MEXICO GOLF PROGRAM.

Games Begin Jan. 19 With Open Championship—Many Experts.

Mexico City, Mex., Dec. 30.—Most pretentious of all the sporting events which have occurred in Mexico will be the annual golf tournament, to be held next month, beginning Jan. 19, under the auspices of the Mexico Country Club, at the San Pedro links.

Celebrated golfers from both sides of the Atlantic are planning to invade Mexico in force, the list of those coming from Great Britain including James Braid, the holder of the open championship of Great Britain; Alex. Herd, Andrew Kirkaldy, J. H. Taylor, Tom Bardon, Percy Barrett and probably Harry Vardon.

Among the Americans will be Willie Anderson, holder of the open championship; Alex. Smith, Alex. Campbell, George Lowe, Bernard Nicholls, Gilbert Nicholls and Lawrence Auchterlonie, former open champion.

Of the American amateur players who will contest for honors are Walter J. Travis, former amateur champion; A. G. Lockwood of the Allston Golf Club, Mass.; C. B. Corey of Massachusetts; H. R. Johnstone and T. C. Stevenson of Myopia, Mass.; George H. Crocker of the Manchester Country Club, Mass.; Andrew Carnegie, 2nd, Manchester; P. W. Whitemore of Brookline, Mass.; C. W. Noyes, E. E. Robb and George Merrill of Bellevue, Mass.; P. R. Bretto of Melrose, Mass.; W. E. Livermore of Reading, Mass.; Ralph Cracknell of the Oakley Country Club, Mass.; George Wright of Wollaston, Mass.; Beals C. Wright of Brookline, Mass.; Jos A. Campbell of Wollaston, Mass.; C. L. Becker of Woodland, Mass.; A. Hume of Melrose, Mass.; H. H. Harper, of Wollaston, Mass.; John Reid, A. M. Reid and E. B. Ball of St. Andrew's, N.Y.

For the accommodation of the visiting golfers the Mexico Country Club has made arrangements for a special train from New York to Mexico City, and a special car from Chicago, which will be attached to the train at St. Louis. While in the Mexican capital the visitors will be the guests of the Country Club. The success of the first tournament, held last February, induced the Mexico Country Club to extend the scope of the contest, and the letters of acceptance of invitations indicate that henceforth the annual tournament here will become in the future the great winter golf event.

The condensed program of the tournament is as follows:

Jan. 19—Open championship of Mexico, 72 holes medal play, first round of 36 holes.

Jan. 20—Team match for amateurs, teams of four players, not necessarily members of the same club, 36 holes, bogey competition.

Jan. 24—Amateur and professional, 36 holes, medal play, Scotch foursome.

Jan. 24 and until finished—Amateur championship of Mexico, qualifying round, 36 holes, medal play; subsequent rounds 18 holes, match play; final round 36 holes.

Jan. 27 and 28—International team championship, America v. Great Britain, 36 holes, match play, score to be counted by total holes. The four Americans and four British players having the best scores in the open championship match shall be the competitors.

Amusements aside from golf will be provided for the guests of the Country Club, and the visitors will have an opportunity of witnessing such Mexican sports as bull fighting, cock fighting and pelota. There will be a series of bull fights, in which will participate the most celebrated matadors of the profession, including Frascuelo, Montes, Bombita and Cocherito, who are now in Mexico. Pelota will be played at night in the Fronton National, the contesting pelotaris being selected from the large number of Spanish leaders of the game.

Carroll Anxious to Box Ryan Again.

Frank Carroll arrived home from Trenton on Saturday very much disgusted over the result of his battle there Thursday with Billy Ryan. He states that the Syracuse lad was on the floor senseless in the second round, until seconds dragged him to his corner. The referee allowed the bout to continue, and Carroll was forced to go on again or lose his end of the purse. He says, instead of a defeat, the decision should have been given him, and he is only too anxious to re-match with Ryan, but will insist on having something to say about the appointment of the referee. It was left and right jolts to the jaw that did the trick in the first part of the second round. Carroll shows no traces of the bout, except a slightly discolored optic.

Beat Orbicular and Czaraphine in City Park Feature Event.

City Park, New Orleans, Dec. 30.—The City Park Jockey Club people are resting on their oars to-day. The attorneys representing the club appealed in court this morning in the case brought against them by H. D. Brown, who has applied for a receivership, but were not prepared to argue the case, and at their request a postponement of one week was had. It is now understood that the Jockey Club will say that the City Park course was built for its stockholders, and there never has been any desire on the part of the members to lease it to any outside parties.

The track was in very good condition, considering the recent rains, and a big crowd turned out. Twenty books were in line, and they seemed to be busy enough to justify their presence, making book on the really good seven events.

Crescent City Summaries.

