AROUND THE PADDED RING

Gossip of All Classes Versed in the Manly Art of Self-Defense—Past and Future Matches.

Tom O'Rourke has matched Dal Hawkins to box Spike Sullivan at the Lenox A.C. on June 20. The meeting will be for 20 rounds at 133 pounds.

Jack Downey and Danny McBride have been matched to fight 10 rounds at 130 pounds on May 28, at Coney Island. The men will weigh in at 8 o'clock.

Evan Lewis, the strangler, and Yousouf, the Turk, will probably wrestle for a $2500 purse in Chicago on June 25. Brady already has signed for Yousouf and Lewis is only holding out for a $1000 side bet. Yousouf does not want the strangle hold barred.

Jack Bennett spent a couple of hours yesterday on the ball field at Hanlan's Point catching and batting out flies. He put in a useful day's work. Jim Popp is training diligently at the Rosedale Hotel under the care of Chris Clune. Andy Ward will be unable to leave Sarnia before Friday, and is the only one of the boxers for next Saturday night's show who is not already in the city.

Mike Leonard is the first of the pugilistic fraternity to come forward with a proposition to benefit the needy families of the departed members of the 65th Regiment. Mike wants to box with some one, he doesn't care whom, for ten or twenty rounds at the Olympic Club. The entire proceeds will be added to the fund already started to aid the absent soldiers' wives and children. Leonard will call on Mayor Diehl to-day and tell the Mayor what he is willing to do, and the offer will undoubtedly be accepted. Leonard is matched to fight Ed Steele at Niagara Falls on May 23, and if he beats Steele he will meet Harry Lemons at Rochester on Decoration Day. He will meet Matty Matthews in New York on May 27 and Jack Camp at Elmira on the 16th.—Buffalo Courier.

At the American Athletic Association, Chicago, Saturday night Jack Bartley of Binghamton fought a six-round draw with George Kirwa of Chicago. Bartley was the betting favorite. Like many who have opposed Kirwan, Bartley found the original methods of the Chicago man a trifle hard to fathom. Kirwan, as usual, assumed the aggressive and several times sprinted nearly all around the ring in chase of Bartley. In the second round he went at Bartley sideways and his crabbike attitude and fierce expression made the crowd roar. He landed several blows, twice upper-cutting and landing a strong left on the face. In the succeeding rounds he did most of the chasing and Bartley found difficulty in stopping his peculiar leads. The hardest fighting was done in the fourth round. Bartley landed several good jabs. Though the decision, a draw, met with the approval of the majority, there were a few dissenting voices.

Dr. Ordway, the American representative of the National Sporting Club of London, has arrived in New York on the Campania from England, after a month's trip abroad. Ordway's visit is to match Pedlar Palmer, the crack English bantam champion, against any 116-pound man in the world. Ordway says that Palmer's hands are in tip-top shape, and that he can find backing for any amount, from £500 to £1000. In talking of boxing prospects in England, Ordway said to a N.Y. Sun reporter: "The season at the National Sporting Club will terminate on May 23. On that evening, which is known as 'Derby Night,' Chesterfield Goode and Arthur Akers will come together for the middleweight championship of England. Dido Plum, England's crack 135-pounder, and Jack Cullen, the recent importation from Australia, will come together in the preliminary affair. Cullen is rated as a very fast and clever boxer, and those who have seen him fight say he is a real champion. He has a great deal of confidence in his ability, and has posted £100 to meet Spike Sullivan in case he wins. Sullivan is a great favorite in London, and the sports want him to return as soon as he can. Should it come to pass that Cullen loses, Spike will be matched to box Johnny Hughes, our present English lightweight champion. Hughes can get goo dbacking. As far as Palmer is concerned, I will state that he will be ready to box by next September. I have the articles of agreement which he has signed with me, and all that is necessary to clinch a match is to get a suitable opponent for him."

TORONTO WON THE SECOND.

Rochester Batsmen at Gaston's Mercy, and It Was Almost a Shut-Out.

Sluggers Were Beaten 6 to 1 and Scored Their Only Run in the 9th Inning: After Two Hands Were Out—Montreal Beat Buffalo, and Rain Prevented the Other Two Games.

There were only two games in the Eastern League, when the Canadian Clubs turned the tables on their American visitors, and to-day Toronto may again assume the lead. Rochester was easy at the Island through Gaston's superb work in the box, and Souders won for Montreal by exactly the same margin. The standing:

	W.	L.	Pct.
Wilkes-Barre	7	4	.636
Toronto	7	5	.583
Montreal	7	5	.583
Syracuse	7	6	.538
Buffalo	8	7	.533
Springfield	4	6	.400
Providence	4	6	.400
Rochester	3	7	.300

Games to-day: Rochester at Toronto, Buffalo at Montreal, Providence at Syracuse, Springfield at Wilkes-Barre.

Almost a Shut-Out

Toronto beat Rochester yesterday because Gaston pitched all round Yerkes. Only one hit—Massey's lucky one in the fourth—was made off Toronto's southpaw in seven innings. The visitors had two singles in the eighth and a double and a single in the ninth. Gaston made the rooters uneasy on several occasions, but generally extricated himself by strategic twirling, backed up by perfect support. On the other hand, the Torontos generally connected with the leather, and only for bad base running the score would have been much more one-sided, no less than three Torontos being nipped at the plate, due to loafing along the line. Morton's new infielder did not arrive, and Scheffler played as if it were his last day on earth. Beau is expected to get in the game to-day. Bonner went after everything in sight, and the three errors were due more to over-anxiety than anything else.

