Athletics Buy Third Baseman

Houston, Texas, Aug. 6.—The sale of Third Baseman McDonald of the Houston, Texas, league club, to the Philadelphia club of the American league, was announced yesterday. McDonald is to join Connie Mack's club on Aug. 20. It is reported that he was sold for $3,000.

Umpire "Doc" Shatter Dead.

Philadelphia, Aug. 6—Simon Cameron Shatter, widely known as an umpire in amateur and professional baseball ranks, died at his home here yesterday, after two weeks' illness of typhoid fever. He had umpired in minor leagues in all parts of the country and was familiarly known as "Doc" Shatter.

Phillies After Kirley.

President Fitzgerald, of the Guelph Club, of the Canadian League, states that the Phillies have just about closed a deal for pitcher Matt Kirley, the most promising twirler seen in that league for years. Kirley is a big, right-hander.

Offers $100,000 to Cobb

A New York despatch says: Ty Cobb, Frank Baker, Eddie Collins, Grover Alexander and Stuffy McInnis—those are the men the Federals are after and they're going to be obtained if money can do it, according to President Jas. A. Gilmore. He said there were also several others, whom he refused to name, but who, it is understood, are now playing with Pittsburg and Detroit.

Baker is the logical man to lead the Federal team into New York, it was reported.

Cobb, it is said, has been offered $100,000 for a three-year contract, with the money in the bank to his credit when he signs a Federal League contract.

This is believed to be the last big move of the Feds in the hope of forcing organized ball to recognize them as a major league organization.

Chicago Players' Long Trip.

Chicago, Aug. 4—The baseball players of the University of Chicago left here today on their way to Japan, where they are to play a series of games with the baseball clubs of Keio, Waseda and Miji universities. This is the second trip taken by the University of Chicago ball players, the first being in 1910. In addition to the games played in Japan the team will play with nines in the Philippines, China and the Hawaiian Islands. The team probably will not return to the United States until December.

TURF

Col. Owens Dead.

Lexington, Ky., Aug. 6—Col. R. Henry Owens, who some years ago was one of the most famous figures on thoroughbred race courses in the country, died here yesterday. He was seventy-three years old. Some of the biggest racing prizes that were contested for fifteen and twenty years ago were won by his horses.

Kalamazoo Grand Circuit

A muddy track caused slow time in the Kalamazoo grand circuit races on Friday afternoon. Colorado Range won the 2.12 trot in two straight heats; best time 2.12¼. The 2.11 trot, for a purse of $2,000, was won by Sadie S., best time 2.11¼. The 2.11 pace was captured by Flaxy B., three out of four heats, best time 2.11 3-4.

RING

News of the Boxers.

Frank Klaus, a Pittsburg middleweight, who is going to try to make a comeback this winter, figures that the eighteen months he has been away from the game has done him good.

No close follower of the game believes that promoters with any experience are going to risk such an amount as is claimed is going to be hung up to bring Gibbons and McFarland together in New York.

Promoter Snowy Baker of Australia is developing schoolboys over fifteen years of age, in case they should be needed for the war.

Joe Bowker, ex-bantam champion of England, has introduced a brother into the game. He is said to be showing wonderful form.

McFarland to Get $17,500

In a ten round bout between Packey McFarland and Mike Gibbons, the principals have accepted the terms offered by the Ocean Athletic Club of Brighton Beach, New York. Gibbons agreed to take $15,000 for his end, without the privilege of a percentage. MacFarland previously had accepted an offer of $17,500.

All records for financing a limited-round battle were broken by the promoters. As the matter stands, the Ocean A. C. stands pledged to pay out $32,500 cash to the principals, and in order to stage the battle additional expenses of $10,000 to $15,000 will be necessary.

The bout will take place at the Brighton Beach Motordrome on the night of Sept. 11. Arrangements for seating 50,000 persons will be provided. The prices will range from $1 to $5.

