NO SALARIED BALL TOSSERS.

But Next Spring Toronto Will Have a Professional Club—Might Have Had Troy's Franchise.

There will be no attempt made to place a professional baseball club in Toronto this year, although there have been many rumors to the contrary.

A well-known financial gentleman who does not wish his name mentioned at the present firmly believes that investment in such a venture would be a paying speculation. He could have had Troy's franchise in the Eastern for the asking, but was advised that the tail-end of the season is not the best, and although the Trojans are next to the top Toronto did not seek the place.

But next spring this city will be represented in an International league which will include many of the present Eastern cities, and whether Toronto will be the only Canadian factor remains to be seen.

They were tail-enders and had only won one game the whole season. The resignation was accepted on Tuesday night at a meeting at Harry Powers' Hotel, and Mr. Thompson got $34, his club's share of the gate receipts up to that date. The schedule will now have to be rearranged for the five remaining clubs.

LAUREL SET A KILLING PACE.

Charade and Mary Stone Passed Her and the Montreal Mare Finished Third—All the Results.

BRIGHTON BEACH, Aug. 2.—Some of the races were well filled to-day and offered a good medium for speculation. The fourth, a handicap at a mile and a furlong, was the only race in which anything like high-class horses were named to start. Herald was scratched early in the day, leaving Mary Stone, Charade and Laurel to fight it out. The surprise of the day was the result of the third event, which was won by Red Top, a 7 to 1 shot.

Turf Gossip.

On account of heavy track caused by rains the Buffalo races were postponed yesterday.

The Orpen's Rover was sent back from Saratoga on Monday. Joe Duggan's Foam and Stepping Stone arrived back yesterday.

Fewer Torontonians are taking in the present Saratoga races than for many a year. A couple of well-known turf men were asked yesterday why they remained at home. Their answer coincided exactly: "The game is too hard."

Since the Grand Circuit opened there have been 161 additions to the 2.30 list of trotters and 17 of the new ones have beaten 2.20. One hundred and thirty-eight pacers have cast their fortunes into the select circle, 37 of them having taken records of better than 2.20.

Nancy Hanks holds the record for trotters, 2.04. Mascot is the champion pacer, 2.04, but Flying Jib and Robert J. are deemed quite as speedy. Nancy Hanks is a bay mare 8 years old and is 15.1 hands high.

What a motley crowd studies the slates in the ring! Short card men, thimble riggers, broken down Wall-street operators, ministers' sons, lawyers big and little, clerks, office boys, jockeys and touts galore. "Boston Dave," "Hungry Dan," "Gunner" Lynch, "Suple Jack" and "Sleepy Bill," all looking for the best end of everything.

There will be a slight change in the staff of judges at the coming 15-day meeting of the American Jockey Club, which begins at old Jerome Park Wednesday next. Colonel Simmons is to preside with Mr. McDowell as associate, Mr. Victor Smith retiring. The Board of Stewards for the meeting will be composed of Mr. John Hunter and Mr. Alfred Hennen Morris.

Jockey Hugh Penny, who rode the 6 to 5 favorite, Francis Pope, in the second race at the Harlem (Chicago) track Wednesday, was suspended for the meeting. Penny claims he bet $100 on his mount, and says he was shut off at the half-mile post or he would have won. Belle Foster, the winner of the race, was ridden by F. Williams, and he weighed out half a pound short and was fined by the judges.

The closing race on the program at Brighton Beach on Wednesday, says The New York Herald, was a steeplechase over the short course, in which Miles Standish did not try a yard. It was won in easy fashion by St. Anthony, with Dutch Oven second and Duke of Appleoorn third. Flip Flap was pulled to his knees in taking one of the jumps on the first round and Lynch went over his head.

The circuit races at Rome yesterday were postponed until to-day on account of rain. The last heat of the unfinished 2.20 trot was trotted. Queechy won in straight heats, Clara K. second, Quarter Stretch third. Best time 2.19¾.

ALREADY TALKING FOOTBALL.

About Ontario Rugby Teams—Ottawa's Promising Outlook.

