AGILE'S TENNESSEE DERBY AT 1 TO 4 AND ROMPED HOME

Five Lengths Ahead of John Smulski and Jack Lory—Race Worth $10,535.

Memphis, April 3.—Captain S. S. Brown's handsome bay colt Agile, ridden by Jack Martin, to-day romped home an easy winner in the Tennessee Derby, defeating John Smulski, the Ellison candidate and Jack Lory representing the stable of John W. Schorr, by five lengths. The race was run over a muddy course. The start was a good one and Agile soon showed his superiority by assuming the lead at will. Down the back stretch Agile went steadily and, turning for home, was two lengths ahead. Martin held Agile in gentle restraint in the flight to the wire and won in good fashion. The finish for second place was spirited between John Smulski and Jack Lory, the former getting the place by a length. To-day's Derby was probably the richest stake offered in the south, the gross value being $10,535, of which $8800 went to the winner. Summary:

For Big Handicaps.

New York, April 3.—Ideal spring weather has worked wonders in fitting the thoroughbreds for the big stakes and handicaps. The courses are in fine shape, almost equal to midsummer. At Sheepshead Bay last season's favorites are progressing in their work. The Keene pair, Delhi and Sysonby, continue to attract attention.

The pair have been sent as far as half a mile at nearly top speed. It is a treat to see these horses at work, as both are as quick as a flash in getting into motion.

Sydney Paget's Tradition is moving in fine form. There is not as large a three-year-old filly in training in the east. Her stable companion, Ormonde's Right, promises by his going to be a fair handicap horse this year. Africander is doing well, and it looks as if he may be able to face the flag again before being retired for the season of 1906. The famous little son of Star Ruby may win some good races in his favorite going in the mud.

Hamburg Belle, too, is going like great guns, and Beldame, a rival scarcely ever looked so well. J. A. Drake's Ort Wells galloped a mile a few days ago in a little more than 1.50. King Eric's great son looks as if he may be as good this year as ever.

In the same stable the Futurity winner, Savable, is being put in active training again, and it is Wishard's opinion that the horse will run well.

Beldame is the particular star that brings scores to the Gravesend track. Beldame is in fine shape, and yesterday she was let out a tuck as she was sent three-quarters of a mile, which she covered in a fraction less than 1.18. She had 130 pounds up, and it seemed as if it was only a feather as she galloped from end to end.

Heno is himself again and working well at the Gravesend race track. He is under Billy Hueston's care, and he thinks he will be as good as ever. Major Daingerfield is going better than he did this time last year. The contingent that John E. Madden sent from Hamburg Farms is in good shape. Pulsus and Sizlight seem to be at their best. Trainer Billy Walker is very sweet on the former. Dandelion, which is in the bunch, did not do well during the winter.

Fort Erie Jockey Club.

The annual meeting of the Fort Erie Jockey Club was held at the club's office in Welland on Saturday. The financial statement presented by the treasurer was very satisfactory, despite the fact that the club suffered considerable loss hru fire.

New stables capable of accommodating 500 horses have been erected since the fire, and the meet, which opens July 18, will not be affected in any way by the fire, excepting that the accommodations will be much improved.

The following directors were appointed for the ensuing year: James Crooks, Hamilton; John Hood, Buffalo; A. Claude Macdonell, M.P., Toronto; Joseph Battle, Thorold, and W. M. German, M.P., Welland.

At a subsequent meeting of the directors the following officers were elected: President, John Hood; vice-president, James Crooks; secretary-treasurer, W. M. German, M.P.

Royal Canadian Yacht Club.

The annual meeting of the R. C. Y. C. will be held at the King Edward Hotel on Saturday, April 22, at 8 p.m. The financial statement to be presented will prove a gratifying one to the officers and members, as it shows the club to be in a sound shape, notwithstanding the loss by fire of the island clubhouse. The present membership of 1010 is the largest in the history of the club, and makes it one of the largest in the world. The new clubhouse is nearing completion, and all indications point to one of the most successful years the club has ever enjoyed. Nominations for officers must be in the hands of Secretary Porter by Saturday, April 15.

Did It Ever Strike You

that you might have a great deal more filing space in the same size of cabinet you are using? Perhaps you never figured it could be got. It's a fact, nevertheless, that "Macey" four-drawer upright vertical Filing Cabinets have 14% more available filing accommodation than any other make—a feature that makes them cheaper, based on the same price as others—but they don't cost as much, and, taking capacity and cost into consideration, you save 50% by buying a "Macey."

