S. BRICKER & Co. announce special lines for the holiday trade. Consult their advertisement.

WHEN will the skating rink be opened, is one of the questions which agitates the mind of the small boy at present.

MR. GEORGE MCKEEVER has removed his butcher stall one door east of his old stand. His new shop is quite attractive.

Mantles made to order the Golden Lion. Fit guaranteed.—44a.

MR. B. MCELVENEY has removed to Neustadt, where he has secured a position of trust on the G. T., G. B. & L. E. Railway.

MESSRS. HUBER & SUTHERLAND have their new confectionery opened out. They are fitting up their premises in first-class style.

AN assembly, one of the series instituted by the young gentlemen of the town, will be held in the Osborne hall this evening.

SKATING.—Ladies' skating boots just opened out at the Golden Lion. Ask to be shown them.—46a.

STRATFORD is the latest place heard from that wants the Credit Valley Railway. A branch from Drumbo is advocated.

MR. S. MCLEAN, of the Pt. Dover House and Mr. Bond, of Wallace, have returned from their hunting expedition in Muskoka. They captured quite a number of deer.

MR. J. B. DINKEL, editor of the *Volksfreund*, has accepted the position of book keeper for Messrs. Hess Bros. Mr. Dinkel will also continue his editorial duties.

☞For a beautiful pair of Ladies Kid Boots and Slippers or Goat Boots go to the Glasgow House.

THE last *Ontario Gazette* contains notice of the appointment of James Leland Darling, of the town Palmerston, as a Notary Public in and for the Province of Ontario.

LOST.—On Friday evening last, between Hess Bros. factory and the Grand Central Hotel, a bunch of keys. The finder will be suitably rewarded by leaving them at Messrs. Hess Bros. office.

"FATED TO MARRY."—The Toronto News Company have published a neat fifteen cent edition of May Agnes Fleming's entertaining novelette, "Fated to Marry." Copies can be obtained at the newsdealers.

☞For a good suit of Clothes either Ready made or Ordered at prices to astonish you go to the Glasgow House.

WINTER, to all appearances, has arrived. On Saturday night snow fell to the depth of nearly a foot. This with the subsequent frost and the storm of Thursday morning has made tolerable sleighing, and the merry gingle of the sleigh bells is heard once more.

WE understand that the Lutheran congregations of Listowel and Wallace have succeeded in their effort to secure Rev. Dr. Sommer, of Montreal, for their pastor. The Rev. Dr. is expected to take his residence in Listowel sometime next month.

DR. WILD lectures in Stratford on Thursday evening next on "The Prophet Jeremiah's visit to Old Ireland." Return tickets at a fare and a third will be issued by the G. T. R. from Listowel to Stratford to parties wishing to attend the lecture.

Save 2cts. a loaf by buying your bread at H. D. Murray's.

"PICTURESQUE CANADA".—An agent of this apparently very popular work has been canvassing this town during the past fortnight, and has secured nearly one hundred subscribers. We understand that the first parts of "Picturesque Canada" will be ready for delivery early in the new year.

MISSIONARY SERMONS.—Rev. W. F. Campbell, missionary agent for the diocese of Huron, will preach missionary sermons in Christ Church, Listowel, and St. Paul's, Shipley, on Sunday next, at the usual hours. These sermons will take the place of the usual missionary meetings, and will no doubt be very interesting.

☞Gents for your Shirts, Collars, Cuffs Ties or a stylish Hat go to the Glasgow House.

THE *Stratford Herald* appears this week in a new dress and with its form changed into an eight page sheet. The *Herald*, under the editorial management of Mr. Watson, has become a spicy journal, and its new departure augurs well for its continuing to keep abreast with the times. We wish our esteemed contemporary all success.

THE JEW.—Dr. Rossvally, a converted Jew, is announced to preach in the M. E. Church on Sunday next. On Monday and Tuesday evenings the Dr. will lecture on Jewish Rights and Ceremonies, and with the assistance of his daughter will entertain his hearers with selections of sacred music at the commencement and close of each lecture.

12 cts. a loaf—the cheapest and best bread in town—at H. D. Murray's bakery.

