ASTOUNDING, CONFOUND-ING, BUT TRUE.

ANOTHER WONDERFUL

Cure of Consumption!

BY THE

☞ **GREAT SHOSHONEES REMEDY,**

IN CANADA.

Messrs. Young & Chamberlain:

GENTLEMEN,—I, Wilson Storms, of Brighton, C. W., make oath and say: I feel anxious to let you know what the Great Shoshonees Remedy has effected for me. My wife was afflicted with Consumption and died; I was also afflicted with the same disease, and after her death I continued sinking just as she had done. I had very severe Night Sweats;—coughed nearly all night, and every night could not sleep unless a little towards morning; I raised over a quart of matter every 24 hours; had severe pain in the left lung, &c., and was greatly debilitated. In fact, I was going as fast as I could. I was taking medicine from a regular physician, but it did not even relieve my cough. I went to the village one day, about a quarter of a mile, which took me to go and come about two hours. While there I saw Squire Wellington, and happened to say to him I wish you could give me something to relieve my cough. He said.—"There is a Great Indian Remedy just introduced; Dr. Baker has it for sale, and I believe it will cure you." I took his advice, and brought a bottle home with me, took a teaspoonful at once, which I felt through my whole system. At night I took a table spoonful and rested well all night, and continued to rest well every night. The cough, night sweat, raising of matter, pain in the lung, &c. gradually left me, and I got hearty and strong. I took only three bottles. I am not taking it now, and I am as hearty and well as ever I was in my life. My sister-in-law was with me for a while, who was affected with the Liver Complaint. She has taken the remedy and is well. This certificate you may show to the world if you please.

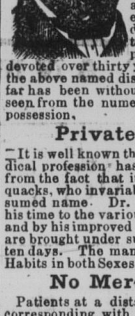
DOCTOR DAVIS,

Physician and Surgeon.



OFFICE.—Merrick-st. between the McNab Methodist Church and the Royal Hotel, UP STAIRS, directly opposite the Market. Entrance on Merrick Street.

Can be consulted at all hours day and evening, on all Chronic Diseases. Diseases of Women and Children, Midwifery, &c., &c. together with those of a private nature. He has devoted over thirty years to the treatment of the above named diseases, and the success so far has been without a parallel, as may be seen from the numerous testimonials in his possession.

Private Diseases.

It is well known that this branch of the medical profession has been much neglected, from the fact that it is most represented by quacks, who invariably practice under an assumed name. Dr. D. has devoted much of his time to the various forms of this disease, and by his improved remedies the worst stages are brought under subjection in from four to ten days. The many ills arising from Secret Habits in both Sexes permanently eradicated.

No Mercury Used.

Patients at a distance can be treated by corresponding with the Doctor, stating the symptoms of the disease, age, length of time afflicted, &c., and receive his celebrated remedies by express, or as otherwise directed, securely packed from observation. A reasonable remittance on all such applications will be required.

Dr Davis' Celebrated Female PILLS.

For irregularities, Suppression of the Menses, Leucorrhœa or Whites, and all female difficulties, have been before the public for the last ten years, and are universally admitted to be the best remedy for which they are recommended of any now in use. Thousands have used them without single instance of their failing to have the desired effect. Printed directions accompany each box. Sent by mail to any part of the country on receipt of one dollar.

The doctor can be consulted at all times with the utmost secrecy, as his office is so arranged that it is impossible to see each other, unless by consent. ☞ No charge for advice when obtained at the office, if by letter, one dollar.

All letters must be addressed (pre-paid) to Dr. Davis, M.D., Hamilton, and to contain a postage stamp when an answer is required.

Bryant, Stratton & Co's CHAIN OF INTERNATIONAL Commercial Colleges. ESTABLISHED IN

Connection with

Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, Principal.

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscrints and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with ample black-board explanations, and special lectures to suit individual cases.

Actual business is here introduced by the use of Banks, and other offices, as in business houses. The practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and port exchange, by introducing the actualities of business, as well as the abstract theory of Book-keeping. ☞ For further information please call at the College, or send for a College Monthly, enclosing letter stamp.
