A DISTINGUISHED VISITOR.

The Minister of Education Visits the City Schools

And Compliments Trustees and Teachers — Highly Pleased With the Collegiate Institute, Where He Addresses the Pupils.

Hon. G. W. Ross, M.P.P., Minister of Education, was met at the Tecumseh House yesterday afternoon by a number of members of the Board of Education and a few prominent citizens, and in hacks they proceeded to visit some of the city's educational institutions. Simcoe street school, probably the finest public school in Western Ontario, was the first to be honored with their presence. Hon. G. W. Ross, M.P.P., C. S. Hyman, M.P., C. A. Barnes, P. S. I., East Lambton, Mayor Essery, E. R. Cameron, Inspector Carson, Principal Merchant, J. S. Dewar, chairman of the Board of Education, and Trustees Jeffery, D. W. Blackwell, Craig, Dr. Campbell, R. J. Blackwell, Love, Sanders, McRobert and Alexander formed the party. Guided by Principal R. M. Graham, the visitors filed from room to room through the beautiful structure. Mr. Ross, in addition to admiring the building, congratulated the board and the teaching staff on the conduct and the efficiency of the pupils.

From here they proceeded to Princess avenue school, and the proceedings at Simcoe street school were repeated, Mr. Ross speaking briefly to the classes.

The Collegiate Institute was the next stopping place. After visiting several of the forms all but six classes were crowded into an empty room upstairs, and brief addresses were made by Mr. Ross, Mayor Essery and Mr. Dewar.

Mr. Ross made a happy speech, which was much enjoyed by all, the pupils repeatedly showing their appreciation by applauding the speaker. He congratulated the board both on the fine structure and on the excellent standing of the pupils who tried the last junior and senior leaving examinations. Under Principal Merchant's guiding hand the school had made rapid strides and now was almost the best in the Province. He was pleased to note how carefully the trustees looked after the comfort of the pupils, and that ample accommodation was being provided was evident from the fine addition in course of erection. Mr. Ross urged the pupils to take advantage of the splendid opportunities afforded them of gaining a good education under such thorough masters. If they did not reach the top of the ladder it was their fault and theirs only. He advised them not to work too hard during the last two weeks before their examinations in summer. They should have their work prepared and be able to enter the examination room with clear instead of overworked minds.

After brief addresses by Mayor Essery and Mr. Dewar, Mr. Ross was driven to the G. T. R. station. He returned to Toronto via the 4:25 train.

MANITOBA AND WOMAN'S VOTE.

[March Wives and Daughters.]

The Manitoba Legislature has wrestled, but hardly gallantly, with the bill to give women the same voting powers as men in Parliamentary elections. The bill not being a party measure, each member appealed only to his inner consciousness. "The nays have it," 28 votes to 11. A Mr. Fisher threw his hook and line into the waters of controversy and drew up the usual scaly objections. He had not been able to satisfy himself that all women really wanted to vote; furthermore, many women now entitled to vote for school trustees neglected to do so. What women find most tedious in such logicians is the evidently chronic indisposition to apply the same argumentative yard stick alike to men and to women. Many men, in possession of the franchise, frequently fail to exercise it; do you use that as an argument against the franchise for them? Some men do not even desire the franchise; who considers that a valid argument against the rights of those men who do desire it? As for the argument that women have not as yet manifested their desire strenuously enough, what would the hatted censors have? Do they want women to organize a riot or two, after the manner of unenfranchised Englishmen anterior to the great Reform Bill? Women are persons. Their right to the franchise is as personal as that of men. Though this is so, they desire the franchise for no personal end; but solely in order to take their stand beside the best men and women everywhere in promoting through the ballot measures calculated to benefit society. Consider for a moment the conflict ever waging fiercer and fiercer between the saloon and the home. Instinctively every adherent of the saloon opposes the giving of the ballot into the hands of women. Does any thoughtful person believe the overthrow of the saloon a matter of possibility so long as the greatest force in favor of the home is ostracized from the polling place?

Untold Misery—What a Well-Known Commercial Traveler Suffered, and How He Was Cured.—Gentlemen,—About five years ago I began to be troubled with dyspepsia, and for three years suffered untold misery, from this terrible complaint. I was at that time traveling for Messrs. Walter Woods & Co., Hamilton, and was treated by some of the best physicians in the country, but all to no purpose. I continued to grow worse, one day I was induced to try a bottle of Northrop & Lyman's VEGETABLE DISCOVERY, and to my great surprise and joy, I soon began to improve. I continued using this medicine, and when the third bottle was finished I found I was entirely cured; and as a year has elapsed since then, I feel confident that the cure is complete and permanent. To all afflicted with this distressing complaint I heartily recommend Northrop & Lyman's VEGETABLE DISCOVERY, believing that the persistent use of it will cure any case of dyspepsia. (Signed.) T. S.
