SEVERAL OVERDUE ACCOUNTS still remain unpaid—to those who have not already been sued, I would say that forbearance will cease to be a virtue about the end of this month.

A FINE STEER.—Last week Mr. Willard Hicks shipped to G. P. Henry, Halifax, a very fine steer. It was 2 years and 2 months old and weighed 1390 lbs.

IN THE divorce court, at Fredericton, last Saturday afternoon, Judge Fraser gave judgment in the cases of Botsford v. Botsford, of Moncton, and Allen v. Allen, of Cape Tormentine. In each case a decree was made annulling the marriage contract.

—The Amherst Military Band under the auspices of the Y. M. C. A. intend giving a grand promenade concert on the Athletic grounds, Amherst to-morrow, Friday evening. Lacrosse matches and other sports will take place. Refreshments served during evening.

BAD ROADS.—Several complaints have been made at the manner in which the road work has been finished in various places about town. On Bridge St. near the residence of Geo. E. Ford, the sods were piled up in the centre of the road and no attempt was made to level them. This will keep that part of the highway bad for the rest of the season.

PROVINCIAL APPOINTMENTS.—The following provincial appointments have been gazetted: In the County of Westmorland.—George W. Chandler, Geo. M. Cook, Edward Read, John M. McGowan, and Joseph H. Avard to be Justices of the Peace. Hanse W. Masters to be a Vendor of Law Stamps in place of Alexander Robb, deceased. George W. Chandler to be a Coroner.

STRAWBERRY FESTIVAL.—There was a ring of cheerful voices in the Baptist Vestry of this place on Thursday evening last. The neat and airy rooms presented a most attractive appearance, with their well furnished tables and tempting array of delicacies. Though small at first, the crowd ultimately became so large as to completely fill the place. Strawberries, cake, ice-cream and other luxuries rapidly disappeared before the invading host, and the insatiable multitude clamored for more of the cooling nectar long after the icebergs had melted away. The entertainment proved to be a great success. The ladies who prepared the repast deserve much credit for their zeal and energy in making the necessary arrangements. The proceeds amounted to very nearly a hundred dollars.

PUGILISTIC—Those who were around Crane's Corner about ten o'clock on Saturday night would have seen a rare exhibition of the pugilistic art. Two young men of the town, who for some time have borne a healthy and mutual grudge decided to settle the matter on John L. Sullivan principles. The arena in front of the Drug Store was selected on account of its being both soft in case of fall and in proximity to soothing balms and lotions of the Druggist in case of bruises and contusion. The program was well carried out. For a time the Marquis of Queensbury rules were observed but as the battle waged every thing was in order, scratching, biting and clawing, and finally one of the contestants got one finger in his opponent's mouth and another in his eye with the result that there was a deadlock, for a time soon and soon after the fight ended. It is rumored that another meeting has been arranged for.

RELIEF FUND FOR SUFFERERS IN ST. JOHNS, NEWFOUNDLAND.—The undersigned having been appointed a committe to act in the interests of the above fund, would respectfully intimate to the charitably disposed in other parishes in which organized movements of relief have not been instituted, that any contributions sent to care of Dr. Sangster will be duly accounted for, and credited to locality from which received. They take the liberty also of suggesting to the public generally that in addition to subscriptions in money or goods, donations of such articles as wearing apparel, blankets, sheets etc., even if partly used will be very acceptable. Such packages should be addressed to care of Dr. Sangster.

RESOLUTION OF CONDOLENCE.—At the regular meeting of Crystal Council No. 480, Royal Arcanum, held on the evening of Monday, July 18th, the following resolutions were unanimously carried.

WHEREAS by the sad accident of the first instant, our beloved Bro. Corey M. Hoar has been suddenly removed from his family and friends under circumstances of a very melancholy character, therefore

RESOLVED that this community has lost a good citizen who attended faithfully to the duties of his occupation, and that of him it may truly be said he died at his post.

FURTHER RESOLVED that the charter of Crystal Council be draped in mourning for a period of three months out of respect for our late brother and

FURTHER RESOLVED that this Council would take this opportunity of expressing to the widow and children of our late Brother, our sincere and heartfelt sympathy for them in this their great sorrow and would commend them to the care of Him who has promised to be the God of the widow and fatherless, and further

RESOLVED that a copy of these resolutions be forwarded to the widow under seal of the Council and that a copy be published in the CHIGNECTO POST.

