The Railway Tieup

Assuming Greater Proportions and a Graver Aspect.

President Debs, of the A. R. U., and Other Leaders Arrested.

Battle Creek Strikers Secure Control of the C. and G. T. R.

A Cabinet Council Called and U. S. Troops Ordered to Chicago—Bloodshed at Uniontown, Pa.

COSTING A PILE OF MONEY.

CHICAGO, July 3.—If the strike is of long duration it will make a big hole in Uncle Sam's exchequer. Up to 10 o'clock last night nearly 15,000 deputy marshals had been sworn in at the Government bureau. They receive $2 50 per day and board, in addition each man upon receiving his badge of office is furnished with a $4 revolver and $1 worth of ammunition. There are also expenses for vehicles, telegrams and other items.

STRIKERS ENCOURAGED.

President Debs of the American Railway Union says of the Pullman boycott, that advices from all parts are very encouraging, and points that showed weakness at first are now out to a man.

THE NICKEL PLATE TIED UP.

CHICAGO, Ill., July 3.—All the engineers, firemen, brakemen and trackmen on the Chicago end of the Nickel Plate Railroad stopped work simultaneously and without warning to-day, leaving things in a desperate state of confusion.

FORT WAYNE, Ind., July 3.—The Nickle Plate's freight business is at a standstill, and an east-bound passenger train was stopped at Stoney Island. West-bound passengers are moving, but the company does not expect to get equipment east after reaching Chicago. The road does not handle Pullman coaches, but the general boycott order will be respected by employes.

The Wabash is doing no business here whatever.

LEADERS ARRESTED.

President Debs of the American Railroad Union has been served with a subpœna to appear at court during the August term to answer the bill.

At Cincinnati Edward F. Pheland, leader of the railway strike, was arrested to-day at the instance of the Cincinnati and Southern Railway Company's receiver, Samuel Filton, charging him with interfering with the management of the railway by ordering its employes to leave its service with intent to injure the traffic.

BATTLE CREEK STRIKERS CONTROL THE RAILWAY.

LANSING, Mich., July 3.—Gov. Rich early this morning received a message from Sheriff Walkinshaw, at Battle Creek, announcing that strikers had full control of the Chicago and Grand Trunk Railroad at Battle Creek and refuse to let trains pass. The message said: "I may have to call on you for troops, but will try and open the blockade with 40 deputies." Gov. Rich ordered the First Regiment to assemble at the armories and be ready to proceed to Battle Creek at a moment's notice.

DETROIT, Mich., July 3.—At noon to-day Col. Snyder, commanding the Twenty-third Regiment, United States army, stationed at Fort Wayne, received a telegram from Gen. Miles instructing him to hold two companies under marching orders and in immediate readiness to take the field.

UNITED STATES TROOPS ORDERED TO CHICAGO.

WASHINGTON, D. C., July 3.—Attorney-General Olney, Secretary Lamont and Gen. Schofield are in conference with the President at the White House on the railway strike situation.

Col. Lamont went to the War Department after the Cabinet meeting and made public this statement: "The United States marshals, the United States district-attorney and the United States judges having certified to the President that in their judgment it is impracticable to otherwise execute the orders of the court, the troops under command of Col. Crofton at Fort Sheridan, consisting of eight companies of infantry, two troops of cavalry and a battery of light artillery have been ordered to Chicago to enforce the observance of the laws of the United States."

These orders were telegraphed at 3:30 p.m. to Col. Martin, the adjutant-general, at Gen. Miles' headquarters in Chicago.

TEN TRAINS STALLED AT BATTLE CREEK.

BATTLE CREEK, Mich., July 3.—No attempt has been made to get out any more of the Grand Trunk trains since the morning. Everything is as quiet as Sunday here. Most of the strikers are at home. Ten trains are now here and another is expected from Chicago in a short time. An official of the C. and G. T. declares that enough men will be on the grounds in a day or two to take care of all the business.

THE SITUATION AT PORT HURON.

PORT HURON, Mich., July 3.—From 300 to 500 employes of the Chicago and Grand Trunk went out at midnight. Men are joining the A. R. U. every hour. J. C. Spence, A. R. U. organizer, addressed a public meeting at Fort Gratiot for two hours, urging everyone to join the A. R. U. A rising vote was taken and the resolution not to move a wheel on the C. and G. T. was adopted, while the entire audience arose and cheered. The A. R. U. leaders are taking in everybody that is in any way connected with railway work. The firemen have gone out to a man. The situation is about the same as in Battle Creek. The engineers won't go out without the union firemen. The conductors will refuse to take the trains with B. of L. men at the engines. "The members of the Conductors' Union will never consent to go out to help along this strike unless ordered to do so by their own officers," said a conductor. "We do not like the class of men that are allowed to join the American Railway Union. Many of them are not in any way connected with the railroads. The conductors have been treated squarely by the Chicago and Grand Trunk. It is this taking everybody on regardless of whether they are union men or not that weakens this cause."

