BETTING ON THE FAVORITES FOR THE GREAT ENGLISH RACE.

The McDowall Shooting Tournament—American Association Baseball Yesterday—Hanlan's Arrangement With Hosmer.

LONDON, April 27.—The Two Thousand Guineas stakes for 3-year-olds will be run for at the Newmarket Spring Meeting tomorrow. The latest betting is 6 to 4 against Minting, 5 to 2 against Ormonde, 3 to 1 against Saraband, 14 to 1 against Mephisto, 40 to 1 against St. Mirin, 40 to 1 against Coracle, and 40 to 1 against Grey Friars, Archer will ride Saraband.

The McDowall Shooting Tournament.

The shooting tournament which commenced under Mr. W. McDowall's management at Dan Blea's place, West Toronto Junction, on Good Friday was continued yesterday, the team competition, five men at 15 Canadian blackbirds each, being completed, and the double-rise contest at 8 pair of clay pigeons decided. The scores follow:

NEWMARKET TEAM.		W. M'DOWALL'S TEAM.	
A F Doane	10	W Felstead	13

Having tied at 52 for the five medals which constituted the trophies competed for, T. Louden's and Dan Blea's teams shot off at five birds each man, Jennings being absent from Louden's and Charlton from Dan Blea's team. The result was another tie, each quartet hitting 10. On the third trial the shooting was very indifferent, Tom Louden's four winning with a beggarly total of 8 out of 20, while Dan Blea's only scored 7.

The Sculling Championship of the World.

"Pegasus," in the News of the World of April 17, writes as follows: "Wallace Ross challenged Largan for the Championship Challenge Cup, after the Irishman had beaten Pearce of Australia, and Laycock. Since that time Ross has issued a challenge to row Hanlan for the Cup, and therefore he was justly entitled to first claim to row for it. Matterson declined to ratify his Parramatta challenge to Ross by rowing him on the Thames, and the only chance of a meeting between the pair (if Matterson wins) was in obtaining Ross's consent for a match between Perkins and Matterson for England's championship and the Sportsman Cup. With this concession I have also received formal instructions from Ross to challenge the winner of the match, for £200 a side, and the Cup, according to the usual conditions, and W. Spencer has deposited £25 to bind the match, on behalf of Ross. It is sincerely to be hoped that Perkins will make a good "show" in the forthcoming matches on behalf of the "old country," and having thus materially assisted in the revival of aquatics on the Thames, I shall continue to do my best in order to bring about a meeting between Beach, Hanlan, Ross, Teemer, Matterson, Perkins, Gaudaur, and any other scullers who will enter for the open competion for the sculling championship of the world, and will keep our readers duly posted with the details. A sweepstakes of £100 or £200 each, with £300, £100 or perhaps £500 added by a few patrons of rowing is the idea I have long had in view, and intend to carry out in order to satisfactorily and conclusively decide (on the Thames) the title of champion of the world."

The Trotting Outlook.

From the Springfield Republican.

There is much promise in the trotting season of 1886, and records will probably be lowered on professional and private tracks before the leaves fall again. Interest naturally centres in the promised performance of Maud S., and she to be given one more opportunity to surpass herself before she retires from the turf, but there will be plenty of other flyers to attract attention, among them some horses new to the east. Senator Leland of California will send twelve trotters from his Palo Alta stables, including Hinda Rose, 5-year-old and with a 3-year-old record of 2.19¾, and the stallion Palo Alto, called the best 4-year-old on the Pacific coast, if not in the world; Orrin A Hickok and John A Goldsmith of the same State will have representatives in the circuit, and other fast horses expected are Jay-Eye-See, who has made a mile in 2.10; Clingstone, 2.14; Majolica, 2.15; Phil Thompson, 2.16; Harry Wilkes, 2.15; Edward Thorn, 2.16, and Maxey Cobb, 2.13¾, the fastest time ever made by a stallion. The grand central trotting circuit begins in Pittsburg, July 5, and ends in this city the latter part of August.

Fair Balls.