Signed in behalf of Council.

PERSONAL.—Mr. I. W. Binney, Collector of Customs, and Mr. A. H. Beddome, of the Bank of Montreal, Moncton, were in Sackville on Sunday. They have been enjoying a driving excursion through different parts of the county.

—Samuel Thorne Esq., father of Dr. B. S. Thorne spent a few days in town last week.

—Mr. A. F. Attwood, of the Portland Packing Co., passed through Sackville for Portland, Me., on Tuesday night.

SCOTT ACT—Three cases of infringment of the Scott Act against Priestly Estabrooks, Center Village, came up yesterday and was adjourned until today to enable defendant to make defence. Two cases against George Fillmoe came up to-day.

Amherst.

—The picnic at the Experimental Farm at Nappan was a grand success and how could it have been otherwise when under the management of Col. Blair the genial host. I believe that dancing was the order of the day and it is safe to say that the picnickers returned home wishing that such picnics would not be so few and far between.

—Miss Pride has returned from Halifax where she has been visiting friends.

—We regret to hear that Mrs. Tilden is ill again.

—Messrs. Anson and Anderson are at the Terrace and it is rumored that they will take the contract for the completion of the Ship Railway. We hope that such rumors as this are true.

—Miss Shewen of Sackville and Miss Holstead of Moncton were the guests of Mrs. Hanford for a few days last week.

Page, Miss Mary Bent and Miss May Bent, Mrs. Rhodes, Mr. E. D. Rhodes and others.

—The Methodists, Presbyterians, and Episcopalians, have united, and will hold the picnic of the season at Pugwash on Wednesday. Pugwash is the first place for a picnic within the reach of Amherst and we hope that the promoters will have a large crowd and that they will be as well patronized as the Cape Tormentine Picnic.

—Were the gentlemen who placed the the injunction with our Town Clerk relative to the band donation, shamed to give their names.

—Mr. J. M. Townshend and D. W. Douglas left Friday for some of the renowned lakes of Cumberland County to try their luck with the speckled beauties.

—The water pipes have all been laid and now all that remains to be completed is the reservoir; then Amherst will be able to boast of as fine a system of water works as there is in the provinces. They were built under the the supervision of what is called the "Water Commissioners."

FROM OUR REGULAR CORRESPONDENT.

—The heat last week was intense, indeed mercury went up so steadily in the thermometer that it was almost lost to sight, registering 94 in the shade.

—About one hundred persons participated in the delightful drive to the Experimental Farm, Nappan, on Thursday last, and enjoyed a charming repast in one of the spacious barns, which had been most kindly placed at their disposal by Col. Blair, who with his aimable family did all in their power to add to the enjoyment of everyone. Numbers tripped the light fantastic to the music of an orchestra selected from our excellent band. The strangers present were Miss Townshend, Halifax, Miss Clary, Windsor, Miss Shaw, Halifax, Miss Mabel Hillson, Moncton, Miss Hay and Mr. Hickman, Dorchester and Mr. John Pugsley, Ottawa.

—Mrs. and Miss Fullerton are home again from a pleasant visit to St. John and vicinity.

—Rev. D. and Mrs. McGregor and children and Mrs. Robb are rusticating for a week or so, at Amherst Shore.

—Rev. Mr. Gray of Oxford, preached in St. Stephens Presbyterian church on Sunday in absence of the pastor.

—Mr. David Chapman, of Dorchester, spent Sunday in town.

—Miss Curry of Windsor is the guest of Mr. and Mrs. N. Curry, 'Seven Gables.'

—Messrs. T. I. and R. B. Moffatt of the Civil Service, Ottawa, are in town the guests of Mr. Barry D. Bent, Ratchford St.

—Mrs. C. E. Hewson gave a very delightful five o'clock tea on Saturdry, and also on Mondy at their charming residence, "Maple Terrace."

—Mr. Frank Vernon, student at Toronto University, is in town spending his vacation with his aunt, Miss Grace Vernon.

