We Believe

That a straight, honest business always turns out best in the end. A little money is sometimes made on catchy schemes and doubtful enterprises, but a permanent business can be built up and maintained only by square dealing. The process of getting rich is sometimes a little slow, but the result is usually gratifying. We have aimed for twelve years to give the best value, and we can point with pride to the class of customers we satisfy.

AT THE POLLS.

Questions To Be Voted On at the Municipal Election.

Below will be found copies of the ballots to be marked by all municipal electors at the polls on Jan. 2, 1893.

Readers of the ADVERTISER should carefully study these ballots, and make up their minds as to how they shall mark each paper before they enter the polling place. They will thus save themselves time and not run the risk of marking the ballots wrongly.

In each ballot, a plain cross should be put.

Electors can vote for mayor and hospital trustee only once, and that in the polling division where they reside.

They can vote for water commissioners and alderman in every ward where they have a vote.

They are entitled to vote for each of the bylaws in every ward in which they have a vote.

Time and trouble is saved when electors go promptly to the polls, and vote without being sent for.

Get every voter vote.

Presuming that the elector is in favor of each of the reforms to be voted upon, he or she would mark the ballots as follows:

Voting on the bylaw "for the establishment of a

FREE LIBRARY,"

in accordance with the Free Library Act, submitted to the council of the City of London.
