Claim to a One-Third Interest in a Rich Mining Property Near Saw Bill Lake.

The Chancellor disposed of two or three cases at the non-jury sittings. The last one, Morrison v. Hammond, was not concluded. The plaintiff seeks to have it declared that he is entitled to a one-third interest in a very rich mining claim near Saw Bill Lake.

Mr. Fulford Arnoldi's many friends will be glad to know that they will have the opportunity, until Sept. 1 next, of showing their appreciation of his urbanity in the conduct of examinations in the past, as the statute relieving him of the duties of special examiner does not come into force till the date named.

DOCTOR AND CONSTABLE JAILED.

Serious Charge Preferred by Inspector Archabold Against a Physician and a Toronto Policeman.

Dr. Walter Hamilton, 211 Bathurst street, and Police Constable Bustard, 55 Denison-avenue, are in jail, charged with procuring an abortion. Staff Inspector Archabold is the prosecutor. The woman in the case is Mary McNally, the 17-year-old daughter of Michael McNally, 230 Niagara-street. She claims that Bustard got her into trouble and that Dr. Hamilton performed an operation on her last July. This was not successful, and another was performed in November.

Bustard is a married man with three children, and has been on the force for nine years. He is studying medicine and is in his second year.

In Police Court yesterday they declined to plead, and were remanded until this morning.

MURDERED AND BURNED.

Edward Reynolds and His Family Perished in the Ruins of Their Home.

Pascoag, R. I., April 14.—The community about this place was greatly startled early this morning when news was received of what is believed to be a tragedy at Oakland, a small farming village a few miles from here, where, at about 3 o'clock this morning, the farm buildings occupied by Edward Reynolds and family were burned, and in the ruins of which at least two bodies are thought to be buried. Evidences which lead to the supposition that the fire was the result of arson after murder had been committed were also discovered, and Mrs. Reynolds' body, mutilated and blood-stained, was taken from her bed by those who discovered the fire and were the first to enter the house. They found copious blood stains, and what is believed to be traces of kerosene about the bedroom. They were prevented from making a thorough search of the premises by the heat and smoke. A 20-year-old daughter of Reynolds, Reynolds himself and Martin Morey, who boarded with the family, are missing. The buildings were totally destroyed, entailing a loss of about $2000. At an early hour this morning the ruins had not cooled sufficiently to permit a search among them for the missing persons, but this will be begun as soon as possible.

Later.—Martin Mowry, the boarder who was missing from the scene of the Reynolds tragedy, was found hiding in a barn near Harrisville this forenoon, and was at once placed under arrest on suspicion of having been involved in the affair.

It was several hours before those who were at the scene could continue their search. At daylight a body was seen lying near the centre of the ruins, and as soon as possible it was removed. It was that of Sylvina Reynolds, the 20-year-old daughter of the family. A short time later Reynolds' body was also recovered.

COL. HAY SAILS.

The New U. S. Ambassador to the Court of St. James Starts for His Post in London.

New York, April 14.—Col. John Hay, United States Ambassador to the Court of St. James, sailed for England to-day on the American Line steamship St. Paul. Col. Hay was accompanied by his wife and eldest daughter. His other three children will remain in this country, for the present at least.

Col. Hay said that he would go to London at once and assume the duties of his new post as soon as possible. He refused to discuss diplomatic matters on the ground that it would be indelicate. A large number of his friends went to the pier to see him off. The departing diplomat was the recipient of many floral pieces, which completely filled his suite of rooms.

Ex-Representative Perry Belmont was also among the passengers. He is going abroad for a stay of several months. Almost his last words were that under no circumstances would he be a candidate for Mayor of Greater New York.

INSULTING THE WOMEN.

Cuban Ladies Subjected to Indignity and Thrown Into Prison by the Spaniards.

New York, April 14.—Specials from Havana say that 16 Cuban women from the town of San Francisco de Paul, in Havana Province, have been thrust into the house of detention for disreputable women in Havana. They all belong to families of the highest respectability. On their way to the prison they were insulted by the soldiers, and one of them, Aurora Velgs, who attempted to protest, was knocked down by a blow with a knife.

