DR. HALSET'S FOREST WINE.

THIS is one merits and great works, this Wine is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for Chronic Diseases, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, above all, for diseases arising from impure Blood and habit of the System, eminent members of the Medical Faculty have sanctioned and adopted the use of it.

Dr. I. A. STANLY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which is cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated Dr. M. T. Gustaves, Dr. S. L. Mott, Dr. L. Cheeseman, Dr. Chilton, Dr. William Brown, Dr. Marvin, Dr. J. M. Morous, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1846, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that class under which "nature sinks and life becomes a burthen." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HERKIMER, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been my usual self neither for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty-five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with the Neuralgia, affections of the Spine and Kidneys, and general Debility—She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues.

COHOES, March 6, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

DR. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

COHOES, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Aaron S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Bell, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. I. Brown, of Virginia, who was cured in a few hours' time of a severe attack of Bilious Diarrhœa and extreme prostration of bodily energy. On the arrival of this gentleman in New York in March, he was so weak and nervous, from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartments. The Wine was sent for, and he recovered by the use of less than a bottle of the Wine and a single dose of the Pills.

The Forest Wine and Pills are recommended as an efficient and certain cure in all the following complaints:—

Dyspepsia, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Eruptions, Bilious Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident only to Females, Languishing, Weakness, Night Sweats, Nervous Disorders, General ill Health and impaired state of the Constitution.

PLANTAGENET WATER.

Among the Articles of Canadian Manufacture at the late Industrial Fair, the celebrated Plantagenet Water had a conspicuous place, and its exhibitors were awarded, as we learn, with the only premium given for Mineral Water. We have ourselves tested the merits of this Water, and have no hesitation in pronouncing it a very superior article, possessing all the properties for which it is so highly recommended by the medical gentlemen whose certificates are published in the circular of the Proprietors. The testimony of the medical gentlemen is certainly highly favorable to the alterative and curative properties of this Water, which we say there is no Medicine designed for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

We subjoin a few extracts from the circular referred to:—

"I believe I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage.

"Two members of my family, of feeble and delicate constitutions, have derived decided benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe and repeated attack of Rheumatism; that other was exceedingly debilitated from derangement of the digestive and alimentary organs.

"The administering of the Water is attended with the happiest results in constipation, arising from sedentary habits, and in aged persons.

"In leucorrhœa, showing sickness, and the other complaints to which women are subject under certain circumstances, it acts most promptly and efficaciously, but in those diseases which are peculiar to the sex, and which are so prevalent at this season, as well as where there is over action of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently.

"From an experience of two years, I am well satisfied with the operation of the Water; to weak persons it is quite powerful, and I have found it preferable to any other of the Mineral Waters with which I am acquainted. I look upon it as one of the blessings of this country, which Providence on conferring, Wm. Nelson, M. D., V. R. Col., 2 Pty. & Bat., Canada East."

"Many months experience in the use of the Plantagenet Water in my practice have fully convinced me of its value as a remedial agent, and I have not had reason on any single occasion to regret their use. I find that they seldom disagree with the stomach, and always act on a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities, fully warrants me begining my testimony to its beneficial effects.

SMITH'S EXTERMINATOR
FOR THE ENTIRE EXTIRPATION OF
Rats, Mice, Cockroaches, Beetles, Crickets, Ants, &c,
Without the use of Arsenic or other Mineral Poisons.

The Genuine Article has a Label, similar to the above, pasted on the top of each Box.

The following TESTIMONIALS, from parties of high respectability, will place its efficacy above suspicion:—

With pleasure I assert, that the use of SMITH'S EXTERMINATOR was attended with complete success in destroying Cockroaches, Beetles, and Rats, in and about my premises; which was effected without any inconvenience.

C. F. BAILLARGEON, Ptre.

Quebec, 7th March, 1848.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the annoyance, without success. Having been alert recommended SMITH'S EXTERMINATOR, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience.

BENJAMIN HART.

Montreal, November 29, 1848.

I hereby certify, that by using SMITH'S EXTERMINATOR it has perfectly succeeded in ridding the College Premises of Cockroaches, Crickets, and such like disgusting Insects, which were before very numerous.

Director of Montreal College.

Montreal, April 20, 1848.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my present dwelling over-run with Beetles; the annoyance had defiance to all efforts to abate it, until this preparation was applied. One Box has sufficed to exterminate the Insects almost entirely from the house. Similar cases of success have occurred in my neighborhood.

THIS GALVANIC EMBROCATION is an unparalled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, Tic Douloureux and Gout, in its worst forms, Palsy, Fits, Scalds or Kings Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worms, White Swellings, Diseases of the Skin, Eruptions, Goitre or Thick Neck. It is the most highly recommended in the most inveterate cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mercurial Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific, that the mysterious powers called *Galvanism* or *Magnetism* is in fact the principle of Vitality or Life, and that disease in many of its most severe forms is attributed owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can really supply this wondrous power, when it is thus deficient, we can successfully combat disease and pain. This has been fully and perfectly attained by this most wonderful scientific discovery, of combining Magnetism or Galvanism with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic Fluid in various diseases, and there is scarcely a Medical Journal, either in this country or Europe, which makes its appearance, without some statement of various cases, showing some new effects of these wonderful agents, or corroborating previous experience of their beneficial use. The inventor of the *Galvanic Embrocation* has great pleasure in being able to state, that a majority of the most distinguished Physicians of New York constantly recommend this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and commendation.

ELEGANT AND INVALUABLE
ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Nicholson Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

Mr. WM. BOGLE,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and cleans the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

East Boston, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regular, I am convinced that the growth of the hair would have been more rapid. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot sun of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.

HUNTER HALL'S—HYPERION FLUID.—This is a compound, infinitely superior to any other of the kind, and has the particular merit of being prepared purely from vegetable ingredients, so that its application is perfectly safe. How often do we perceive young persons, from early youth, grey, or affected with baldness, or arising from the deterioration of the skin of the head, caused by severe study, violent grief, and other mental affections. By a little use of the Hyperion, in a short time they will be in their delight, a complete change will have taken place in the colour of the hair, and a rich and luxurious growth of hair, of its original color, will shortly adorn the head, to the astonishment of those who have seen the parties remarkable. The Hyperion should be one of the prime toilet accompaniments to every lady and gentleman's toilet table. Sold by all the Druggists.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine designed for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

"Round him rush the people crying, 'Tell us all, oh tell us true!' Where are they who went to battle, Randolph, Murray, sworn to you! Where are they, our brothers, children? Have they met the English foe? Why are these alone, unfolloved? Is it weal, or is it woe?" Like a corpse the grisly warrior looks from out his helm of steel; But no word he speaks in answer, only with his armed heel Chides his weary steed, and onward up the city streets he rides; Fathers, sisters, mothers, children, shrieking, praying by his side. 'By the God that made thee, Randolph! tell us what misehance hath come;' Then he lifts his riven banner, and the asker's voice is dumb." 130 0 0
