Scribner's Monthly

FOR 1876.

The publishers invite attention to the following list of some of the attractive articles secured for Scribner's Monthly, for the coming year. In the field of fiction, besides numerous novelettes and shorter stories, there will be

Two Remarkably Serial Stories
BY AMERICAN AUTHORS.

The first of these, now complete in our hands,

"Gabriel Conroy,"
By BRET HARTE.

Begins in the November number

and will run for twelve months. This is Mr Harte's first extended work. The scenes and characters, which the author has chosen from his favorite field, California, are painted with characteristic vividness and power; and the work is without doubt the most graphic record of early California life that has yet appeared.

We shall also begin in the January number,

"PHILIP NOLAN'S FRIENDS,
Or, Show Your Passports,"
By EDWARD EVERETT HALE.

The scene of this story is laid in the Southwestern territory, now forming the States of Louisana and Texas, at the time of Aaron Burr's treason. The characters lived in a section which was now American, now French, and now Spanish, and this record of their adventurous lives makes a story of intense and unflagging interest throughout.

A SECOND "FARMERS VACATION,"
By Col. GEO. E. WARING, Jr.

Col Waring is now in Europe, visiting, in a row boat ride of two hundred and fifty miles, one of the most fertile and interesting of the vine-growing valleys of Europe. This second series of papers promises to be even more interesting than that with which our readers are already familiar.

CENTENNIAL LETTERS,
Edited by John Vance Cheney.

A rare collection of Revolutionary Letters, mainly from stores in the hands of the descendants of Col. JOSEPH WARD. They are full of interest, and will be read with a rare relish in connection with the Centennial celebration of the year

Finally illustrated Articles on

AMERICAN COLLEGES,

written respectively by their friends, will appear during the year. The revived interest in college life makes these papers especially timely, and will secure for them unusual attention.

OLD NEW YORK,

Elegantly illustrated articles on old New York by EDWARD F. MINNS, will appear at once, and will attract the attention of all, in city or country, who mark with interest the development of the great metropolis, and affectionately remember the quaint peculiarities of its olden time.

Every number is profusely illustrated, thus enabling us to give to our descriptive and narrative articles, an interest and permanent value never attained in a non-illustrated periodical. Under its accustomed management the Magazine will in the future be devoted, as it has been in the past, to sound literature and Christian progress.

The Editorial Departments,

occupy over twenty pages of each number and contain Dr Holland's vigorous and timely editorials, as well as Reviews of the latest works of Art, Literature, and Science.

TERMS:

$4.00 a Year, in advance; 35cts. a Number.

The 10 vols., complete, Nov. 1870, to Oct. 1875, bound in maroon cloth... $20 00,

GEORGE STOCK, Esq., Toronto.

DEAR SIR,—We have been using your oil on our machinery for some years, and have no hesitation in saying it is the only good oil of the kind we have ever had, and it is the very best machine oil we have ever used. We recommend it to all our farmer customers as the best oil they can possibly buy. We suggest that you put it up in 5 gallon cans for their use, and we feel sure it will sell freely. Any one who gives it a trial will continue to use it.

Yours truly, F. W. GLEN, President.

As foreman of the above works, I beg to say I would rather have Stock's Extra Oil than Lard Olive or any other oil I have ever used.