—Mrs. D. W. Douglas, is spending two weeks with her mother, Mrs. Joseph Hickman, Dorchester.

—Mr. and Mrs. Sherman and Mr. Hubbard of Boston, spent a day in town the guests of Mayor, and Mrs. Dunlap.

—The tea meeting at Tidnish on Wednesday last cleared over $150, to swell the fund of the "Church of the Good Shepard."

—Ivy Lodge, No. 35. I. O. O. F. had their annual procession on Friday last preceeded by the Band to the Highlands Cemetary to decorate with flowers the grave of one of their deceased brethren.

—Mrs. Stephen Thorne of St. John is here for the summer with her parents, Capt. and Mrs. Lowerison.

—The Methodist held a Strawberry festival in the basement of their church on Friday evening, netting a nice little sum.

—Mrs. Dimock Cummings of Truro, Mrs. Johnson of London, Ont., and Mrs. Atkins, of Vancouver, B. C. with their children are home for the summer with their parents Mr. and Mrs. John Baker, "Brookside."

—The citizens are responding liberally to the call for aid for the Newfoundland sufferers, both in money and clothing.

—Mr. and Mrs. Davis, who lost their little son by Diphtheria, last week, have gone to Tidnish to recruit. Mr. and Mrs. Nicholson and children have also gone to to the same place.

—Mr. Harry Smith who has spent some time in Cincinatti and Florida is home on a visit.

—The pulpit in the Baptist Church was occupied in the morning by Rev. Mr. Brown of Peticodiac, and in the evening on Sunday by Rev. W. B. Hinson, of Moncton.

Baptist Association.

The annual meeting of the N.B. Eastern Baptist Association was held at Pt. de Bute, commencing on Saturday afternoon last and closing on Tuesday forenoon. A large number of delegates and other friends were present and the sessions throughout were of a more than usually interesting character. From letters received from the churches connected with the Association it was learned that about two hundred have been added by baptism to the membership of the body. This compares very favorably with the returns of previous years.

An interesting educational meeting was held on Saturday evening, addressed by Revs. W. H. Warren, A. Cohoon, W. B. Hinson and Principal De Blois, of St. Martin's Seminary. On Sunday an excellent sermon was preached by Rev. S. W. Keirstead, in the morning; and a missionary meeting, under the auspices of the W. M. A. S., was held in the afternoon. Papers were read by Mrs. W. Estabrook and others, and stirring addresses were given. In the evening a mass missionary meeting was held, at which addresses were given by Revs. W. H. Warren, Principal DeBlois, A. Cohoon, S. H. Cornwell and W. B. Hinson.

The circular Letter, on the subject of "Tithing" was read by its writer, Rev. W. McGregor, and ordered to be printed and distributed among the churches. This was followed by a sketch of the history of Sackville Baptist Church, prepared by Rev. W. H. Warren, and giving an account of of the progress of the church from its establishment in 1763 up to the present time. It will appear in the columns of the *Messenger and Visitor.*

Various reports on missions, education, temperance, Sunday Schools, etc. were read on Monday. Full and lively discussions followed, resulting in very unanimous decisions. There was much freedom of utterance in these discussions, but a spirit of cordiality and brotherly kindness characterized the sessions from the commencement to the close.

Rev. W. B. Hinson preached an able sermon on Monday morning to a fair congregation. The rev. gentleman seemed at his best during the sessions and made some telling addresses on various subjects.

The Secretary of the Baptist Home Missionary Board, Rev. A. Cahoon, also added much to the interest of the meetings by his forceful words in relation to the work which is in progress in the home fields.

The delegates seemed to enjoy their visit to Point de Bute, and a hearty vote of thanks was given to the friends in that locality for their marked kindness in entertaining visitors. On Tuesday morning, after two or three hours of earnest work, the Association adjourned to meet next year at the time and place to be decided upon by a committee appointed for that purpose.

Dorchester.

—The July circuit court was opened yesterday by Mr. Justice Fraser. The grand jury is as follows: Joshua Petitodiac, [illegible] Magee, Stephen Ayer, James Robinson, Tilman T. Landry J. H. Murray, C. A. Doull, A. S. Poirier. The docket, though not particularly large, is of rather an unusual character. It is as follows:

Criminal.