We have some discontinued lines of Filing Cabinets that we are offering at less than cost prices. Become interested and save some money.

ROSY REPORT OF THE DONS READY FOR ROWING SEASON

Officers Elected at Annual Meeting—Mack, President; Hedley, Captain.

The annual meeting of the Don Rowing Club was held in the boathouse last night, President O'Neill in the chair. The treasurer's report was an exhaustive document, and after meeting the large yearly expenditure and cost of improvements there was a balance on the right side. The secretary also reported a successful season.

It was unanimously decided to elect Leonard Marsh a life member.

The captain reported that five new boats had been added to the club's list last year—an eight, four, double and three lap sreak singles. The clubhouse was enlarged at a cost of $900, and will be further improved this summer.

A letter of condolence will be sent to the family of the late Thomas F. and Nicholas Delaney, the brothers, who were life-long members of the Dons, and who were cut off by death the past winter.

Sincere regrets were expressed at the determination of Mr. O'Neill not to again stand for the presidency. He explained that, having remained at the head of the club so long, it was time to give a younger man a chance, and he felt sure that no mistake could be made in electing Mr. Mack his successor. Among those present were: Ed. Mack, John O'Neill, James Lowe, Jas. Delaney, A. Delaney, A. C. MacIver, James Hadley, Alf. Reynolds, Len Marsh, Frank Delaney, C. J. Levy, T. Halliburton, John Young, F. Collett, H. Marsh, H. Jacobs, A. Tibbitt, C. Gloster, J. McCord, Leo Smith, Ed. Shea, M. Rhalley, H. Godin, J. Ward, James Hewitt, George Sharpley, H. Taylor, Syd. Halliburton, W. O'Connor, F. R. Begy, George Wood, W. Crawford, A. Tibbitt, W. Leslie, N. Laug, M. Green, W. McCarthy, Alex. Boyd, Fr. Delaney.

The election of officers resulted as follows: President, Ed. Mack (accl.); first vice-president, James Delaney (accl.); second vice-president, Alex. Boyd (accl.); captain, James Hedley; financial secretary, Will J. Wibby (accl.); recording secretary, Alex. C. MacIver (accl.), 653 East Queen-street; executive committee, John O'Neill, John Shea, Andy Delaney, Alfred Reynolds, James Lowe, J. McCord, Cornelius Gloster, Thomas Halliburton.

The amusement committee will hold the final at home of the winter season in Dingman's Hall to-morrow (Wednesday) evening, at 8.30 o'clock.

Walmer Road Young Men's Club.

There will be no meeting of the Walmer-road Baptist Young Men's Mutual Improvement Club Thursday night next. A general meeting of the club will be held Thursday night April 13, in their beautiful, newly-furnished clubroom.

All branches of the club are expected to be present including the debating club, baseball club, hockey club and harrier club. From prospects things point to the most successful season in the history of this promising young club. Last season the Walmer-road team won the Baptist Association shield for all-around athletic work, and with prospects so bright will again win the shield this year, when it will become the club's personal property.

The baseball club has done remarkably well, considering the strong teams some of the Baptist churches put up, finishing in second place for two seasons, and, with the able support of its officers and members, will have no trouble in winning this year.

The debating club has also grown considerably under the able leadership of Arthur Farmer, whose untiring efforts have kept him and the debaters busy having many and interesting debates on live topics of the day.

The Young Men's Bible-class is also growing, and now, that Christmas is over and they have recovered from the effects of having returned home for a month after a few months' rest, being restored to health, great things are looked for along these lines.

No time will be spared in making this club one of the best, the finest young men's clubs in the city. All young men are welcome.

Hamilton Haarness Gossip.

Hamilton, April 3.—The Hamilton Driving Club will give a three-day harness meet in July. W. A. Collins, formerly of Windsor, has quite a large string in training, and hopes to do as well this year on the Canadian tracks as he did last. His string includes the following:

Jennie Scott, b.m., 5, 2.19¼, by Bryson.

Mary Scott, b.m., 5, 2.19¼, by Bryson.

Harry G., b.g., by Bryson.

Silk Light, b.m., 4, 2.27¼, by Berno.

Charlie B., b.g., 9, by Bryson.

Marjorie Wilkes, b.m., 2,2¼, by Ellen Hudson, b.m., 4, by Jubiletto.

King Billy, b.g., 3, by Arbutescan.

Orange Lily, b.m., 2, by Arbutescan.

