HOW WEST YORK CELEBRATED TWELFTH

Orange Association Paid Great Tribute of Respect and Loyalty to the Late Clarke Wallace at Anniversary of the Boyne Victory in the Town of Woodbridge.

No more striking tribute to the memory of the late Clarke Wallace, no more eloquent evidence of the loyalty which fills the breast of every Orangeman, could have been expressed than that of yesterday, when within sight of his final resting place in Christ Church Cemetery, the late Clarke Wallace's brethren of his old Orange County of West York celebrated the 222nd anniversary of the Battle of the Boyne.

Always powerful in numbers and influence, West York's turnout yesterday showed in a striking manner the wonderful growth of the Orange Association. Compared with the good old days when the late Hon. Clarke Wallace championed the cause of Protestantism by occupying the master's chair in the county lodge of West York, the membership has increased ten-fold, while no limits can be placed on its power and influence. The electoral district of West York that elected him with a majority that was the greatest ever given a Canadian public man up to that date was practically identical with the Orange County of West York to-day. When the issue involved is Protestantism, West York votes solid.

Scene in Ward Seven.

Heavily laden trains brought enthusiastic Orangemen and their friends from the north and south yesterday. Woodbridge was the mecca of all West York and his wife, and the crowds from Toronto Junction district and the southern end of the county were unusually large. The majority of the lodges of Toronto Junction district assembled at St. James Hall, at the corner of Pacific-avenue and Dundas-street, and marched in procession to the C.P.R. station to the triumphant accompaniment of the bigpipes.

At the head of the procession was the Carlton Purple Star L.O.L. No. 692, led by pipers, while the Golden Star L.O.L. No. 900, which has a membership exceeding 200, and is considered the largest in the jurisdiction of British America, made an exceptionally brave display. Runnymede L.O.L. was headed by its own fife and drum band, and following it were the Lambton, Humber and New Toronto lodges. The parade was marshalled by Charles Yeatman sr., the county director of ceremonies. At the station the procession was swelled by the Eglinton L.O.L. No. 262, under the superintendence of W. Bro. R. J. Fenwick, W.M.; W. Bro. W. J. Douglas, county master of West York, and R.W. Bro. C. A. B. Jennings, grand director of ceremonies of Ontario West.

East and North York.

East York was headed by Coronation L.O.L. No. 215 of East Toronto, and they were attached to the lodges from Aurora and North York. Fairbank Lodge, under the guidance of W. and Rev. Bro. A. J. Spencer, W.M., and the St. John's Lodge of Earlscourt, with their respective members, also swelled the throng. Veterans like George Syme, sr., of Tory Glen; "Tommy" Thompson, Frank Reeves, and Robert Allen declared that the parade beat all previous records.

When the visitors arrived at Woodbridge they were welcomed by the reception committee, M.W. Bro. T. G. Wallace, M.P.; "Len" Wallace, Clarke Wallace, A. T. Secord, and R. L. McBride. After lunch a procession was formed with the park as its objective. There the crowd listened to speeches by prominent Orangemen, and afterwards witnessed the football matches and other sports.

At Grand Master's Grave.

During the day there was a constant stream of visitors to the grave of the late grand master of the Orange Association. Marked by a monument of plain design with a simple inscription, it simply sets forth to the present and future generations of loyal Orangemen the date of the birth of Nathaniel Clarke Wallace, and states that he died in his native village of Woodbridge. No mention is made—it would be superfluous—of his great achievements as a publicist and a Protestant. Above the inscription are the royal arch symbols of the association; the whole forming a simple yet eloquent reminder of a life well lived.

LEVIED 78 FINES IN YORK COUNTY

Great Many Convictions for Minor Offences by J.P.'s—Engineer Getting Estimates for Hydro at Uxbridge.

The schedule of returns of convictions before the justices of the peace for the County of York, shows that there were 78 cases heard by county J.P.'s during the quarter ending May 31. None of the cases were of a very serious nature, the majority being auto and motor cycle speeding, or autos without lights. Three wer cases of assault, nine disorderly conduct, one drunk and disorderly, one drunk, three case sof trespass, two of keeping a disorderly house, two of cruelty to animals, one of ill-treating a child, and two of breaking jail. The fines levied amounted to $165.

Mr. Caster, one of the engineers of the hydro-electric commission, visited Uxbridge in the early part of the week for the purpose of making an estimate of the amount of power which the town would require if the lines were constructed thru there. The commission has found that it is impossible to obtain correct estimates from municipalities, and hence has adopted the course of sending out its own engineers. The other towns along the proposed line will be visited, and similar estimates prepared.

Richmond Hill.

The annual excursion of the Richmond Hill fire department took place on Wednesday last, when an enthusiastic party proceeded by way of Port Dalhousie and St. Catharines to Niagara Falls. The return was made about 11 p.m., after a most enjoyable day, minus a few hats and a hand bag which the breeze wafted over the cataract.

Wife Missing.

Chief Constable McIntosh has been requested by Mr. Wm. Mould s of 23 Sherwood-ave., to try to locate his wife, who was last seen at Mr. O. Mould's house in Davisville on Tuesday afternoon at 4 o'clock. On enquiry at Aurora, where her daughter resides, the police could gain no information, and her relatives and friends are very anxious as to her welfare. The chief consoling fact is that, unknown to her husband, Mrs. Moulds took with her a supply of clothing as if she contemplated a visit of some duration.

Smith-street Scandal.

Interviewed by a World reporter yesterday, Chief Constable McIntosh of North Toronto stated that the owner of the houses in which the unwelcome Hungarians are living, had given the tenant a month's notice to quit.
