Germans Hastening Retreat.

BELGIAN HATE.

BELGIAN HEADQUARTERS, Nov. 11. (By the A.P.)—"The war is over." was the expression heard everywhere in re-occupied Belgium to-day. The abdication and subsequent flight of the German emperor was received without elation or enthusiasm, but the news of the unconditional acceptance of Marshal Foch's conditions was greeted by the people and the soldiers with relief and satisfaction. The civilian population is more bitter towards the Germans than are the soldiers who fought the enemy to a standstill. Terms of bitter hate and execration are heard among the civilians while the soldiers grin soberly saying the

WILL BUILD SHIPS.

LONDON, Nov. 12. Bonar Law said that everything available in connection with the manufacture of instrumentalities of war would be turned to the production of merchant ships, so that there would probably be an increased expenditure under this head.

HOLLAND WILL LOOK AFTER PRISONERS.

PARIS, Nov. 12. (Havas)-Holland has consented to carry on the work of repatriation of Allied prisoners of war now held in Germany.

EVACUATING BRUSSELS.

The Germans have begun the evacuation of Brussels, a Dunkirk despatch to the Paris edition of the New York Herald says. The despatch adds that King Albert and his family probably will re-enter Brussels next Fri-

HOLLAND'S PREDICAMENT.

LONDON, Nov. 12. Holland's hesitancy in dealing with William Hohenzollern is ascribed to the extremely indefinite state of public opinion in Holland by the Amsterdam correspondent of the Mail. He says that German revolutionary soldiers along the Dutch front say that they were strictly ordered to prevent the former emperor and his family from escaping into Holland. Late Saturday night and shortly after six o'clock on Sunday morning, he says ne sound of cannon could be heard from German territory. It was reported that a fight had taken place between revolutionists and royalists troops and that both sides had used artillery. According to neutrals reaching the British lines from Brussels several of the officers were killed.

WANTS BUTCHERS ARRESTED.

AMSTERDAM, Nov. 13. The Independent Social Democrats in the new German Government have demanded the arrst of Admiral Von Tirpitz, former Minister of the Navy, Major General Keim, President of the German Army League, Dr. Wolfgang Kapp, President of the Fatherland Party, Admiral Von Holtzendorff. former chief of the navy general staff. and others and the establishment of a tribunal to try all persons primarily responsible for the continuation of the war and hindering peace. This information is contained in a Berlin despatch to the Telegraph.

PEKIN JOINS IN REJOICING.

PEKIN, Nov. 12. (By the A. P.)-The news of the signing of the armistice was enthusiastically received in Pekin. Allied troops paraded through the legation quarters. Flags of the Allies were seen everywhere. Bells wer rung and celebrations were held in the various churches. The statute of the former German Emperor at Tientsin, known locally as Tin Wilie, was pulled down yesterday evening. Three holidays have been proclaimed in Pekin.

THE FOOD SITUATION.

OTTAWA, Ont., Nov. 13. Food has almost literally won the war. It is growing plainer and plainer that that is the final factor which brought about the submission in turn of Bulgaria, Turkey, Austria-Hungary and Germany, says the Chairman of the Canada Food Board. Four statements from the best sources in to-day's news bring the facts out in sudden brightness. The German Foreign Secretary Solf pleads that peace negotia tions should start at once, and informs the Secretary of State of the Unied States that here is a pressing danger of famine among the people An Associated Press message from New York says starvation faces the worn-out empire. Germany to-day is begging not only for peace, but for bread. Mr. Andrew Bonar Law, Chancellor of the Exchequer, asking the House of Commons for a vote of credit of \$3,500,000,000, says it might be necessary for the Allies to make an effort to bring food supplies to Europe, in which case the expenditure will be great and it will be vital that the close international unity which the war has produced shall prevail while the ravages of war are being
