LAST NOTICE!

WE must be plain to those *patrons* of the Chronicle, who have read for years and paid *nothing*. We would say that, unless an arrangement be made before the 20th day of June next their Accounts will be put, without discrimination, into the hands of an Attorney for Collection. To those who have partially paid, but are yet deep in arrears, we shall require an arrangement, and so much of the balance as can be conveniently liquid ted.—To those of our real friends, who have paid, and intend to pay, after returning them our sincere thanks, we beg to solicit (if convenient) what may be due by them, as in consequence of our having heavy payments to make, we are more than usually pressed for means to meet contingencies.

All persons having Accounts against the former Firm, are again called upon to present them for settlement, as it is absolutely necessary that in future a new system shall be adopted, that of PAYING and being PAID.

MECHANICS' INSTITUTE,

PROVINCIAL MANUFACTURES, & PICTORIAL, HORTICULTURAL AND FLORAL EXHIBITION.

THE Directors of the ST. JOHN MECHANICS' INSTITUTE are making arrangements for the above Exhibition, which will take place at the Hall of the Institute on Wednesday and Thursday, the 10th and 11th September next.

As the object of the Directors is to carry on the intention of the Institute, by affording an opportunity for the development and display of Artistical and Mechanical Provincial Talent, and at the same time, by increasing the funds of the Institute, to enable them to make it more attractive and useful—the Members and friends of the Institute are earnestly requested to aid the undertaking.

This being the first public opportunity our Artists and Mechanics have had of exhibiting their ingenuity and skill in the Fine Arts and Domestic Manufactures, it is earnestly hoped that the scheme will meet with that approval and aid from the great body of the people which its importance deserves, and without which it cannot be successfully carried out.

During the Exhibition there will be a CONCERT of Vocal and Instrumental Music.

With a view to encourage social and friendly feelings among the Members of the Institute, it is proposed to have a PIC NIC to the Belisle on THURSDAY, the 17th July next, for which a suitable Steamer will be engaged.

Contributions of Domestic Manufactures are solicited from all parts of the Province.
