Not Cheap Cycles But Cycles Cheap!

There is a vast difference in the two. A "cheap cycle" denotes inferiority in material and manufacture. A "cycle cheap" is one that combines the best workmanship and materials at the lowest possible price. Our Leader Cycles are made to wear, and the be st material and the most skilled workmen have been employed in their construction. There are many "lower priced" wheels, but we know there are none cheaper. Their easy running qualities are due to the perfection of the bearings, which are made from Jessop tool steel, hardened in oil.

Gaston Kept Bisons' Hits Well Scattered—Stars Beat Rochester and Providence Won.

Buffalo, May 30.—An enormous crowd witnessed the Buffalo-Toronto game to-day, the weather being perfect. The game was a pretty and exciting one until the ninth, when Grey became unsteady and gave a couple of bases on balls. This, with some timely hitting and costly errors, gave Toronto the victory. EUREKAS ON TOP.

About 900 people were in attendance at the old U.C.C. grounds Saturday and witnessed two good games. The first, between the Orioles and Queen Citys, was stopped at the end of the fourth innings on account of the umpire giving a decision against the Queen Citys, when the manager called his team off the field and would not continue. The score stood 8 to 5 in favor of the Orioles when stopped. The second game, between the Maple Leafs and Eurekas, was the cause of much excitement, as both teams were tied for first place. It was the Maple Leafs' day off and they played a very ragged game on the field, having no less than 15 errors. The Eurekas hit in ball freely and played a grand game in the field, having only 2 errors. Score:

Though honors were evenly divided, Mills and Chandler showed up well for the victors, as did also Holden for the losers. The score:

THE GAME ON SATURDAY.

Williams had a heart-breaking game to pitch on Saturday before a good crowd at the Island oval, but he stayed on the slab to the close, notwithstanding the cannonade of the Bisonic aggregation. McGann and Lush made very rank errors that kept the visitors on the inside. The redheads and their comrades made 17 hits for a total of 22 bases, including four homers, one triple and three doubles.

Wise's home run in the fourth was the longest hit of the season, the ball being driven away over the right-field fence at the lower end of the grounds. The errors of McGann were directly responsible for the seven runs that were scored by the visitors in the second. After one man was out he dropped a thrown ball and then the trouble commenced as the Buffalos opened up, making three singles, Grey, Gilboy and Greminger being the contributors, then a double and Field's home run came in order and it was all off. THEY DID NOT BOX.

The Sullivan family should carry plenty of accident policies to withstand the calamities that invariably come their way. Sullivan hurt himself when he had a boxing match on with Gans here last winter. Dave Sullivan, a brother of Spike, who was scheduled to meet Burke in Buffalo Saturday night, sprained his leg and the match had to be postponed. And Spike was to have met Frank Garrard before the T.A.C. Saturday night, and he wired from Buffalo on Friday that he fell from his bicycle and hurt his shoulder.

The Chicago party were very much disappointed about the postponement, and some of them are inclined to the belief that Sullivan does not care to meet Jim Hackett for conqueror. They are doing everything to bring off the bout, and W. J. Snyder, Garrard's backer, has $1000 for a side bet on the result. He flashed this Saturday at Sullivan, who came over to show his bruised shoulder, but without result. However, the 130 pounders may be brought together, as a Buffalo club will give them a big purse. If they fail to come to terms, it will not be Garrard's fault. Harry Gilmore's protege dropped into The World office last night and appeared very much disappointed over Sullivan's fluke. He looked to be in the pink of condition and is ready to remain in Toronto a week at least and may be tendered a benefit next Saturday night.

COLLEGE GIRLS PLAY TENNIS.

Miss Clute (Varsity) beat Miss Kerr (Vic.) 7—5, 6—3.

Miss J. Johnston (Varsity) beat Miss Skinner (Vic.) 6—2, 6—4.

Miss Kerr and Miss Skinner (Vic.) beat Miss Clute and Miss Johnston (Varsity) 7—5, 6—3, 6—3.

Hamilton, Ont., May 30.—(Special.)—In the Association Football series for the Victoria challenge cup, St. Matthew's of Hamilton was defeated by Waterdown at Waterdown to-day by 2 goals to 0, and the Hamilton Rangers defeated the Victorias of Burlington by 1 goal to 0. This makes a tie between Waterdown and St. Matthew's, and these two will play off to decide which wins the cup.

