Here is the greatest opportunity ever offered to the readers of this magazine—an offer positively without parallel—an offer which means that you send absolutely no money for this superb historical work—the most stupendous chance in the history of the book publishing business—the publisher has failed, and the books must be sent out at once—the entire edition must go. All printed from large new type, embellished with over 100 double-page maps and plans, 700 full-page illustrations, many of which are in colors, and more than 5,000 pages of solid reading matter, beautifully written—**the Genuine Library of Universal History.**

Only These Few Sets Left

A very small number which can be shipped out on this great offer. But they go free. Yes, free—Positively free—we send you the complete set, every one of the 15 volumes, right to your home for an absolutely free examination. Nothing down—no C. O. D.—no deposit. We even prepay the carrying charges. You simply take the books and look them over, and then if you don't want to keep them you send them back at our expense. We want you to see them anyway. We want to put the books into your hands. The creditors for the failed publishers insist that these books be shipped out to people who may be interested in the most phenomenal book bargain ever offered. This bargain is simply sensational. Just the free coupon brings this handsome De Luxe Edition for your free examination. **We positively guarantee that the books are delivered free into your home without a cent from you.**

Library of Universal History

Remember, this is the **genuine Library of Universal History.** Complete in 15 massive volumes, each [illegible] inches high, 7 inches wide and 2 inches thick. The binding is the very finest quality of genuine [illegible] Buckram, [illegible] De Luxe editions. Every set, every volume, every page, **is guaranteed to be absolutely perfect, and not scratched, marred or damaged in the slightest degree.** The [illegible] matter is printed on the finest grade of heavy book paper, from [illegible] The **Library of Universal History is the one trustworthy—the one reliable history unequivocally endorsed by the leading schools and colleges. It is the very highest—the final authority—the history which is in 250,000 homes.**

The **Universal** is the **Life Story of the Human Race,** from the earliest [illegible] right down to the present day, told in such a vivid, entrancing fashion [illegible] riveted and held more strongly than by the most powerful novel. As a [illegible] narrative, it is as though [illegible] were watching the [illegible] Story, unrolled by magic hands on a screen before your very eyes. [illegible] of the different races, their development of civilization and government. **You live with the pyramid-builders of far-off, mystic Egypt. Cross the Rubicon with Caesar's mighty, never-conquered cohorts,** and fight again with them the battles that have [illegible] nations. All "the glory that was Greece and the grandeur that was Rome" [illegible] before you. **All the nations, all the peoples of the ancient and modern world pass before you in one great, gorgeous pageant.** You can know the great men and [illegible] ages, the colossal world figures of all times, as you know the people [illegible] present day. **Mail the coupon now—today.** All must read some history. [illegible] best? History inspires ambition. It broadens the mind. It [illegible] ness. It prods the mind to heroics of glory. History **must** be read [illegible] decadence. This is the one true, fascinating and [illegible] million readers constantly refer to it and quote it with confidence.

The late Ex-President Cleveland said: "I am sure this History [illegible] an important place among the publications intended to give wider familiarity with historical literature."

Dr. Frank W. Gunsaulus, President of Armour Institute of Technology says: "It is a work of rare genius. Its thought is clear and [illegible] English pure and elegant."

PLEASE NOTE

We send complete set itself—not misleading sample pages. We prepay all shipping charges. Others do not. There is NOTHING FOR YOU TO PAY. You are under no more obligations than if you called at a book-store. You should examine this work before you decide to buy ANY history. The books speak for themselves. We are proud to send them out.
