Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

JIM BOGBEAN.

Jim Bogbean, on a summer's morn,
Rose from his "bunk," haggard and worn.

Beneath his straw hat there peered an eye,
And his empty stomach grew flabby and dry.

He whistled a tune with a vague unrest,
And a tear coursed down his yellow-tailed vest.

He sallied out on the open street,
And he sought in vain for a man to treat.

Some one came, but his pallid cheek
Told the playful story he couldn't repeat.

He leaned his frame 'gainst a friendly porch,
And his pecu.et-bin shone like a well-lit torch.

Oft hath he stood 'neath the moon's bright glow,
And watched the Policeman come and go.

For of all sad words o'er writ in a book,
The saddest are, "by a speeler took."

With a shambling gait Jim sauntered along,
Humming a bar of a popular song.

His ballad grew faint and his breath got shorter,
When he halted in front of a pestle and mortar.

And his lips turned white, and he shivered with chills,
As he modestly asked for a couple of pills.

He looked as wild as an egg hard boiled,
And he thought of his garments seedy and soiled.

Then he threw his pipe and his cun away,
And he went on a keg for a year and a day.

The sun shot down in a golden beam,
For Jim Bogbean drinks only SODA AND CREAM.

WHITTIER.