New Orleans, Dec. 30.—It was natural that this should be a banner day for the Crescent City Jockey Club. With such a stake as the Speed Handicap down for decision, and the added attraction of excellent racing weather, the people turned out in force. Bob May started off the day by a wonderful race at long odds. He got off last, but ran thru the bunch quickly and got up in the final jump. It was the most exciting race of the day.

Vanness led in the Speed Handicap all the way, but fell back in the run home, and just lasted long enough to get third. In the stretch his crowded Lady Vashti, and the foul was allowed. New Running Track.

The Central Y.M.C.A. gymnasium men, who are ever in the front in athletics and gymnastics, have just added a new indoor running track to their outfit. This track is banked 18 inches on the corners, padded and covered with canvas, so that a runner is running naturally and easily, as on a straightaway.

The distance is 26 laps to the mile, and as soon as the track can be properly surveyed by an engineer, the boys expect to make some indoor records—better than anything that has been made in Canada.

During the season they have a long program of athletic and gymnastic events, in which they will compete for medals and the championship of the association. The track is the best of its kind in Canada, and makes Central gymnasium one of the finest and most complete to be found any place on Canadian soil.

Gossip of the Turf.

Friends of horse racing will congratulate President Hendrie of the O.J.C. on Saturday's appeal court decision, which means that betting at Woodbine is a constitutional transaction.

Jockey Nicol was reprimanded by the stewards Saturday at City Park for rough riding. The patrol judges have made reports against some of the other lads.

The latest reports from Jockey Bonnie'll, who fell off Mescal, are that he sustained a slight fracture of the skull. The injury, while not at all dangerous, will keep "Bonnie" out of the saddle for a few weeks.

George Wheelock and party left New York on Saturday for California, where the former chairman of the Mets will try to beat the game as a player.

The Willie Shields had been racing his stable only three weeks at New Orleans, up to last Saturday he had in that period won $3675, and was fourth on the list of winning owners at the Fair Grounds. S. C. Hildreth, W. S. Price and Mrs. M. Goldblatt preceded him on the list. At City Park, P. M. Civill was the leading winning owner, with $3630 to his credit, followed by Pat Dunne, with $2475, and by H. McCarren, jr., with $2200.

When the receivership proceedings of Harry D. Brown against the New Orleans and City Park Jockey Club's track came up in the circuit court at New Orleans on Saturday, Brown, thru his counsel, made a proposition to the defendants to take over the property, guaranteeing to pay the stockholders 10 per cent. dividend from the time of making the contract. Counsel for the defendants said the basis for this offer would be shown when the argument was heard. The defence was not ready and the case went over until next Saturday.

BASKETBALL GAMES TO-DAY.

Buffalo Centrals Play at the West End Y. M. C. A.

To-night at the West End Y.M.C.A. the Buffalo Central team will be in the city to meet the West End Y.M.C.A. for an exhibition basketball game, which promises to be a very fast and good game to see. The West End boys are expecting to win, tho they understand that they are up against a very good team, and one that will play a good quality of ball.

The Buffalo boys have the reputation for clean, fast combination work, and that is what the audience like.

The big game will begin at 9 o'clock, or very shortly after that hour.

A change has been necessary in the intermediate game, as the All Saints' team found it impossible to get their men together for the game, and in their stead the Business Men's team of the West End will play the Harriers' team of the same association. These teams are as evenly matched as two teams can be, as the Harriers won from the Business Men in a league match a while ago by one point. This game will be an exhibition match. Much rivalry exists between these teams, and the friends of each and both expect to win. The St. Stephens and the West Juniors will begin play at 8 o'clock in a City League match.

The West End Y.M.C.A. rooms will be open all day for all members, friends and visitors. There will be something of interest all day long. The line-up for the contest to-night will be: Rickle and Montgomery, forwards; Downard, centre; Leachman and Vogan, defence. For the Harriers—Hirons Skene, Boulton, White, Holdsworth and Chapman will play. For the Business Men—Watson, Johnstone, Bulmer, INewton, Parks and Price will line up. For the West End Juniors—Sharpe, Wright, McMurtrie, Tait, Baillie and Fegral will be on hand. For the St. Stephens—The three Mackey brothers, Day and Owens will be the team.

Royals Pay Early Calls.

Shortly after 12 o'clock this morning the members of the Royal Canadian Bicycle Club might have been seen issuing forth from their club headed by James Sedwick, determined to be first to make New Year calls on their friends.

It is an old custom of the club to pay their calls at this early hour on their presidents and officers to wish the compliments of the season to these men, who have striven to make this organization what it is to-day, one of the leading clubs of the city. The officers are generally up in anticipation of the visit, but in some cases they have to be aroused, much pleasure to them.