In another month kickers of the oval leather will amble on the green award in anticipation of the championship games they'll soon engage in. Captain Clayes has notified all Varsity players who want places on the fifteen to report early in September, as the blue and white will make a bold bid for championship honors this fall. There is some talk of C. D. Barr of Lindsay, captain of last season's Cornell team, locating in Toronto, and if so he will wear the crimson jersey and should prove a valuable man for the Torontos.

Hamilton is too busily engaged with cricket and aquatics these days, and the champions are pretty well scattered around Kingston, but they will likely be heard from early enough. At the Capital it is different. Even at this early date preparations are being made to get the Ottawa team together. It is expected that they will start practice three weeks earlier than last year. A meeting was held in the O.A.A.C. "gym" a few evenings ago. A list of more than a score of names was gone over, sufficient to assure that a strong team can be selected. Besides the old players, the team will have S. Cameron, who played centre scrimmage for the Britannias last year, as well as a number of new men, including William Kehoe of the baseball team, D. Pulford, J. Creaser and W. Curran. W. C. Little and Barney Quinn will also be found on the team. Among the names from which the team will be chosen besides those mentioned are H. Y. Russel, W. C. Young, M. Shea, W. Codd, C. P. Clarke, H. Pulford, J. Lay, J. McDougall, F. Chittick, H. Ketchum, E. Fosberry and Tovey.

The annual meeting of the club will be held on Sept. 6. The team play their first match of the season with the M.A.A.A. team in Ottawa on Oct. 6. There will be an intermediate team from the O.A.A.C. as well as a senior team this season, which is also expected to make a reasonably good showing.

THE SHAMROCKS FOR IRELAND.

They'll Likely Go, But Must Be World's Champion Lacrossists.

MONTREAL, Aug. 2.—If everything goes well with the Shamrocks this year and satisfactory arrangements can be made for a series of games the boys in green stand a good chance of being given the treat of their lives. It is a trip across the Atlantic.

The project has been discussed before, but never with such brilliant chances of success. A well-known lacrosse enthusiast from the other side, Mr. John Sihclair of Belfast, who captained the Irish team that visited Montreal in 1886, was in the city a few days ago. He witnessed the game between the Shamrocks and Montrealers on Saturday last and expressed enthusiastic admiration for the prowess of the Shamrocks. In the course of conversation with Captain Polan the trans-Atlantic scheme was born. Mr. Sinclair had no doubt of the reception which would greet the boys should they go over, and after the matter had been thoroughly discussed with other Shamrock supporters, he agreed to sound the Irish lacrosse associations on the subject.

On his return home Mr. Sinclair will enquire what arrangements can be made for a series of games with the best Irish teams, and upon his report and one other matter will depend the course of the Shamrock club. That one other matter upon which the trip depends is the championship. If th go to Ireland they must go as champ. as of the world, and with the incentive of such a trip before them there is every prospect of them winning that proud title.

Lacrosse Points.

The League of the Cross Lacrosse Club are practising hard for their match with the Elms II. at Blantyre Park on Civic Holiday.

The Toronto Juniors play the Tecumseh II team at Island Park Saturday afternoon. The Toronto twelve: Brown, Willis, Cox, McCulloch, Moss, Scott, Jarvis, Lindsay, W. Lillie, Johnson, Stanton, C. Lillie, Anderson.

The rumors of the utter demoralization in the ranks of the Capitals since their defeat by the Shamrocks on June 23 are confirmed by the course that club is now pursuing. A despatch from Peterboro states that the Capitals have signed Tite of the Ontarios of Port Hope. Tite was a member of the British Columbia aggregation that visited Montreal last year. He is an expert home player.—Montreal Herald.

ON THE ROSEDALE TRACK.

Robertson and Doane Tandem a Quarter in 27 4-5 Secs.

There was a plethora of wheelmen out on the Rosedale track and quite a crowd witnessed their trials.

The great John S. Johnson took some useful work along with his brother William, Davidson, Hyslop, Harbottle, Alf Young, Carman and Jim Crowe. Wells and Fred Young went several miles at a fast clip, the champion being caught for a quarter in 29 secs.

The feat of the day was performed by Robertson and Doane, the Athenæum's crack tandem pair. They are credited with doing the quarter in 27 4-5 secs. Deeks and Jaffray of the Wanderers also did the distance in 29 3-5.

