BLOWN TO ATOMS.

Hot Springs, Ark., Oct. 16.—A father, mother and four young children were blown to atoms last evening at Sells, Montgomery county, fourteen miles from Hot Springs. While the family was at supper their home was wrecked by an explosion of dynamite.

The unfortunate people were Jeff and Maggie Jones and their children, ranging in age from 6 years to 4 months. It is believed that a dispute over a homestead claim prompted the outrage.

The county officials wired last night that they were close on the track of the guilty persons.

JUST THE THING THAT'S WANTED.—A pill that acts upon the stomach and yet is so compounded that certain ingredients of it preserve the power to act upon the intestinal canals, so as to clear them of excreta, the retention of which cannot but be hurtful, was long looked for by the medical profession. It was found in Parmelee's Vegetable Pills, which are the result of much expert study and are scientifically prepared as a laxative and an alterative in one.

CHOLERA MORBUS, CRAMPS and kindred complaints annually make their appearance at the same time as the hot weather, green fruits, cucumbers, melons, etc., and many persons are debarred from eating these tempting fruits, but they need not abstain if they have Dr. J. D. Kellogg's Dysentery Cordial, and take a few drops in water. It cures the cramps and cholera in a remarkable manner, and is sure to check every disturbance of the bowels.