1 Regina vs. Bailey.-Bigamy.
2 Regina vs Lewis.-Indecent assault.
3 Regina vs. Wilber.-Rape and adultery.
4 Regina vs. Sears.-Escape.
5 Regina vs. Cable.-Escape.

Civil.

1 Weldon vs. Hawke.—Libel.-Teed Hewson & Hannington & Chandler.
2 Peters vs. Winter.-Trespass.-Teed Hewson & Hannington, Wells & Welch.
3 Merchants Bank vs. Stephen Ayer.-T. A. Kinnear.
4 D. W. Robb et al vs. Atkinson et al.-Powell & Bennett.
5 J. A. Turner vs. J. A. Leaman.-Teed Hewson & Hannington.
6 McClellan vs. White.-Breach of promise.-W. A. Russell.
7 Blakeney vs. Eastern Assurance Co.-Emmerson & Chandler.

Mr. Pugsley, Solicitor-General appears for the Crown in the criminal cases.

The grand jury found true bills against Bailey, Lewis, Sears and Cable, and against Wilbur on the indictment for adultery but not on the indictment for rape. These cases will be taken up later, as the Solicitor-General is obliged to go North for some days.

Weldon vs. Hawke is on for trial at the time of writting. Messrs. W. W. Wells Q. C. and M. G. Teed for plaintiff, and Hon. H. R. Emmerson for defendant.

—Mr. C. J. Sayre, of Richibucto, is here attending the circuit.

—Mr. C. E. Knapp has returned from a short visit to New York.

—A public meeting was held in the court house on Monday evening, to take steps for the relief of the St. John's sufferers. Committees were appointed to solicit subscriptions of money and clothing, &c., and a large sum was subscribed on the spot by those present. It is believed that the subscriptions will be at least equal to those obtained at the time of the Springhill disaster.

Thanks.

TO THE EDITOR OF THE POST:

SIR:—The members of "Southampton Lodge" wish to thank the friends in Westmorland and members of "Sunbeam" for the kindness and courtesy extended to them, on their recent visit to Fort Cumberland. We are especially grateful those whose teams conveyed us to and from the station. Also to all who in any way added to our enjoyment, a trip which will be remembered as a pleasant episode in our lives.

FOR THE WORLD'S FAIR.

Mr. E. A. Charters, agent for New Brunswick for the World's Fair, to be held in Chicago next year was in town on Tuesday. He is showing considerable activity in working up an exhibit from the province, but is somewhat hindered by the absence of Premier Blair, as it is not known what steps the government will take to have the province represented at the great exposition. In all probability our province will follow the example of the other provincial bodies and prepare a creditable exhibit of our raw products, such as woods and minerals and possibly fish, leaving the manufactured goods and farm produce to private exhibitors. It is not likely that our farmers will avail themselves of the chance to exhibit live stock as the cost of transportation would be too great, but there is no reason why New Brunswick grains and vegetables should not have a place on the shelves. In those lines we have no reason to feel ashamed of our showing. Nova Scotia's exhibit promises to be a noteworthy one. Mr. Gilpin, of the mines office is at work upon a collection of native minerals which will do credit to the province. Fish and fruit will occupy a leading position in the exhibit. P. E Island may show some grain, roots and possibly some of her leading horsemen will show the world what the tight little isle can do in producing horse flesh. The Canadian government pays the expenses of carrying the exhibits to the fair and cost of placing and attendance.

There are economic reasons why we should take advantage of this opportunity to advertise New Brunswick. A vast concourse of people will visit the fair and be attracted by anything we have to show and any knowledge of the province disseminated through such indisputable evidence as an exhibit will be beneficial in many ways. Persons having articles which they think to be worthy of a place at the fair, should communicate with Mr. Charters at Sussex, or Mr. William Saunders, Ottawa.

SAYS OF

M. P. P.

The preparation of Peptonized porter with extract of malt and dandelion which has been presented to the profession for judgment seems to me to be an excellent article for dyspeptics, invalids, or others needing an efficient and pleasant tonic and stimulant. The combination would appear to be the best in the market, and will no doubt become very generally used as its merits become known to the public.

For sale by all Druggists. Beware of imitations.
