THE TORONTOS AT THE TOP

No Game at Rochester and Providence Gave Newark a Beating.

The Toronto Senior League had a strong attraction for its opening game in the Crescent-Cadet game. Very few people believed that the Cadets had strengthened sufficiently to give the champion Crescents a beating. It was a great game, and the East Enders promise to be in the running this season. The game on Saturday proved to be one of the finest ever seen in the city to be one of the finest seen in the city for a long time, and there promises to be many a hard fight at Old U.C.C. this season. Two hard games will be played next Saturday, and it will be difficult to pick the winners.

The Cadets will have a practice game tonight on the Don Flats at 6.30. All players are requested to turn out, weather permitting.

The Rosebery Clippers of the Northern Juvenile League would like to sign a few good players and a pitcher. Address F. Carpenter, 94 Bellevue-avenue.

The City Amateur League's opening games at the Toronto Baseball grounds on Saturday gave the lovers of amateur baseball a pleasant surprise. Very few thought that the four teams could play so fast ball, and not many, even friends of the league, dared hope that they were so evenly matched. The games on Saturday will be: St. Mary's v. Marlboros, at 2, and Wellingtons v. Queen Citys, at 4.

The manager of the Young Riverside team is requested to call and see Eddie Foley, manager Ferndale Club, 372 East Queen-street, on Thursday, May 8, at 8 o'clock, to arrange a game for July 1 afternoon. The Ferndales belong to the B.O.C. League, and they only play on the morning of July 1 in the league schedule. The Riversides are overconfident, and have been ever since the Ferndals first organized, of defeating the latter.

League will hold a special meeting in the Central Y.M.C.A. to-night at 8 o'clock, and the following teams are requested to be present: Gore Vales, Lakeviews II., Coronations II., Marlboros III., Poplars, Don Victors, Royal Oaks, Withrows, and any other teams wishing to join.

Members of the North Torontos are requested to attend practice early on Friday evening, as there will be a meeting to pick the team for Saturday's match with the Luxfer-Prism team, as well as to transact other important business.

Glory of the American Jock.

Berlin, May 6.—Herr Bleichroder, the Rosebery of the German turf, has discharged every German who has had anything to do with his racing stables, and from trainer to stable boys he has replaced them with Americans, among whom are several colored men. Herr Bleichroder told his turf acquaintances that he was convinced that Americans knew how to get the best out of racing horses, and that he intended to employ men of no other nationality in his stable. Herr Bleichroeder is a prominent banker.

Only two American jockeys are continuously engaged on the German turf. These are Eddie Ross, who is retained by Herr Bleichroeder, and Nate Hill, who is retained by Herr Weinberg of Frankfort. Ross and Hill have started out the season so successfully, however, that no matter what kind of a horse they ride the horse is immediately marked up as a favorite.

For the Ladies, Too.

Ladies' tailor-made suits can be made to look like new when properly pressed. Fountain, "My Valet," has added the attention of ladies' suits to his work. He presses, cleans and repairs. Men tailors do the work. Postal or phone him at 30 Adelaide West. 367

Cricket Slips.

A match will be played at Deer Park today between Trinity University C.C. and Upper Canada College; wickets pitched at 10.30 a.m.

The Upper Canada Cricket Club play the Trinity College team this afternoon on the grounds of the former.

The new Rosedale professional cricketer, J. T. Noble, arrived yesterday from England by way of Montreal, and will immediately begin work with the members at Rosedale.

King's Plate Tips.

It has now simmered down to four horses, and parties that have reliable information talked it all over at seven Richmond-street east late last night, and if Mr. Beamish and his ten barbers are not in a position to know the right ones, who is? We have all the leading horsemen as our patrons, and the jockeys find our large bath rooms one of the best places in the city.

Intermediate Football League.

The Executive of the Toronto Intermediate Football League met last night at the Central Y.M.C.A. parlors, with F. C. Wagborne in the chair. The game of the Scots against All Saints was ordered to be played over again, as the latter played a non-signed candidate. The Scots-Broadview game of last Saturday will be played over at an early date.

It was decided that the secretary, Mr. Levack, should forward the entrance fee to the W.F.A., and the winners of the league will play off with the W.F.A. winners. A game won will count 2 points, a draw 1, the championship to be decided by the most points. All referees will be protected, and rough play will be eliminated. The following members were present, Toronto Street Railway team and Scots, Toronto Street Railway team and Success not being represented: R G McLean, Mr Curry; M Hunter, Scots; Granger, Toronto; Summerhayes, Broadviews; Mr Phillips, Toronto Carpet Co.

Central Business College Football.

