"SAM" MORRISON, OF PHILADELPHIA — PHOTO BY A. SCHAEER — JOHN DE BRUYN OF BELGIUM — "NICK" AND "CHRIS" KIND OF HOLLAND

New York, June 22.—Many veteran bicyclists have revived the old time road races on Long Island. In the list of entries in a recent century run were Morrison, of Philadelphia; John De Bruyn, of Belgium; "Nick" and "Chris" Kind, of Holland, and others. A Spalding medal has also been donated for schoolboys.

JACK JOHNSON AIDS THE CHURCH; INCIDENTALLY, HE SAYS THAT JEFF IS TOO FAT TO FIGHT

Jack Johnson last week spoke at a church meeting. The meeting was at Cypress Hall, Prospect Street, Cambridge, Mass., and was in aid of the Rush A. M. E. Zion Church.

An account of the meeting follows:

The lower part of the hall had seats to spare, but the galleries held all the people the law would permit.

The champion appeared on schedule time, accompanied by his wife, in the now famous automobile.

Received An Ovation.

On entering the hall he was given an ovation.

When he was rested and the police had assured themselves that nothing of the nature of a pugilistic exhibition was to be pulled off, Rev. Dr. J. Francis Lee advanced to the front of the platform and said:

What the Parson Said.

"You will witness tonight a feature which, so far as I know, has never taken place before in the history of the world. I heard that Mr. Jack Johnson was in Boston and I was struck with the thought that he would be a man that would like to talk for my church. The more I thought it over the more convinced I became that even if he was a man of the ring he had a Christian mother, a Christian training and that in spite of his great fame he would speak for our people. (applause.

"So I went to his hotel and saw him. I told him what my errand was, and he gladly accepted it, and he is here tonight. He has kept his word." (Great cheers.)

The Glad Rags.

Johnson came forward clad in a tuxedo suit, a drab vest, showing a vast expanse of shirt front from which glittered two dazzling diamonds. His tie was black. Other diamonds sparkled from his big hands. He was given an ovation lasting several minutes. He made an address which scored a great hit because of his eloquence and his command of himself.

Just as he was about to begin his address some one yelled, "Will you fight Jeff?" a question that provoked wild applause.

Li'l Artha's Speech.

Without appearing to notice the question, Johnson began: "Ladies and gentlemen, my reason for coming east after landing in this country at Vancouver was to try and get a match with Mr. James J. Jeffries. He had some things to say before I had met Burns and whipped him in Australia, and he has had some things to say after I whipped Burns. I came through to Chicago and posted $5000 for a match with Mr. James J. Jeffries. Failing to hear from that gentleman, I came to New York, and there placed $5,000. I waited and waited, but have never heard from Mr. Jeffries. (Laughter).

Jeff Too Fat.

"After seeking Mr. James J. Jeffries all this time in a gentlemanly manner, and he not seeming willing to meet me, I am satisfied now that he and I will never fight. (Applause.) The reason for this is that he is growing fat, and I don't care to meet a man who comes out of retirement. I want to meet a man, or men, who are alive and who are not taking on too much flesh. I want a real live one. Then let the best man win.

"In England I met the best men there. In Ireland, in Italy, in Australia I met their best men, and in conquering Tommy Burns I became champion of the world. (Loud cheers.)

The Ketchel Bout.

"I am going to meet in the near future Stanley Ketchel, in 20 rounds, at San Francisco. I am also going to have 20 rounds with Al Kaufmann. I am meeting new men who are looking for honors, and not men just out of retirement.

"I am leaving Boston tomorrow. My stay here has been pleasant. I shall go to New York, then to Atlantic City, then to Pittsburg and on to Los Angeles. I am to meet an unknown, and it looks to me as if it will be Nathan Johnson. You can bet your neckties and collars that I will win. I will try to defend the title; it makes no matter who the man or men are. The battle will be won on its merits. I bid you good night. I believe that I have done some good by coming over here to this city of Cambridge." (Cheers and applause.)

As Johnson departed toward Boston cheers followed him and his wife.

IN THE RING.

Al Lippe, manager of Abe Attell, is now looking after the affairs of Harry Lewis.

Joe Thomas is in Philadelphia looking for anything that will give him a chance to get back into the running.

Freddie Welsh, who was a great stickler for weight in this country, has agreed to box Young Josephs in England, at 142 pounds.

Joe Gans is again reported to be in a serious condition from consumption. A short time ago Gans gave this story his unqualified denial.

There is a possibility that the Nelson-Clifford contest, scheduled for June 22 at Oklahoma City, will be prevented by the authorities.

Jeffries is continuing to get the soft money. He boxes Berger in Buffalo, June 26, but meantime has a lot of minor dates at fancy prices.

