MAHONEY BEAT COLUMBIA TENN

Upset in Second Feature at New Orleans, the First Being Romp for Veto.

New Orleans, La., Jan. 15.—The Fair Grounds racing was again benefited by ideal conditions. The mile and a sixteenth handicap, for a purse of $1,500, was the headliner from a monetary point, and it engaged a quintet of smart ones, but the victory of Veto was foreshadowed in the fact that he was at all times at prohibitive odds, and he justified it by the easy manner in which he won after having led for the entire trip. Parader being the runner-up at all stages, and General Haig landing in third place. Lyke took Veto to the front immediately after the barriers rise, and maintaining an even pace from practically the start, remaind a length in advance of Parader all the way.

The supplementary handicap, a three-quarter sprint, furnished an outstanding upset of the afternoon's racing, when the consistent Columbia Tenn was beaten out by Mahony. The defeat of Columbia Tenn was in nowise the fault of the horse, for his showing was a winning one, and he would have achieved success with a better judged ride than that which he got from Jarvis. He broke somewhat more slowly than formerly, and Jarvis made the mistake of steering wide, which cost him considerable ground for the entire trip, and he was not equal to the task of overhauling the improved staying Mahony, which Pool hustled hard at the end. CANADIAN UNION ELECTS W. FOULDS

Rugby Officers and Revision Committee Named at Annual Meeting.

The annual meeting of the Canadian Rugby Union was held in the Prince George Hotel Saturday, when steps were taken to put the C.R.U. on a stronger basis and to make the Canadian championship for the Earl Grey Cup a reality every season, and to have a representative team from each affiliated association take part in the final matches. The Western Canada Rugby Football Union applied for affiliation and was taken in.

The C.R.U. decided on an almost complete reorganization. The executive was given power to revise the constitution, and copies of the revision will be sent to the various rugby unions before February 15. They will be asked to report back at the next meeting of the C.R.U., which will be held on March 26, as to whether they are willing to become affiliated with the C.R.U. under the new constitution.

The unions which do become affiliated with the C.R.U. must live up to the constitution in every way. They must also declare a winner to play in the final matches. If their championship team will not play, then the team to finish second will be called upon.

The C.R.U. did not attempt to revise the playing rules. Instead, a committee of J. C. Maynard, Dr. Wright and Robert Isbister was appointed to go into the revision of the rules, and to put a tentative set into the hands of the various rugby unions of Canada at the same time the revised constitution is sent.

Those present were: Interprovincial Union, Geo. Church, Dr. Smirle Lawson and Bob Isbister; Intercollegiate, Dr. Arthur Wright, P. Ketchum and Mr. Walker of Royal Military College; O. R. F. U., Harry McKee, Charlie Gage; Quebec Union, Percy Roberts; Western Union, H. C. Griffiths, W. Foulds and Hugh Gall.

William Foulds was elected president, Robert Isbister first vice-president, Percy Roberts second vice-president, James Armstrong (Regina) third vice-president, and John De Gruchy secretary-treasurer.

The C.R.F.U. will in future be trustee of Earl Grey Cup, the present trustees, Hal McGiverin of Ottawa and Dr. Macdonald of St. Andrew's College, having offered to turn the trophy over to that body.

International Rugby; England Beat Wales

London, Jan. 16.—(By Can. Associated Press.)—The greatest football attraction of the London district on Saturday was the first rugby international of the season, England v. Wales, at Twickenham, where nearly 50,000 enthusiasts attended. The extent of England's victory of 18 points to 3 was a surprise. Wales had immense faith in their powerful scrum, but were overplayed everywhere. England found few changes necessary in the team, which finished well last season and recently gave a thoroly satisfactory showing in the trials match. Of 32 previous internationals, each country had won 15 matches, while two were drawn.

BURNLEY LEADS FIRST DIVISION

By Long Margin, With Birmingham and Crystal Palace Close for Second and Third.

London, Jan. 16.—(By Canadian Associated Press.)—The temporary abatement of the cup tie fever permitted a full league program to be played out. The scoring was generally low and over one-third of the results were draws. In the other cases home wins formed a good proportion, the notable exceptions being Everton's victory over Aston and Birmingham's over Stockport. In each case the winners scored all their goals in the second half, after having been behind at the interval.

Oldham, who failed badly in the first round of the cup against Brighton, drew on Saturday against the clever Bolton team, and another draw was that of Bradford and Huddersfield, who meet January 29th in the second round of the cup.

One of the keenest battles was between the two leaders of the second division, and the draw in this match was according to the merits of the teams as indicated in the season's record.

London had two exceptionally interesting matches, each of which brought together over 40,000 spectators. Chelsea, who have had two hard undecided fights with Reading in the first round of the cup, and have yet another ahead of them on Monday, rather unexpectedly defeated Manchester City, two to one, while the local rivalry between Tottenham and Arsenal saw the former win by a like margain.

Burnley have a strong lead in the first division, and Saturday's play gave Birmingham and Crystal Palace a slight advantage at the top of the second and third divisions, respectively.