At a meeting held by the Central Business College Football Club the following officers were elected: Hon. president, Mr W H Shaw; president, R F Sprott; vice-president, A McConnell; secretary-treasurer, E W Quinn. A committee was also elected to pick a team from the many players which there are to choose from. The club has some material to choose from which are by no means juniors at the game. Such men as Sullivan, from Spruce Mines, the well-known football man, who has played with some very fast company; also Davis of King, son of the Hon. E. J. Davis, who has shown great signs of developing into a marvel at checking. The club holds out a challenge to any of the local teams.

Sporting Notes.

The wrestling match for the junior championship of Hamilton last night, between Billy Tobin and Norman Newport, was won by the former. Tobin got the first fall in 22 minutes and the second in 36. The preliminary, between Mat Destaplo and Fred Davis, was won by Davis in two straight falls. Duncan McMillan, the San Francisco wrestler, who is to meet Parr here on Friday night, was referee.

Joe Bean has been sold to New York by Rochester for $1500. He made two of the three hits Monday when New York beat out Philadelphia 1 to 0.

Gratz Hanley, one of the best known turfmen in the west, died at Louisville Monday suddenly of apoplexy. He was entry clerk at the Louisville Jockey Club's spring meeting, and lived in Newport, Ky., where he was formerly secretary of the Queen City Jockey Club.

Recent advices from Australia state that Peter Felix, the colored heavyweight champion of that country, is contemplating a trip to this country for the express purpose of challenging the winner of the big fight. He is an enormous black, built like the late Peter Jackson, but patterned on slightly heavier lines.

LAST RUN OF THE SEASON

25 Hunt Club Members Started at The Pines and Half a Dozen Finished at Forest Hill.

THREE CHEERS FOR THE MASTER

A Three Hours' Outing Over Picturesque Country, With the Pack in Fine Fettle.

It is never cheerful at any time to record the last day of any season, and neither is it any more delightful to record the last run of the Toronto hounds for the spring of 1902. It would seem, however, as if the run of yesterday afternoon was doomed to be the last for this spring, as the seeding is so well advanced for many miles around Toronto that the farmers, good-natured as they are, cannot see their way to having their crops run over by half a hundred horsemen any longer. Then, again, the heat is beginning to show itself, the temperature on Monday last having reached 70 degrees and more.

Yesterday was an ideal day for hunting, and the scent just as keen as possible. The master called the meet for 3 o'clock at The Pines, and the country covered was so clothed in verdure as to make the scenery particularly picturesque. The timber, too, that had to be negotiated by the horses, well, it had "no flies on it," and, tho there were no empty saddles, yet the fences got many a hard tap. The hounds seemed to work faster than ever before, as if with the knowledge that they would from now on have a good three or four months' rest. It was beautiful to see "the hounds work," with their noses close to the ground, trying to pick up the scent, and, once they got it, the foremost let the typical yelp and off they made in full cry, with the huntsman, whip, master and members on the gallop. Yesterday's run was a test, and, tho 25 members put in an appearance at the meet, only half a dozen finished, and those only on hunters that were well seasoned, at Forest Hill, about 6 o'clock.

Mr. G. W. Beardmore is an ideal master of hounds, and the members took the opportunity yesterday of expressing to him their appreciation of his courtesy this spring by calling upon Dr. Young at the finish to say a few words to this effect. The doctor did so in exceedingly appropriate language, and assured the master that his efforts to make the Hunt Club a success were appreciated by every one who had the privilege of hunting this spring, and that with him (Mr. Beardmore) as master the Hunt Club could not be otherwise than one of the most enthusiastic organizations in America. Dr. Young then called for three hearty cheers and a tiger for the master, which were heartily given. Mr. Beardmore expressed his thanks to the members for their manifestation of good-will, and said that he would at all times use every effort to make the club what it should be—the best in Canada.

Among the members who finished the run of 20 miles yesterday were: Mr. G. W. Beardmore, Dr. Rudolph, Dr. W. A. Young, Dr. D. K. Smith, Dr. G. A. Peters, Mr. Proctor, Mr. R. J. Lovell, Mr. Phelan, Lieut. Sandy Smith, Dr. Charles Temple, Mr. Colin Harbottle, Mr. Stewart Houston, Mr. Walter Moorehouse and Mr. Davis.

Work at the Woodbine.

At the Woodbine yesterday the aspirants for the coveted King's Plate were at the post early, and some excellent time was made. In spite of the brisk east wind, the track was fast, and the Platers trudged along at a merry clip.

The Hendrie string were out bright and early, and Trainer Ed. Whyte galloped his Platers over the track in good time. Maple Sugar and Butter Scotch, who especially distinguished themselves, turned the mile in 1.48¾.