Abe Attell has agreed to box Battling Nelson at the North End A. C., San Francisco. Nelson is said to have previously accepted getting for his share $7,500, win, lose or draw.

Tom McCarey has secured an annual license to hold bouts at Vernon, Cal., and thus secures control of the fighting situation in southern California. Unless he can make some arrangements with the stockholders of the Jeffries A. C., McCarey will erect a new arena that will be larger than any he has ever controlled.

Sam Heston, the latest of the San Francisco promoters to become a bidder for big fights, is after a match between Stanley Ketchel and Sam Langford, and has received from Joe Woodman, manager of Langford, an assurance that Sam is willing to meet Ketchel over any distance the latter may select. Heston wants the men to meet at his club during August, and the chances are that this will be agreed upon.

Jim Kendrick, the English bantam, showed his class in Latrobe, Penn. last Thursday night by defeating Patsy Branigan of Pittsburg in six rounds.

Sammy Keller, the little English boxer, who appeared at the Armory A. A. last fall, was knocked out in two rounds by Young Lippo in Plymouth, England, the other night.

Promoter Coffroth of California says that Jeffries or himself must be the referee of the Johnson and Kaufman bout. Johnson says that neither of them will officiate, for he will not stand for them.

Jim Barry, finding the boxing game dead in England, is on his way back to the United States.

A colored boxer giving the name of Frank McCay, and claiming to hail from Boston, was defeated in six rounds by Jim Austin in London the other night. McCay is believed to be Davis, who went to England with Sam Langford.

If Sandy Ferguson defeats Joe Jeanette at the Armory A. A. next Tuesday night he will be given a chance to box Jack Johnson in Los Angeles next month. Johnson has declared that he considers Sandy the toughest contract of any of the heavies in the country and that he would rather box any of the others than Sandy.

DIAMOND DUST.

"Chet" Nourse, the Brown pitcher, reported for duty with the Red Sox, and went down to Brockton with the big squad.

Roy Thomas, who played with the Philadelphia National league team for 10 years, and who was with Pittsburg last season, was given his unconditional release by the latter club Friday. Thomas has been coaching the University of Pennsylvania nine.

Jimmy Sebring, of Brooklyn will go to the Milwaukee American Association team, waivers having been asked on him some time ago.

Dick Bayless, who plays centre field for Atlanta, has caught President Dovey's eye. The latter wants to land Dick for the Boston team.

Jimmy Barrett, formerly of the Red Sox and Providence, has signed with Milwaukee of the American association.

Harmon, a Shreveport pitcher, has been bought by the St. Louis Nationals.

President Allen of the Texas league has announced the sale of Pitcher Harmon of the Shreveport Club of the Texas league to the St. Louis club of the National league.

The Pittsburg club has sent out invitations for the dedication of Forbes field, which is to take place Wednesday afternoon, June 30. Chicago plays Pittsburg that day.

WILL NOT BE REPRESENTED.

The Maritime Provinces will not be represented at the C. A. A. U. championships at Winnipeg. The C. A. A. U. have been making efforts to have F. O. Schaefer, of Halifax, the 100 yards champion; W. Ross, of Halifax, the 1-2 mile champion, and Dr. Garfield McDonald, of New Glasgow, the holder of three C. A. A. U. championships, go to Winnipeg, but as much as they would like to make the trip their business engagements will prevent.

MARATHONS WON AGAIN FROM GLIPPERS; SCORE WAS 4 TO 1

In a good snappy game the Marathons took their fourth from the Clippers last night on the Victoria grounds. The score was 4 to 1 after five innings play.

A fair-sized crowd turned out although it was generally thought the grounds would be too wet after yesterday's heavy thunder shower, to permit the teams to play. The usual puddles were in evidence on the base lines and about the home-plate but a liberal use of sawdust lessened the dampness to some extent. The outfield was in a very good shape, however, and the fielding was good considering the greasy state of the ball.

Howe In Box For Clippers.

H. Howe was on the slab for the Clippers and did good work, striking out five men. Three Marathons, however, got to first by being hit by the pitcher. Nesbit had four strike-outs to his credit.

The Scoring.

The Marathons got two runs in the second, one in the third and one in the fifth. The Clippers' lonely tally was scored by Carson in the fourth on an error.

In the second Bradbury was hit by the pitcher, reached second on an error, he reached third and Clawson reached first when Harrington was caught at the second bag. John Malcolm's two-bagger scored both men. Doc Malcolm tallied on an error in the third. Ramsey made the last run on Doc Malcolm's single in the last inning.