The Detroit division of the Grand Trunk is not affected. Several passengers for the west are delayed at this point.

WINDSOR FEELS THE EFFECT.

WINDSOR, July 3.—The effect of the Pullman strike reached Windsor last night, and although the Canadian trainmen have not struck nor are likely to, yet many of them find themselves thrown out of work.

ONE ROAD LOSES $200,000 A DAY.

SAN FRANCISCO, July 3.—W. G. Curtis, assistant to General Manager Towne of the Southern Pacific, estimates that the company's loss, owing to the tieup, is $200,000 a day, and that in the five days that the roads have been blocked the loss will aggregate over $1,000,000.

THE STRIKE EXTENDS.

All the men employed in the Chicago, St. Paul, Minneapolis and Omaha shops at Sioux City, Ia., went on strike this afternoon.

On account of the strike the Mobile and Ohio Railroad shops at Whistler, Ala., closed this morning, throwing 500 men out of work.

Freight shipments to all points west of Pittsburg are practically at a standstill. Thirty-two western roads have notified the Pennsylvania company's general office here that they will not receive freight of any kind until the boycott has been settled. Freight trains are tied up all along the route between Pittsburg and Chicago.

At Grand Rapids, Mich., the strike is beginning to be seriously felt. The stock of Chicago dressed meat and other meats will run out soon and hotels have only one day's stock.

At Pine Bluff, Ark., 1,800 employes of the Cotton Belt Railway struck to-day. The road will be completely tied up.

A meat famine is threatened in Northern New England on account of the strike in the West.

BLOODSHED.

UNIONTOWN, Pa., July 3.—To-day a crowd of strikers chased G. H. Phillips and Fred Wyane, two deputy sheriffs from Kyle, all over town. They took refuge in the Pennsylvania Railroad depot. The crowd followed and the deputies drew their revolvers. A riot ensued in which William Fallon was shot through the arm, Martin Schemley slightly wounded, while a number suffered broken heads. The police effected several arrests.

A WARNING.

CHICAGO, July 3.—"We are making every effort to prevent trouble on the 4th," said President Debs to-day. "We are warning our people everywhere to exercise the greatest care to avoid any conflict with the companies on that day. There will be, by general consent, a sort of truce, and the effect will be to let our differences lie over for 48 hours, while we observe the national holiday. If there is any trouble it will not be of our seeking."

THE SITUATION.

CHICAGO, Ill., July 3.—The action of the Government in determining to authorize the employment of United States troops for the purpose of enforcing the enjoining order issued yesterday by Judges Wood and Grosscup, and a well defined indication that both sides are not only willing but anxious to arrive at a pacific understanding, were the principal features of the strike situation to-day.

The predictions made last night that the eve of the country's natal day would witness the beginning of the end were not destined to be fulfilled. There were no signs of weakening on the part of the striking element.

The general managers, on the other hand, maintained the same attitude of firm determination that has characterized every move of the association from the beginning of the trouble.

The gravity of the situation so far as it relates to the great mass of the public was increased to-day by the action of the management of the Northwestern road on temporarily striking from its pay rolls nearly 1,000 employes who have been in a state of enforced idleness since the strike was extended to that system.

Ice is short, the food supply scant, and a fuel famine is also imminent. The supply of soft coal is nearly exhausted, and a score of big industrial establishments will be under the necessity of shutting on Saturday, if not before.

A detachment of the Fifteenth Regiment, United States regulars, from Fort Sheridan, Col. Croft commanding, arrived at the Northwestern station at 11:45.

More Trouble.

MINERS DISSATISFIED.

Dispatches from Ironwood, Mich., and Punxsutaway, Pa., indicate serious trouble among the miners, who say the terms of compromise are not carried out.

At the former place the militia were called on, shots were exchanged and a miner was fatally injured.

Canadian Fruit Prospects.

OTTAWA, July 3.—Prof. Craig, of the Experimental Farm, has returned from a trip to Grimsby and St. Catharines. He states that in that district they are going to have a very good peach crop and prospects for grapes are quite encouraging. Owing to heavy rains a great many apples have dropped, and the crop will consequently be much smaller than expected.

In Nova Scotia the apple crop is very promising, especially the Gravenstein, Kings and Spys varieties.