A game was played between the Grand Opera House nine and a picked nine yesterday afternoon in the Park. At the beginning of the seventh innings the picked nine left the field in disgust, having only secured 6 runs to the Grand Opera's 23. The Opera House nine are open to receive challenges from all local clubs and would like to hear from the Hamilton Opera House employes.

A meeting of the Cooper & Smith Baseball Club was held in Temperance Hall last evening, when the following officers were elected: Mr Jas Cooper, Hon President; Mr John C Smith, Hon Vice-President; John T Parker, President; Jos Donlon, Vice-President; John Stewart, Captain; A Gourley, Secretary and Treasurer; B Donlon, A Taylor, H Currie, W Irland, W Shea, Committee; Chas S Smith and H Cooper, Managers.

Mr. Justice Proudfoot yesterday postponed for a week decision on the interim injunction applied for by that noble and self-sacrificing patron of baseball, Mr. Sleeman, restraining the Hamilton and Toronto clubs from playing with the International League. Mr. Sleeman's lavish distribution of retainers secured Messrs. Lash and Guthrie for him as counsel. Mr. E. F. Malone represented the Toronto Association and Mr. Nesbitt, the Hamilton.

Hanlan and Hosmer.

BOSTON, April 27.—The arrangements for the race for a purse of $1500 between Hanlan and Hosmer were perfected yesterday. The course will be in connection with the celebration of St. John's Day (June 25) at Quebec and will occur at Lake St. Joseph, near that city. Hosmer, who is rowing in fine form, will go to Lake St. Joseph early in June for final practice.

General Notes.

The Governor-General has presented to the Ottawa Rowing Club a beautiful silver cup for competition at the Club races. The Club will make it a challenge cup.

The Buffalo Cricket Club, organized a couple of weeks ago, has already 112 members on its roll. Candidates for membership under 18 years of age are admitted free.

At Minneapolis on Saturday last W. M. Woodside beat H. S. Prince by eight feet in a fifty-mile bicycle race, beating the record by 1 min. 25 2-5 secs. in 2 hrs. 44 mins. 37 secs.

An addition will shortly be erected to the Toronto Yacht Club building, 60 feet long by 32 feet wide, on the east side. The lower part will be used for boat racks and the upper—which is to be open at the side—will be utilized as a promenade.

The protest against the starters in the race of the Toronto Dog Sports Club on Monday for barriers 15 ft. and under, was decided by the referee yesterday, the race being declared off and left to the Race Committee of the Club to fly when it shall be run over.

Fred Archer was in bad luck during the four days of the Craven meeting at Newmarket. Out of 14 mounts he only won twice. Up to April 16 he had 58 mounts, of which he won 15, while C. Wood, with 51 mounts, won 18, and G. Barrett, with 75 mounts, won 14.

The friendly football match between the Royal Military College cadets and a team from the Ottawa Militia on Cartier Square, Ottawa, yesterday afternoon, was won by the cadets by seventeen points to nothing. A shower of rain, which fell just before the match, made the ground very slippery and hard to play upon.

About twelve members of the Toronto Hunt Club met at Cook's Hotel, Lambton, yesterday and enjoyed a brief but rapid run. Mr. Laut on Young Hyson was the first up, closely followed by G. P. Sharpe, Mr. Britton, Mr. and Mrs. Carruthers, Doc. Campbell, A. Louden and the remainder of the field.

The English Jockey Club have put a veto on foreign-bred horses being entered and winning handicaps, as the French filly Plaisanterie did last year with the Cesarewitch and Cambridgeshire, by adopting unanimously a rule that no horse is eligible to be handicapped for any public race unless he shall have been habitually trained in Great Britain or have run there twice during the preceding six months of the racing season.

The betting April 17 on the Epson Derby run May 26 was: 4 to 1 against Ormonde; 11 to 2 against the Bard; 11 to 2 against Minting; 7 to 1 against Saraband; 15 to 1 against Gay Hermit; 100 to 3 against Button Park; 50 to 1 against Helter Skelter; 50 to 1 against Miss Jummy; 50 to 1 against Arcadian; 66 to 1 against Doubloon; 66 to 1 against Braw Lass and 66 to 1 against Grey Friars.