ATHLETIC

Records Broken at Exposition

At the junior national championships held on Friday at the Panama-Pacific exposition, sensational time was made by the winners, but owing to a strong wind the records were not allowed. In the 220 yard dash, R. E. McBride, of the Denver A.C., finished in twenty-one seconds, beating the former world's record by one-fifth of a second. F. Sloman equalled the world's record for the 440 yard dash, forty-seven seconds.

Ford
THE UNIVERSAL CAR

ANNOUNCEMENT

The following prices f.o.b. Ford, Ont., effective Aug. 2, 1915.

Ford Runabout	$480.00
Ford Touring Car	$530.00
Ford Town Car	$780.00

No speedometer included in this year's equipment, otherwise cars fully equipped.

There can be no assurance given against an advance in these prices at any time. We guarantee, however, that there will be no reduction in these prices prior to Aug. 1, 1916.

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could make and sell at retail 30,000 Ford cars between August 1, 1914 and August 1, 1915 we would share profits with the retail purchasers. We have sold only 18,774 Ford cars in the time specified and, therefore, are unable to share our profits with those who purchased Ford cars between the above dates.

Our plan to profit-share with retail purchasers of Ford cars during 1914-1915 was not successful due to conditions which we could not possibly foresee at the time we made our announcement last August. The war and the consequent unsettled conditions of business seriously affected our sales and increased our manufacturing costs so that during the last year we did not earn a profit not required for the normal expansion of our business both in a manufacturing and service way.

However we still have confidence in our profit-sharing plan, but a realization of the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are, however, positive we cannot reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September and October, 1915.

THE ROYALS HAVE WON THE CUP

Clinch Championship of Fairville League in 7 to 0 Victory Over the Roses

The Fairville league was brought to a close last evening when the Royals defeated the Roses, 7 to 0. The game was a splendid exhibition despite the score and some fine plays were made by members of both teams. For the winners Hansen was on the mound and pitched a good game. He was well supported by his team mates, who both fielded well and hit when hits meant runs. Nobles worked for the Roses and, although he lost, he twirled in his usual good form. The catching of O'Toole and Craft was a feature.

The line-up was:

Royals—Craft, catcher; Hansen, pitcher; Murphy, 1st base; Duke, 2nd base; D. Perry, 3rd base; Gorman, ss.; Sexton, left field; P. Perry, centre field; Reid, right field.

Roses—O'Toole, catcher; Nobles, pitcher; Calnan, 1st base; Ferris, 2nd base; Brown, 3rd base; Cormier, ss.; Riley, left field; O'Toole, centre field; Morris, right field. Umpire J. McKinnon.

The victory clinched the championship for the Royals, their record for the season was won 16, lost 3; percentage .842. The handsome silver cup presented by Hon. J. B. M. Baxter is now the property of the Royals as they have won it two years in succession.

During the summer the fight for championship honors has been keenly contested between the Royals and Portlands and for a time the former led, only to be replaced by their rivals. As time went on they regained the lead and have since held it. They deserve the victory for they fought every game on its merits and took a keen interest throughout the season. The Roses, and Courtneys also deserve credit for, despite the fact that they did not have winning teams, they continued to fight hard and took their defeat in a good sportsmanlike manner.

Special games will be arranged for the coming week, details of which will appear in these columns on Monday.

St. Peter's League

The Maples defeated the Shamrocks in St. Peter's league last evening, 3-0. The game was interesting and was witnessed by a large number of spectators. The batteries were: McKenzie and Moore, for the winners; Elliott and McIntyre for the losers.

South End League

In the South End league last evening the Victorias defeated the Tartars, 4-0. The winners played errorless ball. The box score follows:

THE LID DOWN ON GAMBLING AT SARATOGA

Saratoga, Aug. 6.—Gambling is permitted at the Saratoga race track this year, but in the town proper not a card will be turned and the sporting fraternity, who had been informed that everything was to be wide open this year, are a sore lot.

The gamblers have had the tip for weeks that they could do business this season, and now when the melon is about to be cut comes word "nothing doing." But they mean to defy the law just the same and make an effort to force an open town.

