We make this liberal offer because we desire to give a present sufficiently large to induce *every one* to give Dobbins' Electric Soap a trial long enough to know just how good it is. If, after trial, they continue to use the soap for years, we shall be repaid. If they only use the fifteen bars, getting the dollar's worth of music gratis, we shall lose money. This shows our confidence. The Soap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper. Name this paper.

A box of this Soap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Fogy, can select music to the amount of $4.50. This Soap improves with age, and you are not asked to buy a useless article, but one you use every week.

They are heavy hunting cased of beautiful workmanship, size of engraving. *Guaranteed pure mint coin silver* 3¼ *ounce*, the finest make, patent lever chronometer action, full jewelled garnets and diamonds, and containing all newest improvements, and as time-keepers cannot be surpassed. This is the same style of watch as is sold for £10 stg. or $50 each by leading jewellers in London, Eng. Counting cost of works, silver and skilled labor, including our selling commission of five per cent and advertising, these watches cost the maker $9 each and he offers them at $10, having adopted the new rule of selling exclusively for prompt cash at mere fractional profit. You get the exact same watch $20 below retail price by ordering through us, saving 1st. *The manufacturer's profit on credit sales to the wholesale trade 60 per cent. 2nd, the profit added by the wholesale dealer on sales to the retail jeweller 50 per cent more, and 3rd, the jeweller's profit in selling to you of seldom less than 100 per cent, as his sales are so few that he must make large profits in order to make it pay.* So that the price is increased by three profits aggregating 200 per cent. By ordering through us your are buying from first hands and at factory price, cheaper for one watch than the wholesaler pays for a gross.
