MEN R TANLAC

BIG BANKERS OF THE SOUTH NOW INDORSE TANLAC

Officials of Well - Known Financial Institutions Tell Their Experience.

Two of the best known bankers in the Southern states recently on the same day in personal letters told of their remarkable experience with the use of Tanlac. Their letters follow exactly as written.

The first letter quoted comes thru Eli W. Goode, druggist and local agent for Tanlac at Hawkinsville, Ga., containing the statement of E. J. Henry, president of the Hawkinsville Bank and Trust Company, which is one of the best known financial institutions in that part of the State. His letter follows, just as it was written:

"Hawkinsville, Ga., March 5, 1917.

"Mr. G. F. Willis, Atlanta, Georgia:

"Dear Sir: Mr. E. J. Henry, president of the Hawkinsville Bank and Trust Company, came into my store a few days ago and said: 'Eli, sell me another bottle of Tanlac.'

"I said, 'Mr. Henry, what do you really think of Tanlac?' His reply was so commendable to the virtues of the medicine that I asked him if he would give me a signed statement about it. He said, 'Yes; of course I will,' and this is his statement:

"'Last Spring I was all wrong some way or other and couldn't get right. I came to you and bought a bottle of Tanlac and began to improve. Two more bottles put me all right, and I felt perfectly well. A few weeks ago I had the grippe and was beginning to get down and out again, and about a week ago I bought another bottle and have taken it and am perfectly well again.

"'I unhesitatingly recommend Tanlac to any one who is sick and worn out, as I believe that if anybody will take Tanlac when they first begin to feel badly it will prevent and keep off sickness. It certainly is a great remedy.

(Signed) "'E. J. HENRY, President,
"'Hawkinsville Bank and Trust Co.'"

The other letter referred to comes from the cashier of the Hornbeck branch of the West Louisiana Bank at Hornbeck, La., and is as follows:

"Hornbeck, La., March 5, 1917.

"Mr. G. F. Willis, Atlanta, Ga.

"Dear Sir: I wish to say that I have taken five (5) bottles of Tanlac and have gained fifteen (15) pounds in three weeks. I think it is a great medicine.

(Sgd.) "W. C. McELVEEN, Cashier.
"Bank of Hornbeck, Hornbeck, La."

DR. J. T. EDWARDS PRESCRIBES TANLAC

Declares Has Never in All His Life Seen Anything to Equal Tanlac.

Dr. J. T. Edwards of Fayetteville, Ga., one of the best known members of the medical profession in the State of Georgia, makes a statement that will undoubtedly produce a profound impression throughout the country.

"In my thirty years of active practice as a licensed physician in the State of Georgia," says Dr. Edwards, "I have never seen anything to equal Tanlac as a medicine to produce results. I hear people on all sides telling of the benefits they have derived from its use.

"Tanlac is simply the talk of my town. I have no hesitancy in recommending the medicine, and as a matter of fact I am prescribing it for my patients almost every day.

"Only a few days ago a well-known woman of Fayetteville came to me and told me about the remarkable relief her daughter had gained from the use of this medicine. She said her daughter had been confined to her bed for three years with what had been pronounced pellagra, and that after using Tanlac for a short time she was able to be about and was on the road to recovery.

"But this is only one instance. People in all walks of life in and around our little city are giving similar indorsements to the medicine. Seldom a day passes that some one does not come to me and say something about the good results they are getting from the use of Tanlac."

PRESIDENT OF PROTESTANT HOME FOR GIRLS TALKS

Dr. W. H. Brown, 4822 Charlotte Ave., Nashville, Tenn., founder and president of the Tennessee Protestant Home for Girls, and a man whose charitable work has won for him the friendship and admiration of thousands, said:

"My friends have all noticed the great improvement in me since I took Tanlac, and I am boosting it every chance I get. From my own personal experience with the medicine and from what I have observed where others have been using it, I am convinced that it is the best medicine of the kind in the world."
