## Notice to Mariners

Point Platte, Miquelon, St. Pierre.

The following information has been received from the Vice-Consul of France, St. John's:—That owing to the bad condition of the Fog Alarm of Point Platte (Miquelon), same are fired there, during foggy or snowy weather, every 20 minutes; but those measures having not proved efficient enough, it is thought better to advise navigators to avoid the Islands during bad weather, until further notice is given.