New Zealand 4, Swansea 3.

London, Dec. 30.—The New Zealand football team finished their tour to-day by defeating Swansea by 4 to 3. This was the visitors 32nd game. The total number of points was: New Zealand 840, United Kingdom 39.

DUFFERIN PARK HOLIDAY CARD ENTRIES MONDAY AND TUESDAY

Many Harness Horses of Good Class Nominated For Club Purses.

The Dufferin Driving Club have a great card for their races on New Year's Day, all the races being well filled.

The free-for-all race will bring together the best lot of horses that ever scored down for the word on any race track in Canada. There are eight pacers with records from 2.19¼ to 2.07¼, and one trotter with a record of 2.09½, and if Nat Ray's trotter can take these pacers into camp we will have to put him down as a good one, as it is a rare case to find a driver that will start a trotter against a pacer these times, as they score away so much faster than a trotter that they break his heart the first part of the journey.

LOOKING OVER DYMENT'S HORSES KINLEYDALE GOOD FOR BEST BET

Tongorder, Fort Hunter and Courtmartial, the Plate Candidate, are Especially Fit.

Barrie, Dec. 29.—(Special.)—At this season of the year the Barrie people are usually entertained with hockey matches, bonspiels at the curling rinks or the trotting horsemen showing you their fast horses step on the Allendale-road. The weather god has changed all this season and the ice sports are banished for the present. But Barrie has always something interesting to show horsemen at the Brookdale stables. Thanks to the generosity of the rich lumberman, N. Dyment, the attraction this year is the most expensive thorobred ever brought into Canada, the $11,500 Kinleydale.

Brookdale Farm is one of the most beautifully situated courses in this country. To the north of the barns is a fine cedar grove and a clear brook south of the barns is the mile track. The whole farm slopes to the south and the soil being a light loam makes it a very early track in spring. At the present time it is more like a southern or California horse haven. The boys are working about in their shirt sleeves and the sound of the hook reminds one of April instead of December. Trainer Johnny Dyment is always pleased to see a visitor and spares no pains to make a reporter's visit enjoyable. After presenting your correspondent with a Cartenas cigar, he proceeded to show his stock, and you should see Johnny's smile when he introduces you to Kinleydale, Tongorder and Fort Hunter. No wonder he smiles, for they are certainly three horses that any owner or trainer might well be proud of. Tongorder and Fort Hunter are too well known to your readers to need any remarks. But for the benefit of a knocker or two in Toronto let me say that Tongorder is not yet drawing a bob-tail car thru Barrie, but on the contrary is looking as well now as he did last spring, and is as sound as a dollar.

To the Knockers.

Take a New Year's tip, you knockers; sell your hammers and make "one best bet" with the money, that Tongorder, barring accidents, will next spring repeat his last season's performances at Toronto. He came home from Washington this fall lightening almost 100 lbs. than he did last fall as a 2-year-old, showing the horse was not feeding right.

Fort Hunter never was as stout as now. His year's rest has brought his legs back to form, and he is now going sound and well, and his trainer confidently expects that he will go to the post in the spring fit.

Kinleydale, the new colt purchased in New York, is a bright bay, stands almost 16 hands and weighs 1075 lbs. at present. He is not fleshy, but will no doubt fill out this winter. He is rather a long-bodied colt, and in his present shape is not the equal in appearance of Tongorder or Fort Hunter. But Mr. Dyment was not influenced by beauty when he purchased the colt. The colt's breeding, winnings and past performances were what brought the price. He is not so compactly built as Fort Hunter, nor so smoothly turned as Tongorder, but he has the size, muscle, a splendid set of legs and the will power. In fact, he has rather too much spirit. He is the highest kicker and greatest buck jumper ever seen at Brookdale, and he gives the strongest armed boy at the stables a merry time during exercise hours. Judging by his feelings, he is enjoying this Canadian climate, and from present appearances will be hard nut to crack at Woodbine.

King's Plate Candidate.

Another interesting horse at Mr. Dyment's stable is Court Martial, the candidate for the King's guineas next spring. This colt has developed wonderfully since last spring, and is now one of the finest platers ever seen here. He is a full brother to Flying Bess, and a half-brother to Lady Wonderfully, two of the fastest Canadian-bred sprinters ever raced. Court Martial may be only a sprinter. Johnny's smile wears off when he shows you this colt, and points to where his knee and both ankles have been fired. When this colt was shipped home from Woodbine last spring he was perfectly sound, and when the trainer returned home this fall he found it necessary to fire him on account of the pinheadedness of the man left in charge during the summer. The colt had been overworked. However, the injury done is not enough to daunt a plucky Canadian trainer, and Jack feels confident he will get the colt to the post in the spring, but it will certainly shorten the colt's years of usefulness.

