to do it alone. He went a mile in 1.55, and was running easily at the finish. The other Dyment horses were given stiff gallops.

Trainer John Nixon worked the English horse, Alles D'Or, and the two platers, Capercallzie and Scotch Cap. The three worked three-quarters, the platers having the weight up, and the English horse showing the way. Betts and Ypsi went a mile in 1.52, and Loupania, from the same stable, worked five furlongs in 1.07.

Hendrie's platers, Sword Dance, Logan Water and Blue Jean, worked a mile in 1.51¼. The platers were badly blown at the finish, Blue Jean being distanced.

Crestfallen and the London plater, French Hill, worked together, Crestfallen doing the mile in 1.54¼, the plater trailing in.

Fair Havana worked six furlongs in 1.21, and Teston went a mile in 1.51¾.

Billy Ray and Appetrix were asked to do three-eighths in .39.

Frank Somers and Enghurst, the two leppers, went a mile in 1.48.

The plater Forty Winks was worked six furlongs with Barbarossa in 1.23.

The Seagram and Kirkfield horses were only galloped, and will likely be given a workout this morning.

E. L. Talley arrived yesterday with his string of five horses from New Orleans. Mr. Talley has with him a first-class lightweight jockey in Goldstein, who can ride at 85 pounds. The horses are: Berry Waddell, Little Rose, Ogontz, J. H. Montgomery and Pepper Dixon. Mr. Talley has sold Rowe and Colonist.

Horses that were on their way to Toronto and expected at Woodbine last night are: From Balthbore, William Garth, with 22; W. Z. De Arman, with 15, and William Burtschell, with 6. From Nashville are coming C. B. and J. F. Daniels, with 5, and Wade and McLamore with 5, J. McLennan with 3.

Fifty additional stalls will be erected at once, adjoining the stables in the east end of the Woodbine grounds. There will then be available, inside and out, about 550 boxes, but Secretary Fraser has applications from owners and trainers running up to nearly a thousand horses. It will be impossible to provide accommodation for all who want to come here, and he has daily to advise applicants of the situation.

Fred Cook telegraphed from Lexington Monday for stall room for eight horses. His string will include Minnie Adams, and Jockey Nicol will ride.

The 4-year-old Collision, by Havoc—Casualty, has been sent to John Nixon to be trained.

Office Furniture That Satisfies

We would like to see the man who couldn't find his ideal of a desk or chair among our representative line—he would be a curiosity. We'll stump anybody to show that our Office Furniture isn't fit for any man's fancy, favor or finances. It's a genuine case of "hard to beat," as most everyone tells us who has looked us up.

A purchase from our busy man's furniture department is not only conducive to good practical satisfaction, but is a first aid to slim pocketbooks.

In the final of the hurdles R. G. Leavitt, Williams College, Williamstown, Mass., won. Time 16 1-5 seconds. A. H. Healey, England, was second, and Dunjcker, Germany, third.

The official list of the results of the Olympic games will be published to-morrow. The Americans have already won the greatest number of events, the Greeks come next, with the Swedes probably third and the Englishmen fourth.

P. J. O'Connor of the British Olympic games team has lodged a formal protest against Myer Prinstein's win in running broad jump on April 27, on these grounds:

First, that the Prinstein's number was 40 he jumped third in order, to take advantage of the smooth track before it was cut up; second, that Halpin, in the absence of the official measurer, assume the duties of judge and measurer, and third, that whilst thus acting Halpin declared two of O'Connor's jumps foul. The claim is also made that one of these jumps exceeds Prinstein's. The protest was not allowed, but the matter has excited warm feeling. O'Connor had previously caused excitement by claiming to represent Ireland as a distinct nation. When he won in one event he produced Irish flags, asking to have them waved instead of the British flag. This request was not granted.

GUARANTEED TAILORING.
Toronto Home, 167 Yonge Street
Suits $15—$17½—$20 To Order.
The injustice a man does to himself by wearing ready-made clothes is unnecessary and even foolish.
Readymade clothes are full of deception. Their appearance before being worn is artificial. Carefully pressed outside fabrics conceal the cheap buckram, burlap and cotton wadding inside.
Such garments give men a most untidy appearance. They shrink, wrinkle and blister until they bear no resemblance to a decent garment.
Every New York Tailors' coat is tried on in the rough.
Suits, Overgarments Made to Order, Made to Fit, Guaranteed. $15 $17½—$20 Fancy Vests $3½ Made to Order.
Because we sell from the mills to you direct, saving the cost of intermediate transactions and make in our own workrooms, by our "Man-to-a-part" system of dividing and specializing the work, our prices are even less than ready-made. We make every garment to measure, to fit, and guarantee in a way you never saw tailoring guaranteed before. Have your clothes cut, tailored and fitted to your own measure.
OUT-OF-TOWN MEN.—We can take your measure by mail and fit you as well as if you were here in person. Write for free samples and style book.