J. W. Curtis of Eau Claire, Wis., fought Jack Collins of Winnipeg, the champion of the Northwest Territory with six-ounce gloves at Eau Claire Saturday night. Curtis again knocked out Collins, this time in the second round. Collins has gone home to Winnipeg. Mayor Grinsell of Eau Claire has issued an order prohibiting all further slugging matches during his administration.

Relative to Teemer's proposal to row Hanlan between June 20 and 25, Hanlan says his present engagements will prevent consideration of such an idea. If Teemer is willing he will row him on Lake Saratoga, or any other water, between July 10 and 31, the ex-champion being ready to postpone his visit to England in order to meet the wishes of the McKeesport man.

Prince Albert Victor's 5-year-old Paddy was beaten by a head for the Tenth Hussars Subalterns' Cup over the Aldershot Steeplechase Course on April 14. He was ridden by Lieut. Kavanagh and started favorite at 6 to 4 against. At the grand military meeting on April 16, over the same course, the Prince of Wales' Irish mare Coquette ran unplaced for the Grand Military Gold Cup, finishing fifth to Capt. Child's Standard, by Sterling.

At a meeting of the McLeod, N.W.T., Cricket Club on Thursday the following officers were chosen: President, Rev. S. Trivett; Vice-Presidents Lord Boyle and Major Cotton; Secretary-Treasurer, C. C. McCaul; Committee, Messrs. Wood, Drayner, Haultain, DeVeber, W. S. Anderton, J. Garnett. A Committee to select a ground was chosen, consisting of Lord Boyle, Dr. DeVeber, Inspector Drayner and Mr. W. S. Anderton.

Various trials of the new French horseshoe, which is made entirely of wood and horn, are said to show its particular adaptedness for horses employed in towns, and known not to have a steady foot on the pavement. The results of the experiments are therefore regarded as very satisfactory, horses thus shod having been driven at a rapid pace on such pavement without slipping. Besides this advantage, the new shoe is spoken of as more durable, and, though a little more expensive than the ordinary kind, seems destined, sooner or later, to replace the iron shoe.

At a meeting of the West End Gun and Dog Sports Club, held Monday evening, the prizes were presented to the successful competitors at the Easter sports. The Committee stated that the fox supposed to have been lost on the day of the sports had really been killed, that the death was witnessed by a farmer who was working in an adjoining field and in close proximity to the barn under which reynard was supposed to have taken refuge, and upon recommendation of the judges the prizes had been awarded as follows: H G Jackson's Finum first, F Habart's Roger second.

Delicious Food, Healthfulness and Economy.

CLEVELAND'S SUPERIOR BAKING POWDER

Manufactured by Cleveland Brothers, Albany, N. Y., is the PUREST, STRONGEST, MOST HEALTHFUL, and will always be found THE MOST RELIABLE AND MOST ECONOMICAL preparation ever produced for making most delicious, light, white, sweet and healthful biscuits, cakes, pastry, puddings, &c., and has met with unprecedented success wherever introduced during the past fifteen years.

The public have a right to know what they are using as food. Anything that so vitally affects the health of the family as the daily bread we eat should be free from any suspicion of taint, and housekeepers should demand that manufacturers plainly state all the ingredients of compounds that are used in the preparation of our daily diet. Do not use baking powders whose manufacturers wholly or partly withhold from the public a knowledge of the ingredients from which they are made. CLEVELAND'S SUPERIOR BAKING POWDER is made only of purest Grape Cream of Tartar, Bicarbonate of Soda, and a little wheat flour, the latter to preserve the strength of the powder. Nothing else whatever is used in its manufacture.

NEW YORK, July 11, 1884.

In analyzing samples of baking powder purchased by myself of a number of grocers in New York City, I find that CLEVELAND'S SUPERIOR BAKING POWDER contains only pure Grape Cream of Tartar, Bicarbonate of Soda, and a small portion of flour.