The last three are owned by Richard Baird, a rising young horseman.

Billy Hamilton has charge of the following:

Miss Peeler, b.m., 2.18.

Tom Boy, b.m., 6, 2.19¼, by Carlisle.

Hilolo, c.c., by Sivolo.

Rhona, b.m., 5, 2.28, by Gilpatrick.

All but the last named are owned by David Gillies, who, unlike his uncle, Mr. Hendrie, prefers the drivers to the runners. His colt Hilolo is probably the best-bred driver in this part of the country. Its dam is Siva, by Antivolo, a winner of the M. and M. stakes. Mr. Gillies expects big things from little Miss Peeler this season. She showed a half in 1.01¾ last fall.

Havis James has some high-class horses in training that he will campaign on the grand circuit. His string is as follows:

Gallagher, b.g., pacer, 2.03½, sired by Royal Roydeck, dam by Crescens.

Fort Orange, ch.g., sired by Five Points, dam by Albion.

Ida Burs, trotter, b.m., 4, sired by Monbars, 2.11¼, dam by Ottoman.

Joe S., trotter, b.g., sired by Joe Miller, son of Almont Wilkes, dam by Winona Chief.

Deltic, b.m., pacer, 4, sired by Arbutescan, 2.00¼, dam Canadian Girl, by Superior.

Arbutescan, 2.00¼, d.h.c., 2.15¼, and Almont Wilkes, 2.19¾, are in the stud at James' barns at the Delta.

Gossip of the Turf.

Jockey Carter, who rode Duke of Connaught and Pemberton on Cardigan, were suspended by the judges pending investigation of their ride in the steeplechase Saturday at Memphis.

The Los Angeles Jockey Club closed a successful meeting of 111 days' racing at Ascot Park Saturday.

The Seagram horses will reach Toronto some time next week. They will work at the old Newmarket track.

G. W. (Doc) Graydon of London, whose horses are at the Memphis track, telegraphed to James Woonderly, the dead jockey's brother in London, urging him to go at once to the southern city. He went south to bring the body home. Woonderly was born in Woodstock and early in life moved to London. He won the Suburban Handicap on Gold Heels in 1902.

Sporting Notes.

Owen Moran, the English bantam-weight boxer, will leave England next Wednesday on the steamship Majestic, of the White Star Line, for this country. Tom O'Rourke will be his manager while he is in this country.

President, J. Millar, B.A.; vice-president, E. A. Watson, B.A.; secretary-treasurer, S. Vogan; captain, C. B. Ferris.

The meeting was largely attended. Mr. Crawford occupied the chair. There is a great deal of enthusiasm thruout the school about lacrosse, which promises a good team for P. C. I. This Parkdale has good material for a lacrosse team, as was shown by the way they won the Rugby League and finished up well in the athletic meet. EASTERN LEAGUE SCHEDULE.

Magnates Meet To-Day at New York—Toronto Delegates.

President Seitz, Secretary-Treasurer Applegath and Manager Harley will represent Toronto at to-day's schedule meeting of the Eastern Baseball League in New York. The meeting has been delayed on account of the action of the factions in the league, which attempted to oust Powers from the presidency. A letter demanding Powers' resignation, signed by Edward Hanlon, representing Baltimore; George Stallings, Buffalo; M. D. Puder, Newark, and Howard Griffiths, Jersey City, was sent to Powers, but he ignored it.

Recently Griffiths was deposed from representing the Jersey City club at the league meeting. Manager Billy Murray will be the only delegate from the "Skeeters." Puder, since signing the letter, has changed his mind, and wants Powers to remain at the head of the league. Consequently Hanlon and Stallings will be a small minority at to-day's meeting.

Baseball in Bowmanville.

Bowmanville, April 3.—The annual meeting of the senior team was held in the Bennett House on Friday night last, when the following officers were elected:

Amateur Baseball.

The Nationals II. will organize for the coming season to-morrow night in the Central Y. M. C. A. parlors at 8 o'clock. The following players are requested to attend: A. Beamish, S. Faulkner, H. Milligan, S. Herbert, A. Sheridan, C. Bell, D. Dillon, J. O'Leary and L. Mason. There is still room in the league for any other teams wishing to join. A special meeting will be held Thursday evening at the Reliance Club, 58 Strange-street, at 8 o'clock.

The Victorias of Toronto Junction would like to arrange a game with some junior team for Saturday, April 8. Address C. Bennett, Box 271, Toronto Junction.