SPORTING NOTES.

He is entered for the Jubilee Handicap for professionals at the C.W.A. meet at Chatham. Greatrix is showing better form and speed this season than he ever did before.

GET-AWAY DAY AT WOODBINE

Seven Races Run Off Before a Big Crowd.

ODDS-ON FAVORITES WIN.

Weithoff's Sinaloa Captures Two Seven-Furlongs Races.

Skate Was the Public Choice in the Selling Event, and Was Practically Left at the Post—Disturbance III., a 6 to 1 Shot, Captured the Closing Event of the Meeting.

The Ontario Jockey Club's spring meeting closed most successfully on Saturday afternoon in fine weather, when seven races were run off. It was the third largest crowd of the seven days. The fields were fairly large, not less than three horses being in a race, and only two with four. Mr. Seagram did not start anything, but this did not keep out three odds-on favorites that won in a walk. Still everyone says the racing was first-class, as it was all the week, and the O.J.C. Committee are to be congratulated on the success.

The bookmakers say they are away behind the game, one club, the Heaton, claiming to have lost $3000. The public are certainly not ahead, and certain races bowled over the talent to such an extent that these knowing individuals are also out. Then the givers and takers of odds made up between them the $14,000 for the bookmaking privileges and Messrs Davis & Hasskins' profits of $1700. This all went into the O.J.C.'s strong box with the big haul taken at the gate, and next year owners may look for increased purses and even a better meeting that the splendid one just closed.

The seven races on Saturday went to four favorites, a second choice and two outsiders, the first choices, Mordecai, Skate and Red Top, being beaten in the second, fourth and last races.

Sinaloa, at 4 to 1, surprised everyone by landing two races on the closing day. Each was seven furlongs, and in the second the favorite, however, never had a chance, being 10 lengths behind when the horses went away. Disturbance III., a 6 to 1 shot, captured the seventh event without being headed in the journey, the favorite, Red Top, finishing in second place. My Maryland, the second choice, won the 2-year-old race easily.

Sinaloa won the opening event handily the favorite, Zeal, getting three lengths the best of the start. Weithoff's filly ran second to the stretch, and then went out when ready. W. B. was almost left at the post, and came strong inside the money. Sinaloa and Zeal were both played to win, and Imposition to show.

Mordecai was last to get away in the second race, Dr. Stewart and Laverock leading to the half-mile post. My Maryland went out at the three-quarter and won easily by a length, Laverock two lengths ahead of the favorite, and the outsider beaten off. The Hendrie filly carried the most money. Boanerges shouldered his extra weight with ease, and won the handicap in a gallop. Kapanga colt barely beat out Hurns for the place.

The start in the fourth was the worst of many bad ones during the meeting, the favorite, Skate, and Radiator being 10 lengths behind when the flag fell, with Lady Doleful three lengths in front of the bunch. Sinaloa came easily up the stretch, and won by two lengths, with Lady Doleful a half length ahead of South Africa. Skate carried the dollars of the public and talent to win, while Sinaloa, Doleful, Master Fred and South Africa were all played for the place. Cartwright & Co. cleared $2000 on the upset.

Lion Heart set his own pace and won by any number of lengths. Dom Pedro jumped well and finished an eighth ahead of the Vicar. Brother Bob was a jump ahead of Vicar, when Fell, Moxley remounted, but could not make up the lost ground, although it was a race up the stretch. This was the smallest betting race of the day.

Wicker won the long race handily after running all over the track for half a mile. Disturbance Jr. led for half the journey and beat out Sprinkok by less than a length for the place. Rosebery was played to show and the Hamilton speculators played Melcha, who was of no account.

Disturbance III. was a real good thing for the closing event of the meeting that Red Top was made favorite in, the public's choice being beaten easily, and was only a half length ahead of B. F. Fly, who was also well played both ways.

Bannockburn was given a gallop between the second and third races Saturday, and caused no end of favorable comment. He is a biz, strong-looking fellow, and looks like the unbeaten 2-year-old.

A hundred horses left the Woodbine Saturday and yesterday for Hamilton, all leaving here for the H.J.C. meeting except the stables of W. & A. McGuigan, F. A. Weithoff & Co. and Joseph E. Seagram.

The McGuigan and Weithoff horses go to Windsor, while Mr. Seagram sends most of his string back to Waterloo, Havoc, Tra-
