SEVEN RACES ON SOFT TRACK

Four Favorites Finished in Front on Third Day at Woodbine Park.

TIP GALLANT WON STEEPLECHASE

Merry England Beat Big Field of 2-Year Olds in Michaelmas Handicap.

Seven races were decided on the third day at Woodbine Park. The track was slow, and a drizzling rain fell during the last three events. Three favorites finished outside the money, as a starter, and then four first choices turned up in front, making the best average for the public for the meeting. The fields were large and doings in the ring as lively as usual. The three beaten favorites carried a lot of money, but, then, the regulars got back most of it in the next four. With such large fields, most of the horses had some supporters, and thus the layers had again probably the better of the argument. Valesco opened favorite in the fifth, but the strong play on Beau Ideal switched them around at post time. The crowd was good for an off-day, considering the weather. The Highlanders' Band, under the direction of Mr. Slatter, furnished a splendid program of music.

The first race on the card, for maidens, had 16 starters. John Hughes rushed ahead and maintained the lead, capturing the race, 5½ furlongs, in 1.13, at 8 to 1. Prancer and Chapparal challenged the Hughes candidate on the run home, but could not get closer than two lengths. It was a driving finish for second money.

Gold Cockade liked the going in the second race, for 2-year-olds, and, after getting away to a good start, won away off, at the good odds of 7 to 1. Tom Hall, with Minder up, could not catch the Seagram cast-off, finishing a good six lengths behind, altho Sayre's colt made a good run home. Luitgart finished third. Bright Girl ran a good race, but tired in the stretch.

Autolight, Ketchman's bay colt, at 2 to 1, and Janice, at 3 to 2, were heavily played in the handicap on the strength of their former achievements, but April Shower, carrying 108 pounds, driven all the way to win by Ellis, negotiated the distance of one mile in 1.46. It was a pretty race. Autolight, after trailing in the rear, made a grand attempt on the home stretch. At the turn April Shower was clear of everything, with a comfortable lead, when Autolight, well ridden by Jackson, came along fast, almost beating her opponent. The favorite, Janice, was not in the money, being beaten out by Lone Fisherman.

The Michaelmas Handicap, the feature event of the day, brought out a large field of crack horses, and the race was won easily by two lengths by the Seagram Merry England at 2½ to 1. The latter was off to a bad start, but at the three-quarters was half a length behind Geo. Perry, who led Begone by a length. At the stretch Merry England forged ahead of the fast-tiring St. Daniel, who was leading, and finished in the lead of Begone, who came along strong in second place, with Dyment's George Perry third.

Beau Ideal lead the bunch in the Ringwood Handicap, at a mile and a furlong, getting off to a good start and winning as she pleased, at 8 to 5. Valesco was heavily played, but the best she could do was to hold second place safe against Dick Warren, who was pulled the last quarter.

In the sixth race, the contest was between Lady Kent, Fonda and Aratoma, the former winning on the last quarter from Moore's gelding by a neck in a driving finish.

The last race of the day, the second September Steeplechase, furnished one of the best jumping races of the meet. Higbie, Tip Gallant and Wenlock all got off to a good start, with the first-named in the lead, but Tip Gallant was going easy. Higbie was unable to stand the pace, and at the last jump Crook's Tip Gallant, well ridden by Brazil, forged ahead, winning in easy fashion by eight lengths from Wenlock, Phelan's horse finishing third.

The Hounds Tuesday Afternoon.

Those members of the Toronto Hunt Club who stayed away Tuesday from the meet of the hounds because of a little rain have to-day to regret doing so, as there has been no better run this year than that which started from O'Halloran's Hotel, Dufferin Park, sharp at 3.15 o'clock. The recent rains made the ground just what it ought to be to retain the scent. The dogs ran as true as it was possible for them to do, and, consequently, fast, giving the riders the grandest and the fastest run of 1902. It was only those mounted on the best kind of a seasoned hunter that could attempt to be well up to the front. Nothing being not only fast, but in many places soft and sticky.

The hounds were laid on in Moore Park, and, to anyone who may experience in hunting, it was indeed a pleasure to see the dogs feathering and casting here and there in order to pick up the scent. They worked admirably, and never made one mistake, thanks to the painstaking efforts of Captain Miller, who hunted the pack. Major Forrester was acting master, and Dr. W. A. Young assisted him in the field. The turnout numbered but 14 members, but out of that small attendance only 10 finished.

The run was due east to Thorncliffe farm, then north with a finish just east of Davisville, and occupied two hours. Some of those who turned out and thoroly enjoyed the run were: Captain Miller, Major Forrester, Dr. W. A. Young, Captain Nelles, Mr. Proctor, Lieut. Tandy Smith, Mr. Moorehouse and Mr. Lyon.

Next Saturday afternoon the meet will be at the club house, and all members are asked to turn out in pink, and be on hand at 2.45 o'clock, as the club photograph will be taken in front of the club house. Capt. Miller promises the run will be a record one, as he intends going over the ground specially the day before, so as to guarantee the members something good. Let everyone turn out, with his "heart in the right place and his hat well on the back of his head," and no quarters will be heard. Tuesday the hounds were whipped into by Mumford and Phillipps.

Play Polo in Buffalo.

Buffalo, Sept. 30.—A team composed of George Cary, C. Cary Rumsey, H. T. Davis and George Milburn, defeated W. LaTour of Mt. Morris, D. Milburn, Charles Cary and Thomas Cary, in a polo game at the Country Club yesterday afternoon, by a score of 6 to 1. The game was the annual play for the Chapfield-Taylor Cup, which was donated three years ago. Chicago parties to be played for by the two teams of the club. The victors in yesterday's game gave their opponents a handicap of one, but they found no trouble in defeating them. The ground was somewhat slippery from the recent rains, and this made the footing of the ponies somewhat unsafe, altho, luckily, no accidents occurred.

Montreal Hunt Steeplechases.

Montreal, Sept. 30.—The annual steeplechases of the Montreal Hunt Club are to be held at Petite Cote on Saturday afternoon. The list of events is a long and interesting one. The management in charge has determined to make the club races this year a decided success both from a society and speed point of view.

A Disappointment Averted.

Serious contemplation of last winter's wardrobe will probably result in a disappointment, unless you first send all the clothes to Fountain, the Tailor. "My Valet," 39 Adelaide West. You will be surprised at what he can do for very little money. 367