DELEGATES.—R. Martin, F. W. Gearing, and D. D. Campbell, Esqs., of this town; Moses Harvey, Esq., of Elma; John McDermott, Esq., of Wallace, and T. McDowell and W. Thompson, Esqs. of Palmerston, were in attendance at the great Conservative Convention and grand banquet in honor of "Canada's greatest Statesman," held in Toronto this week.

OUR enterprising townsman, Mr. Peter Lillico, is opening a banking house in the village of Arthur. We understand that Mr. C. H. Smith, manager of Mr. Lillico's banking house at Drayton, will take charge of the business at Arthur, and that Mr. W. Salter, who for several years has held the position of book keeper for Messrs. Hess Bros., will assume the management at Drayton.

CAR load Standard White AMERICAN COAL OIL at Hacking's. Call and get price and sample gallon. You will be sure to like it.48

SOLD OUT.—Mr. D. W. Palmer has sold his grocery and liquor business to Mr. Adam Davidson. The latter gentleman, who will continue the business in the present stand, desires us to intimate that he has purchased Mr. Palmer's stock at a low figure, and will give those who deal with him the benefit of the transaction. Look for his announcement next week.

TEA MEETING AND LECTURE.—The trustees of the C. M. Church have secured the services of Rev. Dr. Burns, Principal of the Wesleyan College, Hamilton, to deliver a lecture on Friday evening next, 2nd Dec., subject, "Faith and Free Thought." The lecture will commence at 8 o'clock, immediately after the tea. Dr. Philp will occupy the chair. Tickets to tea and lecture, 25cts. The public are cordially invited. A rare treat may be expected.—COM.

FARM SALES.—The following real estate transactions have recently taken place in the township of Wallace: Arch. McFall has sold his farm, 100 acres, on the 6th, to his neighbor, John Walter, for the sum of $3,800. James McFall has also sold his 100 acre farm on the 6th, the purchaser being Valentine Burlett, and the price $4,000. Michael Brodie has sold his farm to Mr. Weaver, of Howick, for $3,600. The above farms are all in one block.

PETITIONS have been circulated for signatures along the route of the G. T., G. B. & L. E. Ry. north of Stratford, asking the Post Office Department to have the mails carried on that line. A copy of the petition can be seen at the Listowel P. O., and every man in town should affix his name to it without delay. We have no doubt that this very necessary mail service will be granted at an early day, providing the Department is made cognizant of the wishes of the people.

H. D. Murray sells his bread at 12cts. a loaf, notwithstanding the late rise in the price of flour, and he continues to take the lead for excellent bread.

DENTISTRY.—J. G. Yemen, M. D., L. D. S., of Stratford, will visit Listowel every Thursday of each week. Rooms at the Grand Central Hotel. 44c

SNORING IN CHURCH.—An a small hamlet about four miles from St. Thomas, a few young farmers who had been working hard during the previous week, fell asleep in Church after the second hymn. The minister, who is perhaps a sensitive man, called upon the sleepers to awake, but the only response he got was a loud snore, or rather a chorus of snores, which sounded like a brass band playing 'Hail Columbia.' He ordered one of his congregation who seemed to have escaped the embrace of Morpheus to go and awake the seven sleepers. On the Monday following, information was laid against the snorers before Mr. W. McKay J. P., of St. Thomas. His Worship, on hearing the *pros* and *cons* of the case, dismissed it, each party to pay their own costs. He said he could find no case in the books where a person had been fined for snoring. It had been a custom as long as he could remember to snore in Church, and if he fined these young men some cranky parson might bring up half his congregation for the same offence.

TO THE LADIES.—Our stock of Millinery is now fully assorted, and we respectfully invite you to call and have a look through our Show Room. We have some very stylish goods, and you will find our prices moderate.
Sign of 777, ROY, MCDONALD & Co.