ST. JOHN'S WON FROM A. O. H. SCORE 7 TO 5

A. O. H. lost again to St. Johns last evening in a game which afforded a fair amount of interest. St. Johns led all the way not allowing Fairville to score until the third inning when St. Johns were already five to the good.

In the opening inning the South Enders pushed in three runs and would have made more but for their over-eagerness. St. Johns had four hits in the inning and were helped by two errors.

In the second St. Johns added three more on the strength of McGuiggan's two-bagger, hits by Cregan and Keleher, and an error by Keenan which let Conboy around to second. Morrisey in centre-field for A. O. H. had two put-outs in the inning.

Two balls which Cullinan let pass him, a gift from McGuiggan, hits by O'Toole and Joyce and Daley's mishandle of Quigg's grounder, let in three runs for A. O. H. in the third. Two more were added in the fifth on more errors by Daley and McKinnon's hit. This made the score St. Johns, 6; A. O. H., 5.

Breen and McGuiggan each hit safely in St. Johns' half of the fifth, and Breen made the round of the bases. With the score 7—5, Umpire Dawson called the game on account of darkness.

St. John will be well represented at the Moncton A. A. A. track meet to be held in the Railway Town on Saturday. Brooks, Sterling and Covey, of the Every Day Club, will go up, and it is possible that Wheeler, of the Algonquins, will also go. The athletes leave St. John on Friday.

ABBIE WOOD BEAT HOLMER IN HALIFAX

Special to The Standard.

Halifax, N. S., June 21—Before an audience numbering 1,000 people, Abbie Wood, the plucky little Montreal runner, defeated Hans Holmer, formerly of Halifax, in a gruelling contest at the Arena this evening.

Lieut.-Gov. Fraser fired the pistol at 9 o'clock which started the men on their long journey of fifteen miles.

Wood Took Lead.

Wood immediately forged to the front and set a heart-breaking pace, finishing the first mile in the phenomenal time of 4.57.

He continued to slowly increase his lead and at the end of the fourth mile had lapped his opponent. From then on to the eleventh mile Wood slowly drew away from Holmer and at the beginning of the twelfth mile he was again right on Holmer's heels. At this point both men were racing along at a terrific clip and both appeared in excellent shape.

Wood's Spurt At Finish.

Wood seemed satisfied with his lead and plodded along behind Holmer until the last lap, when, with a magnificent spurt, he jumped into the lead and beat his opponent out by a little over two laps in the fast time of 1.26.39. The track was a little over ten laps to the mile, the distance being 155 laps, 150 feet. It was built of sods. The runners took sixty per cent. of the receipts.

FERGUSON WILL FORCE FIGHT.

Sandy Ferguson will fight his own battle tonight against Joe Jeanette at the Armory A. A.. In his bouts in the past Sandy has been under a pull, because of the fear that if he assumed aggressive tactics he would be blamed for roughing and probably penalized. He feels that in order to make good against Jeanette it will be necessary to use the same forcing tactics that he did with Kubiak. If the big Chelsea man does this there will be more action to the bout than any other heavyweight contest that has been held in Boston for some time. Jeanette is prepared to meet Sandy at any pace the latter may set.

JOHNSON MATCHED WITH ROSS.

New York, June 21—A six round match has been arranged between Jack Johnson and Tony Ross, the Italian heavyweight, to take place in Pitsburg on June 30 at the Duquesne. Ross intends to put himself in the best of condition and while Johnson expects to finish his man before the six rounds are over, the champion may find himself in difficulty should Ross land one of his heavy swings.

QUITE A FORWARD CHILD, THIS

Boston, June 20.—Norbert Wiener, of Medford, was graduated from Tufts College today with the degree of A. B. (cum laudt.) Were it not for the fact that Wiener is only a boy 14 years old and that he took the regular four year course in three there would be nothing startling in the announcement.

He could read the alphabet at the age of eleven months, could read and write at 2 years, and at the age of 8 was fitted for college in mathematics, philosophy, modern languages and the sciences.

When Wiener entered Tufts in the autumn of 1906 he had gone further in chemistry and philosophy than the average senior. He was required to take several entrance examinations, mathematics among them, in which he was found to be far in advance of the freshman class. So as a freshman he did upper class work in the theory of equations and in determinants, while in philosophy it was found necessary to place him in a class by himself.

In the autumn he will enter the Harvard Graduate School, where he will elect work in higher mathematics, with a supplementary course in biology or chemistry. After receiving the doctor's degree at 17 he intends to spend two or three years in Germany and France devoting himself to philosophy and science. That is, at the age when the average boy has still two years of work ahead of him for his bachelor's degree Wiener expects to be doing advanced scientific work among the savants of a German university.

The boy is the son of Prof. Leo. Wiener, of Harvard.