The younger Johnson has joined the Toronto club and will be a competitor at their races on Saturday, Aug. 11, and Civic Holiday. Hyslop and Harbottle are training hard with the object of making this a record meet.

Champion runner George W. Orton is at present in the city. He took a spin of two miles at Rosedale yesterday and showed up in good form.

MONEY EXCEPTIONALLY EASY.

London Banks Reduce the Deposit Rate to One-Half Per Cent.

LONDON, Aug. 2.—The Bank of England's weekly return is still strong. The coin and bullion decreased £362,000 to £38,303,000, because of cash going to the provinces for holiday requirements. The net influx of gold for the week was £205,000, £130,000 from Australia, £7000 from Paris, and the remainder in bars bought. Thirty-five thousand pounds went out to the Cape and £100,000 to Chili. The bank is now the only buyer of gold here. The London banks have reduced the deposit rates to ½ per cent. This is absolutely unprecedented, and indicates prolonged ease in money.

Drain On the Gold Reserve.

WASHINGTON, Aug. 2.—The gold reserve was reduced to-day to $52,482,000 by further engagements for export.

C.A.A.O. REGATTA TO-DAY.

Trial Heats to Be Rowed This Afternoon At Burlington Beach—The Draws and Places.

HAMILTON, Aug. 2.—All the crews who will compete in the C.A.A.O. regatta to be held at the Beach to-morrow and Saturday are now housed at the Beach. The Detroit four and Van Damme, a single sculler from Detroit, arrived on the early train this morning. The Toronto oarsmen arrived on the Modjeska this afternoon. The races will start at 2.30 p.m. each day.

W. S. McDowell of the Delawares of Chicago has been at the Beach since Sunday. He rowed in the regatta last year, but was handicapped by a pair boat. Now he has a fine shell built by Davis of Portland. McDowell thinks he has a good chance to win the senior single. To capture the event he will have to row very fast, as he will strike speedy company. Ryan and Wright, the Canadians who failed at Henley, will row. The former is a clever sculler, but it is doubtful if he will be in good shape for the race. Russell of the Torontos, Hedley of Philadelphia and Jerry Donohoe are dangerous. The first-mentioned oarsman is rowing in great form. At the local regatta held in Toronto, on July 1, he beat the two Thompsons. At Detroit last Saturday he finished ahead of Bush Thompson, but was disqualified for fouling. Charles Van Damme of the Nautilus Club of Detroit, winner of the junior singles at the Detroit regatta, will have to row in the senior singles here. The other entries are: E. A. Thompson, F. H. Thompson, jr., W. E. F. Paine of the Argonauts, W. Wark of the Leanders and E. Newton Atherton of Hartford. Billy Wark is a better man in a four than he is in the singles. With Ryan in shape the race should be between the Canadian champion, Donohoe, Russell, Hedley and McDowell. It will not be "easy fruit" selecting a winner.

After the singles the next most important race is the senior fours. The entries include two crews from the Torontos, and one each from the Argonauts, Dons, New York Athletic Club, Leanders, Detroit and Minnesota. This should be a most exciting race. The Detroits won the senior event at Detroit last week. They have a great crew, made up of Fred Standish, E. H. Harvey, Emory Clark and F. A. Lyon. Standish has been rowing for years and don't seem to get any older. He used to row in the doubles with Clegg. For years Clegg and Standish were invincible. Clegg quit rowing and Lyon became Standish's partner. At the regatta a year ago they were beaten by the Toronto double, but they reversed matters at the National. The Leanders have a great crew in Billy Wark, S. C. Mewburn, W. W. Osborne and Barney Dewar (stroke). They row exceedingly well in their new shell, built by Warin this year. The Dons won the fours last year after an exciting race in the dark with the Argonauts. The Torontos always have a strong senior four. It is doubtful if they will start both crews.

Hamilton will be represented in the junior singles, the Leanders having entered Tommy O'Neill. He will be pitted against J. Dineen of London, H. W. A. Dixon of the Argonauts, J. O'Connor of the Dons and A. F. Jury, jr., of the Torontos.

It is announced that Davis & Haskins will make a book on the different events; pools will also be sold. The Regatta Committee met at the Board of Trade rooms tonight and drew the heats and places for the first day.

