Fitting Finale.

The auxiliary of the W. M. S. of Queen's Avenue Methodist Church closed its special work for the summer by a very pleasant garden party held by permission of Dr. Eccles in his beautiful grounds. Considering the state of the weather there was a goodly assemblage, and at the consequent business meeting on Friday afternoon the results of the effort were found to be satisfactory. At this meeting the hearts of the president and the members generally were gladdened by two handsome donations; one from Dr. Eccles and the other $20 from a friend; both handed in by Mrs. Eccles. These crowning gifts were so unexpected and so acceptable that the ladies with one accord rose and sang the doxology as a grateful acknowledgement to Almighty God for another year full of mercies in the missionary work, and for so encouraging a prospect for the future.

IN CAMP AT PORT.

News From Look-Out Point—Y. M. C. A. Boys Enjoying Themselves.

PORT STANLEY, July 8. — One more camper turned up to-day and now our family numbers sixteen. To say that the boys are enjoying themselves is to put it very mildly. They are having a big time. Some of them brought a splendid string of fish in last evening as the result of an hour's sport, and they added a few to it early this morning. Others took a trip on the little Snowstorm, and as it was quite rough on the lake, they suffered accordingly. Of course the complaint was not seasickness. Oh, no; only drowsiness.

One of the boys in showing his ability as a tight-rope walker on a fence lost his balance, and is nursing a sore limb as a result of his efforts.

"Pinkey" is the life of the camp to-day, and excels in his role as a dog catcher and general manager.

The boys carried a spar up the steep bank this afternoon and have it ready for their flag, which they expect every day now. It was a heavy pull, and the strong men acquitted themselves in a very creditable manner.

We enjoyed an ice cream treat this evening. Mr. and Mrs. Geo. M. Reid, Misses Fraser and Pavey and Mr. A. E. Pavey were present and spent a short time in camp.

We are going to have our flag raising a public affair at the suggestions of some of the guests, and speeches will be in order. Look out for an account of it.

And now the week is closing upon a pretty tired-out lot of campers. To-morrow will be enjoyed because of the rest it will bring. SCRIBUS.

THE TRIGGER.

CANADIAN MILITARY RIFLE LEAGUE.

The Seventh Battalion rifle team shot the third match of the series on Saturday afternoon. The outlook early in the day was very unfavorable. A gale of wind and threatening clouds, making a changing light, seemed to foretell a disastrous break in the fine record made by the team in these matches. The conditions were that the match must be shot, rain or shine, but the shooting might begin at any time after 12 o'clock noon. After consultation the captain wisely decided to postpone the commencement as long as possible, and still leave time to finish before it got too dark to see clearly. It was nearly 5 o'clock before the first shot was fired, and by this time the conditions had very much improved. While waiting, the team had the pleasure of entertaining that excellent rifle shot and prince of good fellows, Major Delamere, of the Queen's Own, Toronto, who was on a visit to friends in the city. It is a satisfaction to members of the Seventh team that their best score, considering the atmospheric conditions, was made in the presence of a disinterested spectator, who was so well qualified to judge of the perfect fairness with which the regulations were carried out. The system of team "coaching" adopted has had a very beneficial effect, and with average conditions on the 22nd inst., the day on which the fourth and last match is to be shot, the Seventh Batallion team should be sure winners.

Third match, 7 shots at 200, 400 and 500 yards—Highest possible score, 35 at each range; total, 105 points.

EMPEROR WILLIAM'S YACHT.

LONDON, July 10.—The yacht Meteor, belonging to the German Emperor, arrived at Portsmouth to-day. She will take part in the English races shortly to be sailed off the Isle of Wight. MR. LAURIER AND THE SCHOOL QUESTION.

(Toronto Globe.)

The Liberal convention was a great success, but it has not yet achieved its destined result of making Mr. Laurier Premier of Canada.

It seems necessary to make this reminder for the benefit of those who are loudly calling for Mr. Laurier to settle the Manitoba school question.

If the Conservative Ministers want the Liberal leader to assume this along with the other responsibilities of office the constitutional procedure of resignation is open to them at any time.