In Guanabacoa, women of prominent Cuban families have also been arrested on the charge of being abettors of the insurgents.

The police enter houses after midnight and arrest the women without giving them time even to dress. The town is terrorized again, as in the days when Col. Fondeviela was its mayor.

MORTGAGER AND MORTGAGOR.

A Case of Interest Before Magistrate Ross at Barrie Yesterday.

Barrie, April 14.—(Special.)—An interesting case on the criminal code between mortgagee and mortgagor was heard before Magistrate Ross here this afternoon. One Frith, of the Township of Tiny, was charged by the Canada Permanent L. and S. Company with selling two frame houses and a sawmill and machinery which were on lands mortgaged by Frith to the company, and assisting the purchasers in removing the structures to other desirable situations for the abode of man. The complainants claim that this constitutes theft within the meaning of the code. The accused elected to be tried by a jury, and after evidence was submitted in proof of the charge he was committed for trial at the June County Court sessions. Mr. F. B. Beaumont of Toronto appeared for the complainants and Mr. Hewson, Q. C., of Barrie looked after the interests of the accused.

The annual meeting of the W.F.M.S. of the Presbyterian Church will be held in Hamilton next week, opening on Tuesday. Delegates will be present from all parts of Ontario. Mrs. Ewart of Toronto is president.

Professor Robinson of Knox College left yesterday for Germany, where he will take the summer university course in Oriental studies. Mrs. Robinson accompanies him and will visit her parents in Cairo, Egypt. They will return to Toronto in September.

Nothing More Worthy.

"Among other things suffering from financial depression, is the most deserving cause of the aged and infirm ministers," said Rev. William Burns yesterday.

Present appearances indicate that the committee will be under the necessity of diminishing the annuities payable on May 1. A simple and kindly way to obviate this unpleasant result would be for some of our generous Presbyterian friends to direct some of their benevolence into the hands of Secretary Burns, who will be happy to acknowledge contributions in that direction.

Their Mission to Chicago.

Rev. Principal Caven, D.D., of Knox College, and Rev. Dr. Warden, agent of the Presbyterian Church in Canada, left yesterday by the 4 p.m. train for Chicago to attend the annual fall meeting of the American Commission of the Presbyterian Alliance.

Dr. Caven is president of the commission, which includes the leading ministers and laymen of all the Presbyterian Churches on the continent of America.

The meeting begins this morning, and in the evening a banquet will be tendered the delegates.

Catholic Mutual Benefit Association.

There ensued after some discussion as to the best manner of spending a day for the annual recreation of the members and their friends, the meeting adjourned.

West of the District of Columbia, Consul of the United States at Pictou, Nova Scotia.

The Wheel "Skidded."

Thomas Chartlers, St. James'-avenue, was riding a bicycle down Parliament-street yesterday morning. The wheel "skidded" on the slippery track, and threw the rider in front of a north-bound car. The motorman stopped his car in time to prevent serious results, but Chartlers had his wrist injured and his face cut.

McIntyre & Wardwell (John J. Dixon) send the following despatch to their branch office in Toronto:

The heavy pressure on Chicago Gas this afternoon affected the whole list. The decline in Gas was on legislative developments at Springfield, Ill. Bell & Co. were very heavy sellers of Gas, and sold all around the room. The announcement was out about noon of the refunding plan of New York Central, and appeared to be used for profit, taking, as the stock fell, over a point from the best figure. The decline in Sugar was attributed to liquidation and profit taking. The Coalers yielded easily to pressure. The market closed about the lowest quotation. The anti-trust bills are to be reported favorably at Albany to-day. Only a summary of the New York Central plan has been made public. Foreign exchange is strong at 4.87½. Sales to-day were 229,000 shares.

Receipts at the Northwest amounted to 209 cars, against 263 last week and 349 last year. Minneapolis wires that there are 1000 cars on track at Aberdeen, South Dakota, headed this way, of which two-thirds are wheat. Clearances light, amounting to 67,000 bu. There was a moderate enquiry here for cash wheat, and sales aggregating 100,000 were worked. There were 35 loads of wheat reported for export, besides eight lo
