PLANS FOR THE BIG BASE BALL LEAGUES

New York, Feb. 10.—The American league formally adopted without change, at its meeting today, the schedule of games for 1913, already agreed upon. The National League will meet tomorrow and probably take similar action.

The National Commission also will meet tomorrow, probably before the league meeting.

The American League was one of three baseball organizations which met here today, the other two being the International League and the Eastern Association, until recently known as the Connecticut League.

Beyond the ratification of the schedule, little was done by the American League.

The American League baseball season will open April 10, with the world's champions Boston team crossing bats at home with Philadelphia. Washington, the runners-up to the pennant winner of last year, begins the season in the national capital with Frank Chance's New York team. Cleveland at home the opening day, will have Chicago as an opponent, and St. Louis will meet Detroit on the former's grounds. The schedule calls for 154 games.

President Barrow, of the International League, said the adoption of the schedule for the coming season, was the only business transacted at today's meeting. The full schedule will be made public next Monday.

It calls for 154 games. The season will open April 16, with Rochester playing at Baltimore, Toronto at Newark, Buffalo at Jersey City, and Montreal at Providence. Several trades of players were spoken of during the day but only two were positively made. Henry Gowdy, first baseman and change catcher, goes to Buffalo from the Boston Nationals, and Beals Becker, outfielder of the New York Nationals, has been secured by Cincinnati for the waiver price. It was currently reported that Cy Seymour, who recently bought his release from Los Angeles, will join the Boston Nationals.

Frank Chance, the new manager of the local American League Club, reached here from the Pacific coast, a few minutes after the league meeting ended, and was accorded a hearty greeting by the big gathering of club owners, managers, players and baseball enthusiasts. He looked strong and vigorous and declared he was ready to take up his new duties at once.

One of the first to shake his hand was Manager McGraw, of the New York Nationals, who said: "I congratulate you on getting into a good town." Jake Stahl and Clarke Griffith followed suit. As soon as Chance could catch his breath, he said:

"I am glad to come to New York and doubly glad that I am with the American League. I like Bermuda for a training place and there will be no trading of players until the team gets back from there. I intend playing first base myself, and hope to be in the opening game. I feel in fine shape and my head does not bother me anymore. I am positive I can manage better as a player than from the bench. Chase will play second and I feel confident that his speed will overcome the handicap of his being left handed.

"The change from the hill top to the Polo Grounds suits me."

PLAYERS FIGHT AT FREDERICTON

Fredericton Feb. 10.—U. N. B. and Chatham played hockey at Arctle Rink tonight and Chatham won 5 to 3. It was to have been seven men hockey but Chatham team arrived here a man short and U. N. B. objected to their using Fred McLean of the Fredericton team, therefore it was decided to play six men hockey. There was not anything very much in the way of spectacular hockey in the contest, and it afforded an opportunity to get a line on the U. N. B. team's strength for the inter-collegiate fixtures the end of the week. The second half of the game was marked by lots of scrapping, the players slugging one another with their sticks, and at one time mixing things up at fistcuffs. The U. N. B. team showed considerable improvement with Lockeray at centre while McGibbon in goal played well, and Barry's rushes were a feature. Belliveau, of Moncton, played hard for Chatham, while Titus of Fredericton, with Watling and Squires made up a defence that was stronger than their forward line.

The lineup was:

U. N. B.	Chatham
Goal.	
McGibbon	Titus
Point.	
Barry	Watling
Cover.	
Melanson	Synott
Centre.	
Lockarey	Belliveau

HOCKEY SPECIAL CALLED OFF

The hockey fans who were promoting the special train to carry a party to Moncton this afternoon for the purpose of being present at the hockey match there tonight are disappointed. They called at the office last night, and stated that not enough names had been received to warrant them in putting up a deposit with the I. C. R. for a special.

At first they said they were led to believe that they could obtain a special for $1.35 and yesterday they received word from John M. Lyons, the general passenger and traffic agent at Moncton, to the effect that they would have to guarantee the sum of $185 to obtain the train. Up till last evening only 34 persons had sent in their names as willing to go on a special, and the committee decided that they were forced to call the affair off.

Those desiring to go to Moncton now will be obliged to go up on the regular train and pay the full fare, and it will necessitate their losing a half a day from business, as well as being obliged to stay up all night so that they can get back to the city in time for business on the following morning.

BLACK'S ROLL-OFF.

There was 20 bowlers in the weekly roll-off which finished on Black's alleys last night, and B. Ferguson, with a score of 114, was the winner. The prize was a silver butter knife and a sugar ladle.

VICTORIA WEEKLY ROLLOFF

The weekly rolloff at the Victoria alleys was won by Geo. Slocum with 96 points. The prize was a pipe.
