# PICKERING COLLEGE,

although endowed and maintained by the Society of Friends, this Institution is open to young people of both sexes of all denominations. Last year was the most successful in the history of the College. The College follows the Curriculum of the High Schools and Collegiate Institutes to AVRAY PARTICULAR, but allows a wider latitude in optional subjects. There are two Preparatory Forms for boys and girls that have not passed the High School Entrance Examination. The Commercial Form has proved so successful that its sub division has been found necessary. Mr. Ed. S. Shrapnel, A.C.A., has charge of the Classes in Painting and Drawing. The Musical Department has developed so rapidly that Mr. J. Davenport Kerrison, Toronto, has been added to the staff. Pickering College is believed to be the only institution in the Province where Stenography is taught free of extra charge. Two large classes composed of students of both sexes are maintained in this subject.

Candidates are prepared for Matriculation in all the Universities, for the Primary Examinations in Law, Medicine, Dentistry, Pharmacy and Civil Engineering, and for all Examinations for Teachers' Certificates. The High School Entrance Examination, the Intermediate, Third and Second Class Examination, and the Matriculation Examination of Toronto University are held in the College building under Government control. Sports and manly games are encouraged by the management and the play grounds have recently been enlarged to accomodate the students. Good clubs in Cricket, Football, and Archery are maintained. There are well-equipped Gymnasiums and croquet Lawns. Three Masters, two Governesses, besides the Superintendent and Matron reside in the College, and a careful supervision is exercised over the students' home life. Junior students prepare their lessons under a master. There is a flourishing Literary Society, and a Reading Room, supplied with the leading papers and magazines of the day. Bible Classes and Prayer-meetings are held weekly, and the management hope to make good morals and religious feeling a distinguishing feature of the school. Students accompanied by teachers attend their own places of worship once every Sabbath.

Pickering College, situated in a most healthy locality, and only 22 miles east of Toronto, offers special inducements to parents that desire their children to receive a first rate education at a reasonable charge, and in a place free from the temptation of towns and cities. Students may enter at any time.

For the College Announcement, address

W. H. HUSTON, M.A., Principal, Pickering.

*THE PUREST AND BEST*

REMEDY EVER MADE.—IT IS COMPOUNDED FROM HOPS, MALT, BUCHU, MANDRAKE, AND DANDELION.

The oldest, best, most renowned and valuable medicine in the world, and in addition it contains all the best and most effective curative properties of all other remedies, being the greatest liver regulator, blood purifier, and life and health restoring agent on earth.

It gives new life and vigour to the aged and infirm. To clergymen, lawyers, literary men, ladies, and all whom sedentary employments cause irregularities of the Blood, Stomach, Bowels, or Kidneys, or who require an appetizer, tonic, and mild stimulant, it is invaluable, being highly curative, tonic and stimulating, without being intoxicating.

No matter what your feelings or symptoms are, or what the disease or ailment is, use Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable use the bitters at once. It may save your life. Hundreds have been saved by so doing, at a moderate cost. Ask your druggist, or physician. Do not suffer yourself or let your friends suffer, but use and urge them to use Hop Bitters.

If you have lameness in the loins, with frequent pains and aches; numbness of the thigh; scanty, painful and frequent discharge of urine, filled with pus, and which will turn red by standing; a voracious appetite and unquenchable thirst; harsh and dry skin; clammy tongue, often darkly furred; swollen and inflamed gums; dropsical swelling of the limbs; frequent attacks of hiccough; inability to void the urine, and great fatigue in attempting it—you are suffering from some form of Kidney or Urinary Complaint, such as BRIGHT'S DISEASE of the kidneys, stone or inflammation of the bladder, gravel and renal calculi, diabetes, strangury, stricture and retention of the urine, and Hop Bitters is the only remedy that will permanently cure you.

Remember, Hop Bitters is no vile, drugged drunken nostrum, but the purest and best medicine ever made, and no person or family should be without it.

Don't risk any of the highly lauded stuff with testimonials of great cures, but ask your neighbour, druggist, pastor or physician what Hop Bitters has and can do for you, and test it.

POVERTY AND DISTRESS.

That poverty which produces the greatest distress is not of the purse but of the blood. Deprived of its richness it becomes scant and watery, a condition termed *anæmia* in medical writings. Given this condition, and scrofulous swellings and sores, general and nervous debility, loss of flesh and appetite, weak lungs, throat disease, spitting of blood and consumption, are among the common results. If you are a sufferer from this, you should employ Dr. Pierce's "Golden Medical Discovery," which enriches the blood, and cures these grave affections. *Is more nutritive* than cod liver oil, and is harmless in *any* condition of the system, yet powerful to cure. By druggists.
