WALKER & WISEMAN

Wood Engravers

97 St. James Street,

MONTREAL.

We are prepared with increased facilities to execute orders for every description of Engraving on

WOOD or METAL

in the very best manner, both as regards artistic merit and good Printing qualities, and at the lowest possible charges.

We are enabled to effect a great reduction on former prices, having discharged inferior Engravers who were receiving high wages, but whose work was generally unsatisfactory. It will be our earnest endeavour to restore the name formerly enjoyed by one of us for good work and low charges.