Two new colts by The Commoner, both likely-looking candidates for the 2-year-old stakes, along with Will King, Big Mack, Miss Morgan and Bella Hamburg, make up the stable of Mr. Dyment. Dyment has the most formidable stable he has ever raced, and with so expert a trainer as J. Dyment has proved to be the prospects of the new year for the orange and green looks bright, and no doubt every horseman in Ontario will wish Mr. Dyment a successful year.

May he win his share of the stakes, and thus be encouraged to continue investing some of his surplus capital in horses that are a credit to any Canadian or any other owner!

KENORA BEAT OTTAWA 8-6 FAST GAME AT WINNIPEG

Tho Three Goals Behind and Only 5 Minutes Left, Rats Won by Phillip's Great Rushes.

Winnipeg, Dec. 30.—In a hard-fought game of hockey at the Arena Rink to-night between the Kenora and Ottawa teams, the former won out by a score of 8 to 6. At half-time the score stood even, three all, and during the first half both teams played good hockey, with little to be said in favor of either team. In the second half Ottawa had it all their own way till within five minutes of time, when the score was 6 to 5 in favor of Ottawa. Phillips of Kenora made rush after rush, bringing the score up to the final. The game all thru was terribly fast, both teams being fagged out at the call of time. Attendance 5000.

Crescents Won at Montreal.

Montreal, Dec. 30.—The Crescent A.C.'s hockey team of Brooklyn to-night defeated the crack Montreal Hockey Club by a score of 2 to 1. The home team scored one goal in the first period, but snowed poor form, while the visitors opened the second half with aggressive spirited play. Montreal's only tally was made after 20 minutes' play in the first half. The Crescents scored two goals in the second half.

International League Notes.

Calumet, Mich., Dec. 30.—Portage Lake has forged ahead in the pennant race in the International Hockey League. It is the only club that has not sustained a defeat since the opening of the season. Pittsburg is a close second, having been defeated only once. The Portage Lake team at the present time seems to be the most likely candidate for the first honors in the league race this winter. The club averages 20 pounds to a man heavier than last year. Forrester and Lake, on the wings, and Hall and Stuart in the centre positions, are playing a wonderful game, the forward line being the fastest in the league. Holden is putting up a fine game at cover, but Forrest, the point man, is weak.

It is likely Hall, the Portage Lake rover, will be debarred from the league. Action is expected to be taken at the next meeting of the executive committee. It is alleged he used indecent language in the last game between Calumet and the Houghton team and conducted himself in an ungentlemanly manner. During the second half a police officer appeared on the ice and took Hall from the game. Affidavits will be presented to the league officials and charges made against the player. It is said Hall had similar trouble while in Winnipeg and was ruled out of the game there.

"Reddy" McMillan, the star forward player of the Sault Ste. Marie (Mich.) club, had his collar bone fractured in a game on the home ice and will not be able to play for a few weeks. McMillan's place at centre will be filled in the meantime by McDonald.

Manager G. A. Boyd of the Sault Ste. Marie (Ont.) club has been in the eastern part of Canada for several days looking up men to strengthen his team. The Canadian Soo is not in the same class as Portage Lake or the American Soo clubs and has yet to win its first game. It is understood Charlie Collins will join the team.

Roy Brown, who was captain of the Canadian Soo bunch last season, will rejoin the team. It is likely that he will play cover point. E. Larose of Woodstock, Ont., formerly with the Cornwall team, has signed with the Canadian Soos and will report at once.

Manager Thompson of the Calumet club has taken energetic measures to strengthen the line-up. Kenneth Mallen, rover, has resigned from the team and it will be a difficult matter to secure another man as good. Mallen played with the Montreal Wanderers two years ago and came to Calumet last winter.

After the Puck.

Lou Wright, who turned out with the Marlboros the early part of last winter, is playing goal for the Montagnards in the Federal League. In the game against Smith's Falls, last Wednesday evening, Wright was the star of the evening, playing a phenomenal game between the flags for the Frenchmen. Wright is a comer, having the style, the eyes and the nerve of an old hand.

The Argonauts are sending a senior team to Midland to play their first O.H.A. game this evening. The following is the probable line-up: Goal, Nasmith; point, Reiffenstein; rover, Bloom Murphy; forwards, McGaw, Thoms, Tamblyn, Smith, F. C. Waghorne will go up to referee the game. The men leave at 9 o'clock this morning for the north.

The St. George's senior team will leave at 1.45 this afternoon for Barrie, where they are to play this evening. Manager Bentley, of the intermediate team received word from Collingwood that there was no ice to be had, and the trip north has therefore been canceled.

The St. Georges will register the following players with Secretary W. A. Hewitt of the O.H.A. to-day: W. E.
