New York Sun for 1872.

TO ALL WHO CAN READ.

The New York Weekly Sun Doubled in Size without Increase in Price.

With the beginning of 1872, THE WEEKLY SUN has been doubled in size. It now contains eight pages instead of four, making it equal in dimensions to any other weekly secular journal published in this country. At the same time its price has not been increased. It will be furnished to subscribers at the uniform rate of one dollar a year for each copy. To this rate no exception will be made and no reduction will be possible, either to clubs or agents. Every subscriber who sends a dollar will receive a copy for a year.

While THE WEEKLY SUN thus furnishes as much reading matter as other papers published at double or treble the price, it will contain new features which will add greatly to its interest and value as a family newspaper. Its independence of opinion, and its unqualified hostility to Tweedism and Grantism, and every form of public robbery, bribery, and corruption, will be maintained, while in point of political news its readers may rely upon always receiving the most accurate, as well as the freshest, intelligence that can possibly be obtained. The enlargement enables us also to devote additional space to valuable agricultural intelligence, and to print interesting stories and romances more extensively than hitherto. For miscellaneous reading, presenting the quaint and humorous aspects of life, and for useful information respecting not only what takes place in this metropolis and this country, but in all other parts of the world, we now have ample room.

In its new form THE WEEKLY SUN is the cheapest paper of its class in the United States: and we appeal to such of our readers as approve its ideas and objects, and find it interesting and valuable, not only to renew their own subscriptions, but to recommend the paper to their friends and neighbors.

This year is destined to be a memorable one in the history of the country. We are on the eve of a most significant Presidential election, and political movements will for many months be watched with unusual interest. As a journal, free from the trammels of party, THE WEEKLY SUN will continue to uphold the principles of true republican government. Its readers are invited to sustain it in that work. The truth, irrespective of party prejudice or official influence, will always be told in its columns.

Terms of the Weekly Sun—

A journal containing eight large pages, published every Wednesday morning—To all mail subscribers, whether single or in clubs, *one dollar a year each,* always in advance.

DAILY SUN, by mail, 50 cents a month, or $6 a year.

SEMI-WEEKLY SUN, by mail, $2 a year.

THE Subscriber would again remind the general public that he will be found in his NEW STORE,

No. 15 King Street,

on THURSDAY morning next, the 22nd inst., and before closing the Store on Prince William street, would take the opportunity to tender his grateful thanks to his numerous patrons for their generous support since commencing business the 1st of January, 1857, at which time he bought the RETAIL BUSINESS of Messrs. Valpey & Bro. The subscriber would also remind the citizens of St. John that, with increased accommodation in his new quarters, he will be enabled to keep always on hand a LARGE AND WELL ASSORTED STOCK OF BOOTS AND SHOES, both of ENGLISH and DOMESTIC MAKE, and at prices to suit the pecuniary circumstances of the community.

The CASH SYSTEM—the ONE PRICE SYSTEM—the QUICK SALES and SMALL PROFIT SYSTEM—are mottoes which I adopted when commencing business five years ago. Experience has convinced me that the principles are sound, and as in the past, so in the future, I will strictly adhere to them.

THE LEGISLATURE.

[*Special Telegram to the Daily Tribune.*]

YESTERDAY'S PROCEEDINGS.

FREDERICTON, March 20

The House went in committee on a bill to amend an Act to incorporate a certain District in the County of Charlotte, known as the Town of St. Stephen. Progress was reported.

Bailey introduced a bill to incorporate the Queen and Sunbury Coal and Iron Mining Company.

Robinson, a bill to empower the Secretary-Treasurer of Counties to approve of the appointment of any Parish Officer by a certificate under the hand and seal of the municipality.

Willis resumed his closing speech on the Want of Confidence motion. He referred to John Pickard to corroborate his statements regarding his interview with the Provincial Secretary on the 19th of Feb. He read an extract from a telegram from J. & A. McMillan, stating that tenders were never asked from them or any other printing house in St. John for printing for the Board of Education.

He said that most of the printing so far has been done in the Halifax *Colonist* office, and that at the present time a history of British America is being prepared in England.

The last hour he has occupied in reading and commenting on a two column article in the TRIBUNE of February 19th, charging the Government with dilatoriness in carrying out the School Law, and to support his views on the question.

In the Legislative Council Lindsay's Bill to incorporate the Woodstock Female Academy was thrown out on account of a clause relating to regulating Divine Service in it.

The Council contended that last year's School Bill precluded any such Bill being passed in the future, and are determined to strictly carry out the non-sectarian clause.

[The Councillors are entirely in the right. We admire their pluck.—ED. TRIBUNE.]

British and Foreign.

[*By Telegraph to Associated Press.*]

LONDON, March 19.

In the Lords, Baron Redesdale gave notice of a resolve, and if carried should move address, praying that an International Congress be called by Great Britain to decide whether, when belligerents have been reconciled and become one, they can demand as such a nation of a neutral State indemnity for damages done one of the belligerents.

In the Commons Disraeli and Horsman questioned Gladstone whether the proposals from the United States would be accepted until they received the sanction of Parliament. He was unable to answer the question this evening, as he had not been able to consult with his colleagues.

An exciting scene occurred in the Commons this evening.

The resolutions of Dilke for an investigation of the expenses of the Crown came up. Its consideration was objected to on the ground that it would be inconsistent with the oaths of allegiance to the Queen which the members had taken.

The Speaker ruled it admissable, and Sir Charles read his resolution and supported it in a bold speech, followed by Herbert.

Gladstone replied.

The House was divided, showing but two members in favor of the resolution.

There was much confusion throughout, and at one time the galleries were cleared.

Herbert voted with Dilke.

The brig "Colorado," of Liverpool, N. S., was spoken on the 16th, with sails all damaged and everything in bad condition, 35 days out, all well. Her wants were supplied.

From English Papers Received Yesterday.

The total number of paupers relieved in London for the week ending February 24 was 124,764, or 36,443 less than in the corresponding week last year.

The great labor conflict was impending on the Clyde. The ship-building trades demand the nine hour system, and nothing else.

At a recent meeting in Glasgow, presided over by Prof. Edward Caird, the Scottish National Educational League adopted as its programme, "a compulsory and undenominational system of elementary instruction in the sister kingdom."

The City of Birmingham has approved of a system of Sewerage which will cost £400,000 stg.

The Great Eastern Steamship Company have just declared another dividend of 15 per cent., making a dividend of 25 per cent. for the year.

An interesting event is expected to take place shortly in the family of the Imperial Prince of Germany.

The Tichborne bonds were selling at £8 for £100 while the Attorney General of England was delivering his great speech. They can be bought even cheaper now!

—St. Louis is to have a convention after all. George Francis Train announces that on the 19th of October, "the day Lord Cornwallis handed his sword to Washington at Yorktown in the presence of Lafayette and the Irish brigade" four thousand delegates, representing forty States, five millions of voters, and twenty-five millions of dollars in cash, will assemble in St. Louis and declare him the next President of the United States.