"I believe the race track is a good thing," said District Attorney McKelvey, "but I have come to the conclusion that an open town is not good for Saratoga.

"So that there will be no mistake upon the subject, we desire to advise the public generally and especially those having a tendency to take a chance at the gambling business, that under no circumstances will anything of the kind be permitted, and any person who attempts to open a gambling house, or to take any part in it, or who takes or rents a room for that purpose, will be immediately arrested and prosecuted to the limit, and no favors will be shown. This applies to all and there will be no exceptions made."

MISSING MAN FOUND.

Edward Wilson, of Musquash, who has been missing for the last few days, was taken to the General Public Hospital last night in a weak condition. He had been in the woods near his home for about three days, and last night was found not more than 100 yards from his house. Dr. Baxter of St. John attended the young man after his being found, and had him sent to the hospital here. Wm. Peache, of Boston, who was one time thought to be Wilson, left for his home last night.

Walsh to Run Again.

DALY NOT SENT BACK TO MINORS

Manager Roland of the Chicago White Sox Denies Report—Explains How it Originated

(Boston Globe.)

Thomas Daly of the Chicago White Sox, the pride of Cambridge, has not been released to the Toronto Club of the International League, as a telegram, in response to one sent by the Globe to Manager Rowland or the White Sox, was received this morning to that effect.

Manager Rowland states that he has not released Daly, nor does he expect to ask for waivers on the Cambridge player, as he has use for him as a utility outfielder and catcher. Daly's absence from the game has been due to a bad finger, but Rowland says that he is not thinking of allowing him to go to the minors.

Two years ago Daly became known from coast to coast as a result of his home-run drive, which won the game for the Chicago White Sox on its world's tour against the New York Giants in London in the presence of King George.

Manager Rowland of the White Sox explains the cause for the report being circulated that Thomas Daly had been sent back to the minors. Chicago and the New York Yankees were playing in New York, and just before closing the series there Pete Daley, a Yankee outfielder, was released to the Toronto Club of the International League. Rowland thinks the two players' names became confused, with the result that the report came out that the White Sox Daly had been carded.

Cambridge fans will be pleased to learn that Daly, who a few years ago was winning fame on the athletic teams at the Rindge Technical School, has not been discarded by the White Sox.

Note:—Friends in St. John will be pleased to hear that the report was unfounded.

DENIAL BY MARTIN BOWES

To the Editor of the Times:

Sir:—In reference to a local in your paper on Monday evening stating I was drunk on duty and was discharged, I wish to say that it is absolutely incorrect. I met the sergeant as usual, and he would likely know whether I was fit for duty, staying on my beat until four o'clock a.m. I then came home, going up to appear against my prisoner. After waiting some time for the case to come up, I left the court room and came home. Taking off my uniform I carried it up and gave it in. I knew the specials were to go and it was intimated to me. I might resign, but I thought I would wait and go with the rest. On Saturday I carried up my clothes, as I said before, not seeing Chief Simpson, nor receiving a message of any kind from him. I received his hint to resign earlier in the week.

Trusting you will give the space,

I am, respectfully,

MARTIN BOWES.

Many Children Die From Summer Complaint

When They Could Be Saved By Using

DR. FOWLER'S Extract of Wild Strawberry.

Mrs. Guy R. Rhyns, Middle Clyde, N.S., writes: "Last summer my little boy Ross, then a year old, had summer complaint. He was so bad the waste matter from the bowels looked as if it had come from a broken boil. I live some distance from a doctor, but I sent word to him to come as soon as he could. In the meantime I gave him Dr. Fowler's Extract of Wild Strawberry, and he gradually grew better after the first two doses, and after using all the bottle he was cured. I am the mother of three children, and I could not get them through the long summer months without it."

Thousands of families throughout Canada and the United States have used this sterling remedy during the past 70 years and have always found it a "friend in need."

When you ask for "Dr. Fowler's" see that you get "Dr. Fowler's." Don't accept some no name, no-reputation medicine which some dealer may say is "The same" or "Just as good."