Revelstoke and Barrie, Mr. Dyment's Platers, Henry of Navarre and Amahaga ran a mile in 1.53, with Revelstoke to the front at the home. Easy Street, Kaslo, Bellecourt and La Gazelle turned the mile in 1.50.

Trainer Wallace galloped Picktime and St. Rosanna one mile and a furlong in 2.04¾.

Trainer Wise sent Fernie and Dr. Smith's candidate one turn of the course in 1.52, and Oriole galloped one-half mile in 53 seconds, while Arquebus and Burnap were exercised, and Kittlecourt and Flaneur ¾ of a mile in 1.26¾.

Lady Essex, the Plater by Peytonia—Maud Lytle, owned by Hank Chappell of Sandwich, arrived at the track yesterday.

Cardigan, in charge of his trainer, Charlie Gates, came over from Little York yesterday, and breezed a quarter in 25 seconds, while Mr. Cook's Marston Moor worked with the 2-year-old Unda, speeding by the quarter in :27, three furlongs :40, half :53¼, five furlongs 1.06¾, six furlongs 1.20¾, seven furlongs 1.34 and the mile 1.48. Maple Sugar delighted the spectators by this creditable performance, and seemed to travel swiftly all the way, pulling up at one mile and a furlong in 2.04 and the Plate distance in 2.21.

Ironside, Scotland Yet and Lyddite, Mr. Hendrie's 3-year-old Platers, galloped a mile in 1.50, an excellent performance. The run was as follows: Furlong :13, quarter :26¼, three furlongs :40, half :53½, five furlongs 1.07¾, six furlongs 1.22, seven furlongs 1.36 3-5, mile 1.50 pulling, one mile and an eighth in 2.05¾.

Gold Car, going strong, reeled off seven furlongs in 1.30½, reaching the quarter :25½, half :51, six furlongs 1.18, pulling up at the mile in 1.50.

The Dyment Platers were showed in three sets, including Lady Berkeley, Impressive and Rowanburst. Miss Hanover did not show up well.

Entries close to-morrow for the following races: Woodbine Nursery Stakes, Coronation Stakes, Hopeful Stakes (fillies), Juvenile Purse, Tyro Purse Handicap, Woodstock Plate, Fashion Purse (fillies), Toronto Cup, Waterloo Handicap, Dominion Handicap, Minto Handicap, Ontario Purse, Liverpool Cup, Aberdeen Purse, Street Railway Steeplechase, Woodbine Steeplechase, The Prince of Wales' Steeplechase, Royal Canadian Steeplechase, Hunters' Flat Race Handicap.

The King's Plate declarations are also due on May 8.

George Mattocks has sold his timber-topper Bromo to John Beamish, who will enter him in the jumping races at Woodbine. Mr. Mattocks will continue to train Bromo along with Happy Hermit, that will not start at this meeting.

Buffalo Racing Association.

Buffalo, May 6.—News reached Buffalo yesterday from Albany that, closely following on the permission granted by the State Racing Commission to incorporate the Buffalo Racing Association for the Racing and Breeding and Improving of the Breed of Horses, it has filed articles of incorporation at the state capitol. Thus is another step taken in the progress of the establishment of a modern racing plant for Buffalo.

The incorporators are named as follows: Millard A. Denslow of Chicago, Charles C. Hutchinson of Chicago, Joseph Swigert of Frankfort, Ky., Charles F. Dunbar of Buffalo, Charles A. Wentzorne of Buffalo, Henry C. Jewett of Buffalo, Edward C. Roth of Buffalo.

The association is incorporated with a capital of $275,000 to conduct running and steeplechase race meets.

HAVE YOU RHEUMATISM?

Doctors Say That Every Human Ache is Rheumatic. The Seat of Rheumatism is in the Kidneys. Keep the Kidneys Healthy and Rheumatism Will Disappear.

YOUR KIDNEYS ARE DISEASED!

A TRIAL BOTTLE OF THE WORLD'S GREATEST KIDNEY CURE SENT ABSOLUTELY FREE TO EVERY READER OF THE WORLD WHO SUFFERS FROM KIDNEY, LIVER, BLADDER OR BLOOD DISEASE.

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Has Developed Into Bladder Trouble, Rheumatism, Diabetes or Bright's Disease, Which Will Prove Fatal If Not Doctored Promptly.

Pains in the small of the back, painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, pains in the back of the head and neck, rheumatic pains all over the body tell you your kidneys are diseased and are not able to do their work properly. If you have any of these symptoms great care should be taken to stop the progress of the disease and prevent it becoming chronic and pregnating the entire system.

