FATAL ACCIDENT.—On Saturday of last
week a fatal accident occurred in this
village, by which Andrew Arthur, one of
our oldest citizens, lost his life. Mr
McLaren, of Salford, was engaged in
moving the blacksmith shop of J. P.
Brown, and Mr Arthur, who happened
to be about at the time, seeing two of
the men prying on a lever, and thinking
his weight would be of some use, was
helping, when a chain broke, and the
jack caused a chimney to fall. Some of
the falling brick struck him on the head
and back, inflicting such injuries that he
died in a few hours afterwards. His
funeral took place on Monday to Ball's
cemetery. The family have the sympathy
of the entire sympathy.

Salford.

Inspector Tom paid the school his
semi-annual visit on Monday afternoon.

The school was closed on Thursday and
Friday, the teachers being in attendance
at the Teachers' Convention in Gode-
rich.

Mr McLaren is getting his wood-yard
replenished, and the block will very soon
be at work again.

The sick are again showing themselves
in the street, and it is to be hoped that
they will all be round again very soon.

Our village was startled last Friday
evening at the approach of an array of
people from town. It seemed as if the
village was to be taken by storm, but we
have since learned that it was the Gode-
rich choir visiting some of their village
friends.

Benmiller.

The trustees of S. S. No. 2 have re-
engaged R. H. Morrish.

The Rev. Mr Patton, of Holmesville,
very acceptably filled Benmiller pulpit
Sunday evening.

The new bridge that spans the Mait-
land here is very inferior, and is getting
its share of public criticism. Such a
structure certainly does not reflect much
credit on the county council.

We are pleased to learn that Mrs Wm
Vanstone in recovering from a severe
cold which at one time seemed likely to
turn to inflammation.

A goodly number of the members of
Benmiller court, C. O. F., attended the
anniversary sermon of Court Maple Leaf,
Clinton, delivered in the Episcopal
church, by Rev. Mr McCosh, of Wing-
ham.

The Mental Culture Society met, ac-
cording to motion of adjournment, on
the evening of the 7th inst. Most of
the members came prepared to give rec-
itations, readings or speeches and a pleas-
ant evening was spent.

Kintail.

John Sullivan returned from Mount
Clemens, Mich., last week. We regret
to learn that he was not in the least
benefitted by his stay at the famous
sulphur springs.

Miss Minnie Sullivan has returned
from the City of the Straits.

Our talented young student, Donald
McKenzie, left here this week to resume
his studies at Knox College.

The ball given under the auspices of
the Caledonian Society of this place was
not so great a success as was anticipated.
Of course, there was the usual rumour,
owing to certain parties getting too much
tangle-leg.

The annual cattle show, which was
held here on Tuesday, was a decided suc-
cess. The stock, on the whole, was very
good. A number of buyers were present,
and the greater part of the stock was
disposed of.

A CANADIAN ATHLETE.—A heavy-
weight contest took place at Port Arthur
on the 28th of September between John
McPherson, of Kintail, Ont., and John
L. Taylor, champion shot putter of the
West, for \$100 a side, which resulted in
an easy victory for McPherson, who put
the 14 lb. shot 48 ft. 9 in., while his op-
ponent put it 44 ft. 1 in. McPherson
will leave for California, but will return
to Onondaga in the spring to attend the
games.

Colborne.

Smith's Hill church is much in need of
repairs. The managers should make an
effort to have it fixed, as one of the mem-
bers has generously offered \$50 towards
it.

The apple-pickers are busy at work
during the fine weather.
Mr and Mrs Wm. Young are visiting
friends in Wingham.

Colbornites report Blyth show a grand
success.

Farmers are glorying in the fine weath-
er for fall work.
Tory wage-earners are a plentiful crop
in Colborne this year.

People of Colborne, remember the Re-
form Convention on Saturday. Come
all and judge which party has the most
claim on your support.

COUNCIL MEETING.—The Colborne
municipal council met in the township
hall on the 8th inst. Members all pres-
ent. Reeve in the chair. Minutes of
last meeting read and adopted. A com-
munication from the Canada Company
was read referring to a disputed 2 acres
of land on the 3rd con., which was left
for the reeve to see after. The follow-
ing accounts were paid, viz:—John Shaw,
for merchandise per Mrs Brindley for
charity purposes, \$23; John Barker, grav-
elling, \$90; Jas Straghan, inspecting, \$2;
John Stevens, repairing culvert, \$3;
Wm Hill, culvert, \$8; Nicholas Morrish,
\$25.68; John Sands, gravelling, \$84.60;
Thomas Mitchell, inspecting, \$8; John
Mugford, inspecting, \$1; Thos Anderson,
gravelling, \$27; John Symington, grav-
elling, \$1.90; Joseph Bell, inspecting, \$2;
McLarty & Strachan, gravelling, \$11.90;
Richard Young, 75c.; William Strachan,
gravelling, \$10.60; John Paterson, in-
specting, \$1.50; Alex Shields, gravelling
and grading, \$10; Chas McPhee, culvert,
\$6; W. O. Potter, \$1; Huxon Brown,
for printing, \$34. Patrick Hogan ap-
plied for a bonus on wire fence, which
was filed. The council then adjourned, to
meet again on the 17th December, at 10
o'clock.
J. H. RICHARDS, clerk.

Josh Billings: There is numerous in-
dividuals in the land who look upon
what they hain't got as the only thing
worth having.

It may very properly be termed an
instance of forethought coming after-
ward, when you meet a lady acquaint-
ance on the street, and don't think to
lift your hat until she has passed.