Toronto started scoring in the third, bunching three singles, and Taylor's double, for three runs. The locals tallied another in the fourth on Casey's scratch hit, Grey's clever sacrifice and Reisling's clean single. They rounded up the half-dozen with two in the sixth on doubles by Casey and Reisling and Freeman's triple. It looked like a shut-out for the visitors with two gone in the ninth. Then Clymer doubled and Elsey singled for their solitary tally.

Casey hit everything that came at him, and wound up with a perfect batting average for the day. He was closely followed by Reisling and Taylor. Score:

Pop Williams Pitches To-Day.

Toronto and Rochester are now a game apiece, and the rubber will be pulled off to-day, starting at 4 p.m. Pop Williams will make his initial appearance of the year in Toronto, with Casey again behind the bat. The Rochester battery will be Johnston and Gunson. Manager Irwin expects Sheehan back to-day and Manager Morton says Bean will surely report this afternoon.

Montreal Beat Buffalo.

Montreal, May 16.—The season was formally opened here to-day, Mayor Prefontaine pitching the first ball. The club's new grand stands were greatly admired, and the new diamond proved to be fast, and will be even faster when it is worked up a little. The game was an interesting one. Montreal put up a better game all round than Buffalo and, easily, Malus' wildness was costly. Score:

Hit the Twirlers Hard.

London, May 16.—The baseball season on the home grounds of the International League opened here to-day. The local club played against Saginaw. The home team were handicapped by the absence of Grim, catcher, and Grimshaw, first baseman, both of whom were unable to play, owing to injuries received recently. Both twirlers were hit hard, the visitors doing the heavies thatting, but the home team hit when hits were needed, and consequently had the better of the run getting. The game abounded in sharp fielding and was interesting throughout. Atetndance about 700. Score:

HOT TIP OUT ON MARITANA

Railbirds Plunge on Dyment's Filly To Win the Guineas.

Fast Time at Woodbine Park Responsible for the Play—Five Days More and the Ontario Jockey Club Races Will Be in Full Swing—Results and Entries From Across the Line.

In five days more the spring meeting of the Ontario Jockey Club will be in full blast. Everything is in readiness, and the army of good thoroughbreds warrants the best meeting in the history of Woodbine Park. The horses are now pretty well keyed up and many track records will go by the board before the meeting ends.

Although the track at Woodbine Park was not of the fastest yesterday the trials brought the Dyment stable into prominence. In the morning Mr. Dyment sent his two Plate candidates out to do the distance, and the fastest trial so far this season was made by Maritana, who stepped it out with overweight in 2.15¾, covering the mile in 1.49 flat. Flying Bess stepped out three quarters in 1.17, going the first half in 49½ secs. This was the best work done at the track yesterday, and the Plater was not driven out.

Lady Dorothy, accompanied by Sister Adele, stepped out three-quarters in 1.18¾.

Kilrona and Zeal of the Davies string were sent out to do a half mile, the time being 52½ and the three-quarters was done in 1.20. Dumbarton and Toklo, two Hendrie horses, were sent six furlongs in 1.20¾.

Mike Gorman's Debiaise was breezed a quarter in 25 secs.

Brown Girl, Jezebel and V.R. Customs were driven out a mile in 1.52 flat.

Red Monk, Defender and St. Lawrence were sent out together to do three-quarters, which was covered in 1.20½, the half in 52½ secs.

Lady Sinclair reeled off a mile in 1.55 flat.

A large number of timber-toppers were put through the field. Trillion, Guy Hampton and Virginia Day were worked together. Pink 'Un, King Joseph and Major Fludd were schooled over the hurdles.

Julia Flynn, Gorman's mare, was worked out a half in 52½.

Dumfries and Toronto, the Boyle Platers, were given stiff gallops.

In being schooled over the jumps Corelli had a fall at the club house bank, but escaped unhurt.

After being schooled through the field Mr. Dawes' Red Fat ran away for about three miles, but pulled up unhurt.

John Nixon gave his horses stiff gallops. Lauretta D. was breezed through the stretch.

Nearly all the Davies horses were given good trials.

Samson was schooled through the field, and this good horse improves daily at this work. Hesperian was given stiff work and schooled.

Mr. King's Prize was worked in the field.

Mike Gorman's Odd Genius was sent over the hurdles.

Mr. James' 2-year-olds were all worked out.

The Seagram string will likely be at the Woodbine to-day.

Panic and Woodstock, two of Mr. Boyle's string, ran a good half in 53 secs.

Sir Andrew is improving daily and will be a favorite in the Green Steeplechase.

Gallant Tom was schooled through the Steeplechase course.

The old timer's stand on the field across from the judges' stand has been torn down and those who in attendance are now enabled to see the water jump.

Mr. Stuhl is working Credential out before any of the railbirds arrive at the track.

Maritana's fast trial yesterday sent the odds against her in the Plate down. She is well played for the place and to show.

Royal Bob was given some useful work in the afternoon.

The Shields string were given stiff gallops.

After the time made by Mr. Dyment's Maritana yesterday became known, a large number of the knowing ones started out to look for the books to place their money on the filly. Only a short time ago her odds were at 50 to 1, and from that they were boosted to 100 to 1 to win, 40 to 1 to place and 20 to 1 to show. The tip went out first on Saturday, and several bets were made for place and to show, while a few nibblers took her to win. Yesterday afternoon the one word among the railbirds was "What do you think of Maritana's time?" and several of them admitted that they had plunged on her. Several well-known characters stand to win large sums if the Dyment colors finish second or third.