IF IN DOUBT MAKE THIS TEST

Put some urine in a glass; after it stands 24 hours if you find a reddish brick-dust sediment in it, or particles floating in the urine, or the urine is milky or cloudy, you will know your kidneys are in a diseased condition and are unable to perform their work, the result will be the bladder and urinary organs will become inflamed, uric acid will poison the blood, the stomach will become affected and unable to digest the food, the system will become weak and the result will be a break-down of the general health, with Bright's disease or diabetes, which will prove fatal if not treated with promptness and great care. Warner's Safe Cure will purify and strengthen the kidneys and enable them to do their work, it will cure rheumatism, rheumatic gout, diabetes, Bright's disease, uric acid poison, inflammation of the bladder and urinary organs, and restore the patient's health and vigor.

A free trial bottle has sometimes been sufficient to cure cases of kidney disease when the simple home test described above has been made in the earlier stages of the disease.

WARNER'S SAFE CURE

The following letter is a sample of thousands of unsolicited letters received from grateful men and women who have been cured by Warner's Safe Cure:

"Eighteen years' experience with Warner's Safe Cure ought to satisfy anyone. About eighteen years ago I was completely cured in four months of diabetes and rheumatism which had a pretty strong hold on me. I had suffered everything. The doctors had almost given me up. My faith in Warner's Safe Cure has grown stronger since that time, as I know a number of the members of the Boston police force who had suffered from kidney, bladder trouble and rheumatism have been entirely cured and are well and robust men to-day; in fact everyone that I have advised to use Warner's Safe Cure has been greatly benefited by it. MOSES C. THOMPSON, Lodge No. 23, K.P., Station 16, Boylston St., Boston, Mass., August 17th, 1901."

Warner's Safe Cure is purely vegetable and contains no harmful drugs; it does not constipate; it is a most valuable and effective tonic; it kills the disease germs; it is a stimulant to digestion and awakens the torpid liver. It Will Cure You.

My Electric Belt has restored health and strength to thousands of nervous, debilitated and pain-worn men and women.

Give me a man broken down from excesses, dissipation, hard work or worry, from any cause which has sapped his vitality. Let him follow my advice for three months and I will make him as vigorous in every respect as any man of his age. I will not promise to make a Hercules of a man who was never intended by nature to be strong and sturdy. Even that man I can make better than he is; but the man who has been strong and lost his strength I can make as good as he ever was. I can give back to any man what he has lost by abuse of the laws of nature.

A man who is nervous, whose brain and body are weak, who sleeps badly, awakes more tired than when he went to bed, who is easily discouraged, inclined to brood over imaginary troubles, who has lost ambition and energy to tackle hard problems, lacks the animal electricity which the Dr. McLaughlin Electric Belt supplies.

The whole force of vitality in your body is dependent upon your animal electricity. When you lose that by draining the system in any manner my Belt will replace it, and will cure you.

Geo. W. Hawley, Dorland, Ont., says:

I have used your Belt for one month and my back and kidneys do not give me any trouble any more. I feel a good deal better otherwise, too. I can only say, as others have said who have been cured, "It has no equal."

Letters like that speak for the good my Belt is doing. My Belt has a wonderful influence upon tired, weak nerves. It braces and invigorates them, and stirs a great force of energy in every man and woman.

Mrs. John Morrison, Kincardine, Ont., writes:

For one year I was a sufferer from rheumatism, and had constantly to use a cane to assist me. After using the Belt I have discarded the cane. I would not part with my Belt now for anything, and highly recommend it.

They come every day from everywhere, I have the gratitude of thousands of people who have been cured by my Electric Belt after the failure of the best physicians in the country. Those are the grateful people who are shouting its praise to-day. The confidence I have in the wonderful curative power of my Belt allows me to offer any man or woman who can offer me reasonable security the use of the Belt at my risk and they can

PAY WHEN CURED

CAUTION—Beware of those concerns offering cheap imitations. The best is none to good when you want a cure. There are cheap worthless articles on the market to-day which do not possess any more Electricity than a piece of string tied around your body. Their only merits (if they possess any) are to burn the body. My Cushion Electrodes are my exclusive invention and cannot be imitated.

BEWARE of concerns offering you Electric Belts free—this is only a trick. Common sense should tell you that no firm are giving high grade goods away.

FREE BOOK Every man who admires the perfection of physical strength should read my beautifuly illustrated book. It tells how strength is lost and how I restore it with my Electric Belt. I will send this book, closely sealed, free upon request if you will send this ad. If you are not the man you should be, write to-day.