Editor STANDARD: It was by chance last Monday that I received the information that Mr. R. Ferguson, editor of the *Banner*, is pushing himself to the front as candidate for the Deputy Reeveship against our friend the well known Mr. George Hess. We cannot imagine anything that Mr. Ferguson could bring up against the present Deputy, except falsifications. The firm of Hess Bros. is not only one of the largest in town, but also of the Dominion, and one which has carried on business successfully, not only in good, but also in hard times; I therefore consider it the duty of the electors so give their vote to a man whose business has done so much to aid the prosperity and reputation of this town. Mr. George Hess, though only seated one year at the County table, has nevertheless, through his straight forward course, gained the highest esteem and confidence of all the members of the Council. Whether Mr. Ferguson's qualifications be the same or not is a question not yet answered. I trust that the electors will be found true to the interests of the town, and return Mr. Hess to the Council by a very large majority. ELECTOR.

MANTLE MAKING.—We are now showing a large stock of mantle cloths, ornaments and trimmings. We are also prepared to cut or make mantles to order. Our stock of ready made mantles is large and prices low.
Sign of 777, ROY, MCDONALD & Co

PUBLIC SCHOOL BOARD.—A special meeting of the Listowel Public School Board was held on Wednesday evening, 23rd inst. All the members present. The following accounts were passed: S. Bricker & Co., sundries, $3.10; J. & S. Tremain, teaming, $4.60; N. Adams, load sand and cedar, $2.50; D. Bowyer, pumping well, $1.25. J. E. Terhune moved, seconded by W. G. Hay, that the present staff of teachers of the Listowel Public School, excepting Mrs. De Belle, be offered reengagement for 1882 at the same salaries as paid this year; and that Mrs. DeBelle be offered reengagement at a salary of $280. Moved in amendment by J. P. Newman, seconded by E. B. Sutherland, that the following be the salaries offered to the present teachers for 1882, viz: Mr. Rothwell, $700; Miss Draper, $310; Miss Gordon, $300; Miss Britton, $265; Miss Buchan, $250; Miss Climie, $235; Miss DeBelle, $285. On the amendment—Yeas—E. B. Sutherland, J. P. Newman, W. Bradley; nays—W. G. Hay, J. E. Terhune, R. Elliott. The Chairman gave his casting vote for the amendment and declared it carried. The meeting then adjourned.

A Canadian Speaks.

When anything worth saying is spoken in that terse and pointed way that bears the impress of honest conviction, we like to have people know the nature of the communication. Of such a nature is the following from Mr. W. F. Haist, Campden P. O., Lincoln Co., Ontario. Mr. Haist says: "With great joy over my restored health, I would write a few lines concerning that wonderful remedy, St. Jacobs Oil. For the past six years I have been using various medicines internally and externally, but nothing would help me. Finally I procured a bottle of St. Jacobs Oil, which cured me after a few applications. My mother-in-law, who has also been a great sufferer from rheumatism, was also instantly relieved by the use of the Great German Remedy. St. Jacobs Oil is a great blessing to suffering humanity, and I shall do every thing in my power to make known its merits."

The Question Settled.

There's no use in arguing the question of the potency of some substances for especial service in emergencies. They will do all they promise, and more, if judiciously used. The following from Mr. P. Murphy, of No. 1 Fire Station, Ottawa, bears upon the point stated above. Mr. Murphy says: I had occasion to use St. Jacobs Oil recently, and must say that it is the best liniment I ever saw used. I caught cold from getting wet at a fire, and it settled in my shoulder and down my back to my hip. I suffered a great deal from the pain. I was advised to try St. Jacobs Oil. I did so, and after the fourth application I was entirely free from pain. I cannot speak too highly of it, and advise others to use it.

"Must say it's the nicest thing I ever used for the teeth and breath," says everyone having tried "TEABERRY," the new toilet gem. Get a 5 ct. sample.

Holloway's Pills and Ointment.—Diseases of Women.—Medical science in all ages has been directed to alleviate the many maladies incident to females, but Professor Holloway, by diligent study and attentive observation, was induced to believe that nature had provided a remedy for those special diseases. He has, after vast research, succeeded in compounding his celebrated Pills and Ointment, which embody the principle naturally designed for the relief and cure of disorders peculiar to women of all ages and constitutions, whether residing in warm or cold climates. They have repeatedly corrected disordered functions which have defied the usual drugs prescribed for such cases; and still more satisfactory is it that the malady is relieved completely and permanently.