The trial heats for senior fours, junior fours and senior singles take place to-day. Both the bay and lake course will be marked out, and whichever is the better one will be used.

Inspector Stephen failed to make out a case against Minnie Beatty in the Police Court yesterday, on a charge of keeping a house of ill-fame. Inspector Archabold promised the magistrate further evidence and the case was postponed for a week.

Alfred Oxford, hotelkeeper of Markham, died last month leaving $12,416.33 cash and $450 in other personalty. He willed $10,000 to his wife and the balance to other relatives.

Our Lady of Lourdes' Church garden party and band concert will be held in the beautiful grounds at St. John's Grove, Sherbourne-street, on next Wednesday evening, Aug. 8. The band of the 48th Highlanders will play a choice selection of music.

The officers of the newly-formed Historical Association are: President, Principal Robertson, St. Catharines; Vice-President, T. G. Marquis; Secretary, P. McEachern; Executive Officers, Principal Mills of Athens and Principal Harlton of Bathurst-street Public School, Toronto.

Bacon secured second prize and also first for waltzing. Mr. W. M. Hunt acted as floor manager in his usual efficient manner. The committee who had charge of the affair were: A. C. Jackson, R. Wilson, Benjamin Dorsey, Charles Sharpe, E. Hodge and William Brooks.

Instead of the concert announced for the Gardens the Royal Grenadier Band, under the direction of Mr. Waldron, will play the following program at Bellwoods Park this Friday, evening from 8 to 10: March, Tommy's Own, Hayden Coffin; overture, Haydee, Auber; valse, Thelma, Carl Kiefert; selection, Lucrezia Borgia, Donizetti; characteristic piece, An Irish Wedding, Puerner; valsette, Echoes of the Ball, Gillet; selection, Faust, Gounod; Nigger Medley, 10 minutes with the Minstrels, Bowron; polka, Knave of Clubs, Bucalossi.

To-night the decks of the Chippewa will present a brilliant appearance. The annual moonlight excursion of the sergeants of the 48th Highlanders is already recognized as the most popular outing of the season. The arrangements this year, besides being unique, are such that even if the number of excursionists should exceed last year's every one can participate in the evening's enjoyment. A portion of the commodious decks of the Chippewa will be allotted to the band concert, in which the excellent band and pipers of the regiment will take part under the leadership of Mr. Griffin, while the remainder will be given over to the string band and those who trip the light fantastic. The Chippewa leaves the foot of Yonge-street at 8.30 p.m.

Young Burglars Arrested.

William Stradwick, 74 Sullivan-street; Charles Roach, 165 John-street, and Charles Daveio, 75 Centre-avenue, were arrested yesterday by Detectives Black and Porter on a charge of having broken into the store of John Howels, Adelaide and Brant-streets, Wednesday night.

When Howels opened his store yesterday morning he discovered that burglars had entered the place the preceding night and stolen a large quantity of small goods, the greater portion of which was tobacco.

During the afternoon Detectives Black and Porter captured Roach and Daveio in the Esplanade trying to dispose of part of the stolen property to trainmen. When arrested Roach at first pleaded innocence, but afterwards admitted his guilt and informed the officers that the remainder of the goods were hidden in a lumber yard at King and Charlotte-streets. After a long search among the lumber piles the officers found a bag full of goods, there being more than $20 worth of tobacco.

Stradwick was afterwards arrested on suspicion of being implicated in the robbery. Young Roach has a bad reputation, there being a warrant now at No. 3 Station which the boy's father has had issued charging him with vagrancy.

"On or off the line, we're with the majority—'stuck' on Pearline!" And they're right—you will observe that their heads are level. Millions of women sing the same song as the clothes-pins. They may express it differently, but they mean the same thing. They mean that their work is easy and sooner done—and better done. No clothes worn out with the endless rub, rub, rub on the washboard. No backs tired out with it, either.

These millions of women mean that they're using Pearline, saving labor, time, and money with it, and have proved it to be perfectly harmless. Now, what do you mean? Surely you don't mean to try to do without it?

Beware Peddlers and some unscrupulous grocers will tell you, "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, if your grocer sends you an imitation, be honest—*send it back.* 333 JAMES PYLE, New York.
